(Deemed to be University under section 3 of the UGC Act, 1956)

NAAC accredited "A++" Grade University

ANNUAL REPORT

Academic Year 2023-24

Manav Rachna

Manav Rachna carries forward the mantle of excellence and professionalism with the philosophy of Manav Rachna.

Vidyantariksha

This is a conjunction of the words 'vidya' and 'antariksha'. "Vidya" means knowledge, information, the basis of creativity and innovation. It is the foundation of technology and envisages the future. "Antariksha" means 'the sky', the space in which we belong to or exist. It can be split into 'antar' and 'iksha' which means inner vision. Hence the combination, the core promise of Manav Rachna becomes "the reality of inner vision or root of knowledge".

From the PRESIDENT'S DESK

Dr. Prashant Bhalla
CHANCELLOR

More than 25 years ago, MRIIRS committed itself to providing high-quality professional education to meet the growing demand for skilled professionals. Our mission is to equip young minds with the best learning opportunities, helping them achieve their personal and career goals. As pioneers in education, we continue to lead with innovation and excellence.

MRIIRS is a vibrant learning community where students grow under the guidance of experienced faculty and benefit from valuable industry collaborations. Our well-designed programs, from undergraduate to doctoral levels, focus on practical knowledge, research, and skill development. We aim to prepare students for real-world challenges and shape them into future leaders.

As India moves towards becoming a knowledge-driven economy, we are dedicated to creating an academic environment that nurtures innovation and talent. By incorporating the latest industry trends and skills into our curriculum, we ensure that students receive relevant and job-oriented education. Our strong partnerships with businesses and industries help bridge the gap between education and professional success.

The changing global landscape has reinforced the need for adaptability in education. At Manav Rachna, we prioritize students' overall well-being and ensure seamless learning experiences, even in challenging times. Our faculty members are committed to providing quality education, whether in classrooms or through digital platforms.

Research is at the heart of MRIIRS. Our programs encourage students to explore new ideas, develop critical thinking, and contribute to knowledge creation. We inspire them to innovate, discover, and make a meaningful impact.

I invite you to embark on a journey of learning, growth, and new opportunities. Together, we can shape a brighter future for generations to come.

From the VICE-PRESIDENT'S DESK

Dr. Amit Bhalla
VICE PRESIDENT

The Annual Report for AY 2023-24 reflects a year of significant progress and achievements for Manav Rachna. Despite being a young institution, the university has emerged as a vibrant centre of academic excellence, recognized for its high-quality teaching and research. Our dedication to maintaining superior standards has earned us the prestigious NAAC 'A++' accreditation, placing us among the top universities in the country. Additionally, our all-eligible engineering and MBA programs have received NBA accreditation, reinforcing our commitment to quality education.

Academic reforms remain a key priority, with the successful implementation of the Choice-Based Credit System (CBCS) across most of the programs. Research initiatives continue to grow, supported by a culture that fosters innovation, transparency, and excellence. The university has also secured funding from national and international agencies, further strengthening its research ecosystem.

Beyond teaching, a strong emphasis has been placed on research, innovation, and active participation in conferences and publications. Many faculty members have presented papers, delivered keynote addresses, chaired sessions, and published research in reputed journals, contributing significantly to knowledge creation.

The startup culture on campus is another milestone, with student-faculty collaborations leading to the incubation and commercialization of promising ventures. Additionally, the university is committed to offering a holistic learning experience through world-class sports facilities, regular sports meets, and participation in national and international competitions.

Manav Rachna stands as a testament to the perfect blend of academic excellence, strong values, and social responsibility. With a firm belief in aiming high and dreaming big, the university continues to inspire students to pursue their aspirations with confidence and determination.

From the VICE-CHANCELLOR'S DESK

Prof. (Dr.) Sanjay Srivastava
VICE CHANCELLOR

It is both an honor and a privilege to present the Annual Progress Report of Manav Rachna International Institute of Research & Studies (MRIIRS) for the Academic Year 2023-24 before the esteemed Executive Council. With immense satisfaction and gratitude, I acknowledge the unwavering dedication of our faculty and staff, whose relentless commitment has significantly contributed to the university's remarkable growth in scale, scope, and academic excellence during this period.

MRIIRS stands as a multidisciplinary, research-driven, and student-centric university, dedicated to nurturing the leaders and innovators of tomorrow. Our mission extends beyond imparting knowledge; we strive to instil values of ethical leadership, social responsibility, and global awareness. At the heart of our vision lies the holistic development of our students-empowering them to evolve into conscientious citizens and catalysts for positive change. We firmly believe that education should grant students the freedom to shape their future, and in pursuit of this, we have proactively implemented an innovative curricular framework, including the Choice-Based Credit System (CBCS), to foster academic flexibility and interdisciplinary learning.

Over the years, MRIIRS has witnessed phenomenal growth, reinforcing its multidisciplinary character and commitment to academic excellence. Our educational approach is deeply rooted in research-led learning, innovation, and inter-disciplinary engagement, ensuring that our academic programs remain dynamic and future-ready. While teaching remains our core focus, we continue to foster a culture of research, innovation, and intellectual discourse, encouraging faculty and students to actively engage in publications, conferences, seminars, and symposia. A conducive and enabling environment has been established to nurture these scholarly pursuits, strengthening our institutional foundation.

The commitment and competence of MRIIRS faculty and staff remain unparalleled. Their dedication has played a pivotal role in ensuring that every aspect of the university functions seamlessly, upholding the highest standards of higher education. We are privileged to have an esteemed faculty body, with members hailing from prestigious national and international institutions, contributing their expertise to teaching, research, and global academic discourse. Their active participation in conferences, keynote addresses, research publications, and collaborative projects further enhances the university's academic standing.

Our Founder Visionary, Hon'ble Dr. O.P. Bhalla, envisioned MRIIRS as a transformative force in India's educational landscape—an investment in the intellectual and human capital of our nation. It is heartening to see this vision materializing through the collective efforts of our students, faculty, administrative staff, trustees, and management. Their relentless dedication continues to propel MRIIRS towards new milestones of excellence.

As we look ahead, I extend my heartfelt gratitude to every stakeholder who has played a role in shaping MRIIRS into a center of academic brilliance and innovation. Together, let us march forward towards a future of limitless possibilities and greater achievements.

CHAPTER-1

UNIVERSITY AT A GLANCE

With a mission to become a Centre of Excellence for Higher Education where aspiring students can be transformed into skilled and well-rounded professionals, Career Institute of Technology & Management (CITM) affiliated to Maharshi Dayanand University, a State University of Haryana was established in the year 1997. The College made rapid strides and was soon considered as a most preferred destination for students seeking admission to engineering and management programmes in the State of Haryana. It was conferred a status of Deemed University under Section 3 of UGC Act, 1956 by MHRD, Govt. on the recommendations of the UGC, AICTE and Government of Haryana in the year 2008 in the name and style of Manav Rachna International University (MRIU). Vide MHRD Notification No. F-9-3/2007-U3 (A) dt. 11/01/2018 the name of Manav Rachna International University, Faridabad (Haryana) has been changed to Manav Rachna International Institute of Research and Studies (Deemed to be University). Ministry of Human Resource Development, Govt. of India vide Notification No. F-9-3/2007/U3 (A) Vol.2 dated 08-06-2018 further extended / regularized the deemed to be University status to Manav Rachna International Institute of Research and Studies, Faridabad, Haryana from 21.12.2013 onwards.

In pursuance to the Notification No. F-10/2016-U3 (A) dated May 13, 2019 issued by Ministry of Human Resources Development (MHRD), Department of Higher Education, ICR Division, Govt. of India, New Delhi vide which Manav Rachna Dental College (MRDC) has been included under the ambit of MRIIRS as a constituent Institution. MRIIRS has registered an all-round growth in academics, research and development, ISR, student support and progression, leadership and governance, environmental consciousness besides achievements in many other exemplary processes and procedures.

A well-entrenched Internal Quality Assurance Cell has led to many quality-enhancing initiatives in the University resulting into successful ISO certifications and notable recognitions through national/global rankings and accreditations. Environment Management System of MRIIRS is ISO 14001:2015 certified since July 2022. The certificate got renewed during August 2023 by KVQA Certification Services Pvt. Ltd. This standard emphasizes the implementation of measures to reduce pollution, significantly aiding in environmental and climate protection. Energy Management System of MRIIRS is ISO 50001: 2018 certified since July 2022 and the surveillance audit for this year was successfully conducted during the month of August 2023. ISO 50001:2018 is a standard for Energy Management Systems aiming to enhance energy efficiency and reduce environmental impact. Implementing this standard allows the institution to systematically improve energy performance, leading to cost savings and a reduced carbon footprint. By adhering to ISO 50001:2018, MRIIRS demonstrates its commitment to sustainable practices and continuous improvement in energy management and a culture of energy conservation and operational excellence.

Furthermore, MRIIRS has been awarded the ISO 21001:2018 certification for its Educational Organization Management System on June 25, 2024, marking a significant achievement in its commitment to quality education. The certification process started during August 2023, involving a Gap Audit, Internal Audit, Management Review Meeting, and Stage 1 & 2 Audits conducted by external auditors. MRIIRS successfully met the ISO 21001:2018 standards, ensuring a learner-centric approach, enhanced educational processes, and continuous improvement. This milestone reinforces the university's dedication to global best practices and Sustainable Development Goals (SDGs) 4, 10, and 11, fostering excellence in teaching and learning.

1.3 Knowledge Partners

MRIIRS has forged over 85 strategic partnerships with leading corporates and academic institutions, both nationally and internationally. These collaborations are designed to enhance our students' life skills and prepare them for professional excellence. Our esteemed knowledge partners contribute invaluable industry insights and real-world expertise. Together, they play a critical role in shaping a holistic and future-ready educational experience at MRIIRS.

Some of our prominent collaborations include partnerships with industry giants and prestigious institutions, offering unparalleled opportunities for student growth as follows

Manav Rachna Innovation and Incubation Foundation (MRIIF), MRIIRS has signed an MoU with the National Skill Development Corporation (NSDC) and KEDMAN Skilling Private Limited to establish the NSDC World Skills Academy at Manav Rachna Campus, Delhi-NCR. This collaboration aims to align training with WorldSkills International standards, enhancing India's global competitiveness in skills development. The scope includes competency-based curriculum, advanced training facilities, certified trainers, industry collaborations, and preparation for WorldSkills competitions. The initiative will be implemented in phases, integrating skill-based education with real-world exposure and industry partnerships.

INTEL Internet of Things (IoT) Manav Rachna International Institute of Research and Studies (MRIIRS) is collaborating with Intel® Corporation for launching a B.Tech Program in Electronics and Communication Engg. with specialization in Artificial Intelligence and Internet of Things. This Course provides an opportunity to the students to have an insight to the most important technologies driving the modern world namely Artificial Intelligence and Internet of Things. Students will be given 360 degree exposure to various Intel Hardware and Software platforms that are used in Industry for AI and IoT development. The students will be able to learn about Intel Galileo, Intel Edison Boards along with other popular boards like Raspberry Pi and Arduino for designing IoT Systems.

MRIIRS has signed an MoU with the National Council for Cement and Building Materials (NCB) to foster academic and research collaboration. The agreement includes facilitating student internships in engineering and chemistry domains, sharing laboratory and research resources, and conducting joint seminars, workshops, and conferences. It also enables NCB scientists to register for Ph.D. programs at MRIIRS, promotes joint research projects with potential funding opportunities, and establishes adjunct faculty roles for experts from both institutions. Additionally, intellectual property rights and research findings will be jointly owned and managed.

Bombay Stock Exchange (BSE): In pursuit of bringing the best education to its students, MRIIRS have initiated a tie-up with BSE Institute, the education & training wing of Bombay Stock Exchange which is the oldest and the largest (in terms of companies listed & fastest stock exchange in the world) to offer both short term and medium term courses in the Finance space which are both skill as well as employment oriented. This will give an opportunity to the students of Manav Rachna to gain from their invaluable wealth of knowledge and experience. BSE Institute will plan not only in classroom teaching but also in creating a lab with semi live data which will help students gain practical knowledge of the markets & online trading.

Infosys: Manav Rachna has been associated with Infosys since 2009 for training the students & faculty members under the purview of the Infosys Campus Connect Programme. Under this programme, Infosys certified faculty members conduct special modules for grooming and enhancing soft skills of graduates, as per the industry demand. Manav Rachna International Institute Of Research and Studies is offering a number of elective courses under the same flagship. Infosys has also sponsored faculty members for participation in international conferences.

Memorandum of Understanding establishes a strategic partnership between Elcina and MRIIRS aimed at driving innovation and digital transformation. It promotes joint research and development initiatives to integrate advanced technologies into existing systems. Collaborative pilot projects will be launched to test and refine emerging solutions in real-world environments. The agreement focuses on enhancing operational efficiency, safety, and reliability across services. Both parties will engage in capacity-building programs and specialized training sessions for skill enhancement. Knowledge sharing and the exchange of best practices will be key to addressing current and future challenges. The MoU sets a framework for sustainable growth and continuous improvement in service delivery. Finally, it paves the way for a long-term, dynamic collaboration that adapts to evolving technological trends.

The MoU between Amrita Institute of Medical Sciences and Research Centre and MRIIRS establishes a robust framework for advancing medical research and healthcare innovation. It promotes collaborative projects in translational medicine, diagnostics, and treatment strategies. Both institutions will share expertise, modern facilities, and technical resources to drive research excellence. Regular seminars, training programs, and clinical trials will facilitate ongoing knowledge exchange and capacity building. Ultimately, the partnership is designed to elevate patient care standards and contribute to global healthcare advancements.

Mitsubishi Electric India (MEI) - MEI set up an Advanced Automation (Factory Automation) Lab in the campus. Through this lab, the students will have an opportunity to work on advanced IQR setup which is used for Automation in the Industries. Consequently, they will have better employability prospects and hence better career prospects. Several workshops and FDPs on 'Advanced Modular PLC', Servomotors & VFD', Process Control & SCADA systems have been organized in collaboration with Mitsubishi Electric India. So far, more than 500 students & faculty members have benefited from these activities. Industrial training in Factory Automation Lab (Centre of Excellence established by Mitsubishi) is also being conducted for final year students to enhance their employability prospects. Our students actively participate in "Mitsubishi Electric Cup", a national level project competition held by Mitsubishi every year. The students and faculty members of MRIIRS have access to webinars conducted by Mitsubishi Electric India.

SPEFL-SC, Sports, Physical Education, Fitness & Leisure Skills Council (SPEFL-SC), a skill development council for the Sports, Physical Education, Fitness & Leisure Sector, promoted by the Federation of Indian Chambers of Commerce & Industry (FICCI) and funded by the Government of India through National Skill Development Corporation (NSDC) enter into the agreement with FAS (MRIIRS) to offer skill development training programs for employment in Sports, Physical Education, Fitness & Leisure Industry Sector, for which both SPEFL-SC and MRIIRS shall deploy their core competencies. MRIIRS shall be Training Partner for conducting training programs, organizing the assessment & certification of Trainers and trainees from SPEFL-SC. The Sports Skill Council has declared MRIIRS as its stand-alone centre in view of the facilities available for training.

NHRD Network : MBA students participate in various inter-college competitions and faculty members attend various workshops conducted by NHRD. Executive committee members of NHRD visit the campus and interact with MBA students.

All India Management Association (AIMA) : MR Institutions are closely linked with AIMA and its Faridabad chapter (FMA). Faculty members attend various seminars, symposiums, conclaves and development programmes organized under the aegis of AIMA.

Electric One : Incepted with a single-minded objective, Electric Vehicle Center of Excellence (COE) in association with Electric one Mobility Pvt Limited is aimed to educate, engage and elevate students to be future-ready in a changed EV environment. This Certification and Curriculum based Experiential Program at the Centre will cater to the much-needed skills amongst students for the ever-growing futuristic segment of electric vehicles. It will provide tremendous professional and academic opportunities in the coming years. Most importantly, this Program will strengthen India's EV Vision.

Coding Ninja: Computer Science & Technology Department, MRIIRS collaborated with Coding Ninjas to establish the Coding Ninjas' Center of Excellence for achieving organizational excellence in the field of Placement Preparation for Product-Based Companies. Center of Excellence is to increase awareness about the importance of Coding and Technical skills amongst the students. Students will get access to Videos, Notes, MCQ based and coding questions on LMS. Regular assessment will test the students' learning and 1-1 mentor support to clear their doubts and will also receive industry recognized certificates of completion and excellence after the completion of their course.

National Institute for Entrepreneurship and Small Business Development (NIESBUD) is a premier organization of the Ministry of Skill Development and Entrepreneurship, engaged in training, consultancy, research, etc. in order to promote entrepreneurship. The Department of Management & Commerce, MRIIRS has undergone various events for its faculty members and students, under the major activities of the NISBUD which are Training of Trainers, Management Development Programmes, Entrepreneurship-cum-Skill Development Programmes & Entrepreneurship Development Programmes.

Asian Institute of Medical Sciences: has collaborated with Asian Institute of Medical Sciences to provide internship and job opportunities to students of BBA Healthcare Management. The arrangement shall help students to acquire hands-on learning and skills in quality control, patient service, marketing, Materials & Inventory control, Human Resource, IT, Finance, Front Office, pharmacy management etc of Hospitals. Students enrolled in this programme get practical exposure & real life learning in the hospital environment. Industry faculty experts provide support in review and upgradation of course curriculum and support in course delivery of specialization subjects. Students have access to course material, discussion forums, student projects, internship certification and support from industry mentors during internship. This collaboration results in students being industry ready which is the need of the hour, thereby adding value to students & the healthcare industry.

In a groundbreaking move, a Memorandum of Understanding (MoU) has been inked between Globus Eight and Manav Rachna International Institute of Research and Studies, signifying a profound alliance between the corporate world and academia. This collaboration is set to redefine the landscape of the Industry Academia PhD Program at Manav Rachna. The primary objective of this MoU is to forge a platform for tackling real-world challenges, granting GlobusEight employees exclusive access to Manav Rachna's prestigious PhD program. Through this synergy, the aim is to bridge the gap between industrial practices and academic research, nurturing a fertile ground for innovation and the exchange of knowledge. It is a significant step towards a stronger partnership with the unified goal of advancing knowledge and addressing practical challenges. Both parties are motivated about the potential outcomes of this collaboration and look forward to fruitful joint endeavors in the future.

Manav Rachna International Institute of Research and Studies, Manav Rachna University (MRIIRS, MRU), & Ural State University of Economics (USUE) signed a memorandum of understanding to strengthen and expand the mutual contact between the two universities. The institutions shall engage in faculty and student exchange programs, visiting student programs, administrative support programs, and collaborative research & discovery. This association will aid the universities' mission of enriching the teaching & learning processes at their campus.

Institute of Chartered Accountants of India (ICAI): MRIIRS has taken a significant step by signing a Memorandum of Understanding with the Institute of Chartered Accountants of India (ICAI). This collaboration aims to foster a dynamic partnership focused on sharing valuable knowledge in the DOMAINS of academic research and development programs for both students and faculty members. During the signing event, distinguished individuals from both institutions were in attendance, including CA. Vishal Doshi, CA. Dayaniwas Sharma, CA. Vandana D. Nagpal, Dr. Monika Goel, and Dr. Jayender Verma. Through this association, there will be an accelerated exchange of journals, course materials, case studies, research publications, and other academic resources. Moreover, students will greatly benefit from practical exposure through workshops, seminars, and education and training programs. This partnership heralds a promising era of academic collaboration and innovation.

I can do things you cannot, you can do things I cannot; together we can do great things." - Mother Teresa

To contribute towards Sustainable Development, Sustainability, Technology and Innovation Manav Rachna International Institute of Research and Studies signed a Memorandum of Understanding with TERI. Both the institutions will work together to implement joint research, collaborative projects, capacity building, training programs focusing on sustainable development and addressing various SDGs. The MoU also aims to create joint collaboration through fostering capacity building, training through faculty exchange, joint project and capacity building programme development at the national, regional and international level.

The more the merrier is a phrase used to experience all the opportunities one unfolds and takes benefits. MRIIRS is a hub of opportunities that encapsulate the platform for growth and success. The Memorandum of Understanding signed by MRIIRS and the National Institute of Food Technology Entrepreneurship and Management, Sonipat is an opportunity for dynamic understanding, wisdom and growth. It creates an impactful academic and research environment for the betterment of the students.

ICAR: The partnership that lives in the promotion of health and vision goes a long way as Manav Rachna International Institute of Research and Studies and ICAR - Indian Institute of Millets Research, Hyderabad signed a Memorandum of Understanding to promote millets through Research and Academic collaboration. The joint effort for a sustainable health environment in India can do wonders to our country in variety of disciplines.

TPCRA World: Manav Rachna Centre of Excellence for Cyber Security, MRIIRS, has signed a Memorandum of Understanding with India Blockchain Alliance, TPCRA World and Dragonchain, USA. The partnership will enhance with collaborators in global blockchain industry organization, Queensland Government, Blockchain Collective, and Local Australian companies to deliver the goals. This MoU will help develop and strengthen MRIIRS in Cyber Security and Blockchain. To kickstart, a launchpad program will be created under this initiative to impart free training on blockchain from IBA, TPCRA World, and Dragonchain, USA.

Jyoti Chawla	Professor	First Year (AS)- Chemistry
Shagufta Jabin	Professor	First Year (AS)- Chemistry
Rajeev Kumar	Assistant Professor	First Year (AS)- Chemistry
Riya Chugh	Assistant professor	First Year (AS)- Chemistry
Sona Gandhi	Assistant professor	First Year (AS)- Chemistry
Sarvesh Kumar	Associate Professor	First Year (AS)- Physics
Kapil Gupta	Associate Professor	First Year (AS)- Physics
Sandeep Srivastava	Associate Professor	First Year (AS)- Physics
Mansi Sharma	Assistant Professor	First Year (AS)- Physics
Priyanka Chhillar	Assistant Professor	First Year (AS)- Physics
Deepak Kumar	Professor	First Year (AS)- Maths
Vijay Kumar	Professor	First Year (AS)- Maths
Arti Saxena	Associate Professor	First Year (AS)- Maths
Hari Krishan Malhotra	Associate Professor	First Year (AS)- Maths
Pooja Khurana/ Sachdeva	Associate Professor	First Year (AS)- Maths
Usha	Assistant Professor	First Year (AS)- Maths
Angit S	Assistant Professor	First Year (AS)- Maths
Arjun Prakash Mane	Assistant Professor	First Year (AS)- Maths
Mahesh Singh	Assistant Professor	First Year (AS)- Maths
Neeraj Kumari	Professor	First Year (AS)- H&M
Mithun Khanduja	Assistant Professor	First Year (AS)- H&M

Department(s) at A Glance

1. Department of Biotechnology

i) Thrust Areas of the Department:

- Drug Discovery Development
- Bioinformatics
- Agricultural Biotechnology
- Industrial Biotechnology
- Plant Biotechnology
- Microbial technology

ii) Academic Achievements

a. Student progression to higher education during the year:

Name of student(s) enrolled for higher education	Graduated from which Programme	Name of Institution joined	Admitted to (Name of Programme)
Nilanjana Saha	B.Tech -Biotechnology	Amity University, Noida	M Tech (Food Technology)
Chhavi Shukla	B.Tech -Biotechnology	Vellore Institute of Engineering, Vellore	M Tech Biomedical Engineering
Ruhel Singh	B.Tech -Biotechnology	SRM Institute of Science, Tamil Naidu	Master of Business Administration
Somya Sharma	B.Tech -Biotechnology	S.P. Mandali's Prin. L. N. Welingkar Institute of Management Development & Research (PGDM), Mumbai	Post Diploma in Management
Priya Dutta	BSc Microbiology	Manav Rachna International Institute of Research and Studies, Faridabad	MSc Microbiology
Deevanshi Gupta	BSc Microbiology	Institute of Road Traffic Education, Faridabad	MSc Forensic Science
Samadrita Halder	BSc Microbiology	Maharishi Dayanand University, Rohtak	Msc Microbial Biotechnology
Deepika Arora	BSc Microbiology	Manav Rachna International Institute of Research and Studies, Faridabad	Master of Food Science
Lakshay	BSc Microbiology	Doon Business School, Uttarakhand	Master of Business Administration

b. Student's Publications:

Title of Paper	Name of all the author/s	Student Authors	Journal/Conference/ Book Title
Detection and characterization of micro- and nano-plastics in wastewater: Current status of preparatory & analytical techniques	Abhilasha Shourie	Nilanjana Saha	Environmental Quality Management
Determination of endogenous concentration of Sodium potassium Cadmium Lead and Cadaverine correlating with physio-chemical parameters in Lycopersicon esculentum under multiple stress condition	Charu Rajpal, Pushpa C Tomar	Sumit Dagar	European Chemical Bulletin
A review on pharmaceutical and environmental applications of guava (Psidium guajava) leaves	Vandana Nandal, Manu Solanki, Vinayak Vandan Pathak	Anjali Mohapatra	Journal of Applied and Natural Science

c. Students benefited by career counseling and guidance for competitive Examinations:

Activity Description	No. of Participants
National Science Appreciation Day - Science Quiz Competition by Biotechnical Club	57
Sustainable Medicinal Garden Design and Name Competition	51
Awareness Session on The changing face of healthcare in light of emerging AI trends	24
Awareness Session on Creating Youth Knowledge Champions with data Science	47
Career Counselling session on Study Abroad Opportunities	54
Career Counselling session on Career Prospects in Biotechnology Research	61
Visit to Aravalli Mountain Range	60
Awareness Session on Strategies for Computer aided drug design	66
Guest Lecture on Bacteriophages in the pre and post antibiotic era by	34
The Climate Knowledge Hunt Hackathon in collaboration with Semantic Climate, National Institute of Plant Genome Research, Delhi Cluster (DRIV) and University of Cambridge, United Kingdom	59
Workshop on Understanding principles of genetics using Drosophila Melanogaster	39

d. Faculty members: Awards & Recognitions:

Name of Faculty Member	Awards/Recognition
Charu Rajpal	Certificate of Best Women Excellence 2023 in recognition of outstanding commitment and dedication, presented at the Women Conclave Award 2023 held on 24-01-2024.
Nidhi Didwania	Certificate of Excellence in SHE Maps Award 2024 for Remarkable Contribution and achievements in Medicinal & Aromatic Plant Sector held on 06-03-2024 to 07-03-2024
Nidhi Didwania	Certificate of Karmasu Kaushlam Award for outstanding accomplishments, perseverance, meritorious service, and contributions towards the growth and achievements of Manav Rachna, presented on 09-11-2023
Vineeta Sharma	Certificate of Outstanding Woman Researcher in Environmental Epigenetics, awarded at the 9th Venus International Women Awards (VIWA 2024), held on 02-03-2024
Kanchan Bhardwaj	Recognition as a Session Chair for 4th International Conference on Bacteriophage Research and Antimicrobial Resistance

e. FDPs attended by Faculty Members:

Name of the Faculty Member	Title of FDP/Workshop/Conference Attended	Date from	Date to
Manu Solanki	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR	10-07-2023	14-07-2023
Abhilasha Shourie	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR	10-07-2023	14-07-2023

Abhilasha Shourie	FDP on Research Methodologies for Science, Management and Engineering Projects	09-10-2023	13-10-2023
Nidhi Didwania	NPTEL Online Certification on Harvest Operations and Processing of Fruits, Vegetables, Spices and Plantation Crop Products	24-07-2023	13-10-2023
Rashmi Rameshwari	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR	10-07-2023	14-07-2023
Rashmi Rameshwari	FDP on Research Methodologies for Science, Management and Engineering Projects	09-10-2023	13-10-2023
Rashmi Rameshwari	NPTEL Online Certification Course on Design Thinking- A Primer	24-07-2023	23-08-2023
Vandana Garg	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Vandana Garg	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR	10-07-2023	14-07-2023
Vandana Garg	NPTEL online certification on Body Language Key To Professional Success	21-08-2023	15-09-2023
Vandana Garg	NPTEL - AICTE FDP on Genome Editing And Engineering organised by IIT Madras	24-07-2023	13-10-2023
Vandana Garg	NPTEL - AICTE FDP on Host-Pathogen Interaction (Immunology)	22-01-2024	12-04-2024
Vandana Garg	Modern Food Packaging Technologies: Regulatory Aspects and Global Trends	22-01-2024	12-04-2024
Vandana Garg	Training Programme on Unearthed dangers: the hidden threat of solid waste in disaster risk	18-03-2024	22-03-2024
Somya Asthana	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR	10-07-2023	14-07-2023
Somya Asthana	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Somya Asthana	NPTEL Certification Course on Cell Culture Technologies	21-08-2023	28-10-2023
Kapila Kumar	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Kapila Kumar	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Kapila Kumar	NPTEL - AICTE FDP on Genome Editing And Engineering organised by IIT Madras	24-07-2023	13-10-2023
Kapila Kumar	DHR Sponsored Workshop on Modern Biology in Health Research	18-12-2023	24-12-2023
Kapila Kumar	NPTEL Online Certification Course on Introduction to Professional Scientific communication organised by IIT Kanpur	22-01-2024	16-02-2024
Jayant Maini	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR	10-07-2023	14-07-2023
Abhilasha Shourie	NPTEL Online Certification Course on Experimental Biotechnology	24-07-2023	13-10-2023
Abhilasha Shourie	NPTEL online certification Course on Plant Cell Bioprocessing	24-07-2023	15-09-2023
Rashmi Rameshwari	NPTEL - AICTE FDP on Design Thinking A Primer	24-07-2023	18-08-2023
Rashmi Rameshwari	Elite NPTEL online Certification on Introduction to research organised by IIT Madras	20-02-2023	14-04-2023
Rashmi Rameshwari	Elite NPTEL online certification course on Learning department of english in Hindi organised by IIT Madras	20-02-2023	14-04-2023
Nidhi Didwania	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Rashmi Rameshwari	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Rashmi Rameshwari	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Rashmi Rameshwari	ATAL FDP on Fundamentals and Applications of Genomics organised by department of Biotechnology MRIIRS, Faridabad	08-01-2024	13-01-2024
Preeti Nandal	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Preeti Nandal	FDP on Sustainable cities and Communities organised by NITTTR, Chandigarh	08-1-2024	12-01-2024

Vineeta Sharma	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Vineeta Sharma	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Vineeta Sharma	FDP on Sustainable cities and Communities in collaboration with NITTTR, Chandigarh	08-01-2024	12-01-2024
Krishna Priya	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Krishna Priya	ATAL FDP on Fundamentals and Applications of Genomics organised by department of Biotechnology MRIIRS, Faridabad	08-01-2024	13-01-2024
Krishna Priya	FDP on Additive Manufacturing for Bio-medical Applications In collaboration with NITTTR, Chandigarh	22-04-2024	26-04-2024
Jayant Maini	ATAL FDP on Fundamentals and Applications of Genomics organised by department of Biotechnology MRIIRS, Faridabad	08-01-2024	13-01-2024
Jayant Maini	FDP on and Design of Experiments organised by NPTEL - AICTE	22-01-2024	15-03-2024
Jayant Maini	FDP on Sustainable cities and Communities in collaboration with NITTTR, Chandigarh	08-01-2024	12-01-2024
Shobha Srivastava	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Prachie	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Somya Asthana	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Somya Asthana	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Somya Asthana	ATAL FDP on Fundamentals and Applications of Genomics organised by department of Biotechnology MRIIRS, Faridabad	08-01-2024	13-01-2024
Sabiha Imran	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Shanti Santosh	SDP on Application of MS-Excel for Academic & Administrative Tools	17-07-2023	21-07-2023
Kanchan Bhardwaj	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Kanchan Bhardwaj	FDP on Approaching Zero Waste Cities In collaboration with NITTTR, Chandigarh	18-09-2023	22-09-2023
Kanchan Bhardwaj	FDP-SI UHV Online - "AICTE Incorporating Universal Human Values in Education"	06-11-2023	10-11-2023
Kanchan Bhardwaj	NPTEL- AICTE certification on Cell Culture Technologies organised by IIT Kanpur	21-08-2023	28-10-2023
Kanchan Bhardwaj	NEP Orientation & Sensitization Programme under Malviya Mission Teacher Training Programme of UGC organised by Centre of Professional Development in Higher Education, University of Delhi	11-03-2024	20-03-2024
Charu Rajpal	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR, Chandigarh	10-07-2023	14-07-2023
Charu Rajpal	FDP on Research Methodologies for Science, Management and Engineering Projects in collaboration with NITTTR, Chandigarh	09-10-2023	13-10-2023
Charu Rajpal	FDP on Approaching Zero Waste Cities In collaboration with NITTTR, Chandigarh	18-09-2023	22-09-2023
Charu Rajpal	Work shop on Matlab & simulink organised by mechanical department MRIIRS, Faridabad	30-07-2023	07-07-2023
Vineet Kumar Goswami	FDP on Climate Change, Pandemic and Disaster Management in collaboration with NITTTR	10-07-2023	14-07-2023
Manu Solanki	NPTEL- AICTE FDP Introduction to Exercise Physiology & Sports Performance organised by IIT Madras	19-02-2024	12-04-2024
Manu Solanki	NEP Orientation & Sensitization Programme under Malviya Mission Teacher Training Programme of UGC organised by Centre of Professional Development in Higher Education, University of Delhi	07-05-2024	16-05-2024
Somya Asthana	NPTEL AICTE FDP on Human Physiology	22-01-2024	22-05-2024
Somya Asthana	FDP on Digital Tools for Teaching and Learning	11-03-2024	15-03-2024
Abhilasha Shourie	FDP on Additive Manufacturing for Bio-medical Applications In collaboration with NITTTR	22-04-2024	25-04-2024

Abhilasha Shourie	NEP Orientation & Sensitization Programme under Malviya Mission Teacher Training Programme of UGC organised by Centre of Professional Development in Higher Education, University of Delhi	07-05-2024	16-05-2024
Manu Solanki	Training Programme on Unearthed dangers: the hidden threat of solid waste in disaster risk	18-03-2024	22-03-2024
Nidhi Didwania	NEP Orientation & Sensitization Programme under Malviya Mission Teacher Training Programme of UGC organised by Centre of Professional Development in Higher Education, University of Delhi	07-05-2024	16-05-2024
Nidhi Didwania	NPTEL - FDP on Quality Management Practices	17-01-2024	12-04-2024
Preeti Nandal	FDP on Additive Manufacturing for Bio-medical Applications In collaboration with NITTTR	22-04-2024	26-04-2024
Himanshu Joshi	NEP Orientation & Sensitization Programme under Malviya Mission Teacher Training Programme of UGC organised by Centre of Professional Development in Higher Education, University of Delhi	07-05-2024	16-05-2024
Sabiha Imran	FDP on Research Methodology	19-02-2024	12-04-2024
Rashmi Rameshwari	NPTEL - AICTE FDP on Computational Genomics organised by IIT Madras	22-01-2024	12-04-2024
Rashmi Rameshwari	FDP on An Introduction to Urban Ecological Heritage: Theories and Applications organised by NPTEL	19-02-2024	15-03-2024
Rashmi Rameshwari	NEP Orientation & Sensitization Programme under Malviya Mission Teacher Training Programme of UGC organised by Centre of Professional Development in Higher Education, University of Delhi	20-05-2024	30-05-2024

f. Professional Development Programmes Organised:

Title	From	To
Faculty Development Programme on Research Methodologies for Science, Management and Engineering Projects, In collaboration with NITTTR Chandigarh	09-10-2023	13-10-2023
Short Term Course on Climate Change, Pandemic and Disaster Management, in Collaboration with NITTTR Chandigarh	10-07-2023	14-07-2023
Faculty Development Programme on Fundamentals and Applications of Genomics in collaboration with ATAL Yojna	08-01-2024	13-01-2024

g. Research Publications by Faculty Members:

Title of paper	Name of the author/s	Name of Journal
Bacteriophage Therapy An Alternative To Antibiotic For Oral Infections- A Review	Shakila Mahesh, Nidhi Gupta, Vanshika Batra, Urvi Vashisht, Sanchita Dagar, Ayushi Vashisht	European Chemical bulletin
Pharmacological Potential Of Polyherbal Formulation Kabasura Kudineer: A Review	Rashmi Rameshwari, Shweta Suman,	Rasayan J. Chem.
Potential Rational Methods For Improving Thermostability Of Choline Oxidase	Rashmi Rameshwari, Sonia Kaushik	Journal For Basic Sciences
Prenatal arsenic exposure induces immunometabolic alteration and renal injury in rats	Radha Dutt Singh, Vineeta Sharma	Frontiers in Developmental Psychology
Provisioning Ecosystem Services Of Nyctanthes Arbor-Tristis	Abhilasha Shourie	Medicinal Plants - International Journal of Phytomedicines and Related Industries
Recent Updates On Zoonotic Diseases In The Indian Subcontinent: A Review	Shakila Mahesh, Ramya Shanta, Urvi, Nitik, Divya, Sanya	European Chemical bulletin

h. Books Chapters:

Name of the teacher	Title of the book/chapters published	Title of the paper	Title of the proceedings of the conference
Shukla, Vibha ; Asthana, Somya ; Tripathi, Anurag	Drugs and a Methodological Compendium: From bench to bedside	In Vitro Methodologies for the Safety Assessment of Drugs	NA

Asthana, Somya ; Shukla, Vibha ; Tripathi, Anurag	Drugs and a Methodological Compendium: From bench to bedside	In Vivo Models for Evaluation of Drug Efficacy: Demand and Challenges	NA
Verma, Devendra Kumar ; Rameshwari, Rashmi; Kumar, Santosh	Biotic Stress Management of Crop Plants using -nomaterials	Nanomaterial as Nano- Pesticides	NA
Ibkar, Alifia ; Mukherjee, Arunangshu ; Didwania, Nidhi ; Rai, Sneha	Impacts of Urbanization on Hydrological Systems in India	Impact of Urbanization on Groundwater in Changing Climatic Scenario: A Case Study	NA
Kumar, Mohit ; Parkhey, Piyush ; Mishra, Santosh Kumar ; Paul, Prabir Kumar ; Singh, Avinash ; Singh, Vijai	Progress in Molecular Biology and Translational Science	Phage for drug delivery vehicles	NA
Bhowmik, Priti; Pushpa; Kumar, Deepak; Madaan, Nishtha; Didwania, Nidhi; Kalita, Sasanka; Dagar, Kunal; Vaishya, Jeetendra Kumar	NA	Machine Learning Models can help Early Disease Detection in Medicinal Plants	2023 Inter-tio-I Conference on Advances in Computation, Communication and Information Technology, ICAICCIT 2023

2. Department of Civil Engineering

i) Thrust Areas of the Department:

- Environmental Engineering
- Construction Management
- Structural Engineering
- Transportation Engineering
- Geotechnical Engineering
- Air Quality Monitoring

ii) Academic Achievements

a. Student's Publications:

Title of paper	Name of all the author/s	Student Authors	Journal/Conference/Book Title
Design Considerations for Ash Pond Dyke Construction in Hilly Terrain for High Concentrated Slurry Disposal: A Case Study	Sadiqa Abbas, Sonal saluja	Ashutosh Kumar	Materials Today: Proceedings
Development and standardization of sustainable dry mix mortars with supplementary cementitious materials	Lilesh Gautam, Sunita Bansal, Kul Vaibhav Sharma	Prince Bansal	Journal of Building Pathology and Rehabilitation

b. Students benefited by career counseling and guidance for competitive Examinations:

Activity Description	No. of Participants
Alumni Interaction on Career Opportunities in Civil Engineering Design and Construction	33
Techniek 2k23" – Technical Poster Presentation on "Futuristic Technologies" on Engineer's Day 2023	20
Seminar Series on Cementitious Composites	50
Lecture Series for GATE Preparation	31
Workshop on Concrete 3D Printing	42
Alumni Interaction on Research Projects as Supervisors	41
Seminar on Career Opportunities after B. Tech	105
Expert Talk on "Ethical Horizons in Research" on the occasion of Global Ethics Day 2023	126
Student Training Program on Application of STAAD. Pro for Analysis of Structures	27

Expert Lecture on Latest techniques in Non-Destructive Testing	16
Competitive Examination Guidance Session on "GATE and ESE Examinations"	27
Expert talk on Advancements in Steel Construction Industry	27
Rendezvous with Women Civil Engineers and Students on "From Blueprint to Boardroom: Women Shaping the Future of Civil Engineering"	43
Symposium on "Aquavision: Inspiring Change, Ensuring Sustainability" on the occasion of World Water Day 2024	210
An AutoCAD Technical Quiz and Modelling Competition	61
Seminar on Disaster Preparedness and Mitigation	63
Industrial Visit at Prism Johnson Ltd., Ready Mix Plant	20

c. Student progression to higher education during the year:

Name of students enrolled for higher education	Graduated from which Programme	Name of institution joined	Admitted to (Name of Programme)
Mustjab Hasan	B. Tech (Civil Engineering)	Jamia Millia Islamia	Master of Planning

d. Faculty members: Awards & Recognitions:

Name of Faculty Member	Awards/Recognition
Yaman Hooda	Best Mentor Award 2023 (03-09-2023)

e. Professional Development Programmes attended by Faculty Members:

Name of Faculty Member	Title	Date from	Date to
Sadiqa Abbas	FDP on ANSYS-EM for Electrical Engineering Application in collaboration with NITTTR Chandigarh	17-07-2023	21-07-2023
Yaman Hooda	FDP on Innovation and Latest trends in Construction Materials and Techniques in collaboration with NITTTR Chandigarh	17-07-2023	28-07-2023
Yaman Hooda	FDP on Unnat Bharat Abhiyan: Micro Enterprises and Rural Development Projects in collaboration with NITTTR Chandigarh	21-08-2023	25-08-2023
Yaman Hooda	FDP on Approaching Zero Waste Cities in collaboration with NITTTR Chandigarh	18-09-2023	22-09-2023
Yaman Hooda	NPTEL online certification on Sustainable Engineering Concepts and Life Cycle Analysis organized by IIT Kharagpur	31-07-2023	15-10-2023
Yaman Hooda	FDP on Quality of Concrete in collaboration with NITTTR Chandigarh	09-10-2023	13-10-2023
Haobam Derit Singh	FDP on Innovation and Latest trends in Construction Materials and Techniques in collaboration with NITTTR Chandigarh	17-07-2023	28-07-2023
Haobam Derit Singh	FDP on Approaching Zero Waste Cities in collaboration with NITTTR Chandigarh	18-09-2023	22-09-2023
Sunita Bansal	FDP on Approaching Zero Waste Cities in collaboration with NITTTR Chandigarh	18-09-2023	22-09-2023
Sunita Bansal	FDP on Digital Tools for Teaching and Learning in collaboration with NITTTR Chandigarh	24-07-2023	28-07-2023
Sadiqa Abbas	FDP on Approaching Zero Waste Cities in collaboration with NITTTR Chandigarh	18-09-2023	22-09-2023
Anjali Gupta	FDP on Approaching Zero Waste Cities in collaboration with NITTTR Chandigarh	18-09-2023	22-09-2023
Sonal Bhugra	FDP on Approaching Zero Waste Cities in collaboration with NITTTR Chandigarh	18-09-2023	22-09-2023
Sonal Bhugra	FDP on STEM Teaching in collaboration with NITTTR Chandigarh	18-12-2023	22-12-2023
Sonal Bhugra	FDP on NAAC and Internal Quality Assurance in collaboration with NITTTR Chandigarh	11-09-2023	15-09-2023
Ashish Shukla	FDP on Approaching Zero Waste Cities in collaboration with NITTTR Chandigarh	18-09-2023	22-09-2023

Lilesh Gautam	FDP on Approaching Zero Waste Cities in collaboration with NITTTR Chandigarh	18-09-2023	22-09-2023
Yaman Hooda	FDP on AutoCAD in collaboration with NITTTR Chandigarh	5-06-2023	09-06-2023
Yaman Hooda	FDP on Bridge Engineering in collaboration with NITTTR Chandigarh	31-07-2023	21-10-2023
Yaman Hooda	Five Days Online Training Programme on Sustainable Horizons: Methodological Innovations in Architecture and Urbanism aligned with SDGs is organized by Department of Architecture, Planning and Design, IIT(BHU) Varanasi	20-11-2023	24-11-2023
Yaman Hooda	FDP on Disaster Preparedness and Risk Reduction in collaboration with DTU & NIDM	11-12-2023	15-12-2023

f. Professional Development Programmes organized:

Title	From Date	To Date
Short Term Course on Approaching Zero Waste Cities in collaboration NITTTR Chandigarh	18-09-2023	22-09-2023
Faculty Development Programme on Sustainable Cities and Communities in Collaboration with NITTTR Chandigarh	08-01-2024	12-01-2024
FDP on Environmental Pollution and its Control, in collaboration with department of civil engineering MRIIRS and NITTR Chandigarh	18-03-2024	22-03-2024

g. Research Publications by Faculty Members:

Title of paper	Name of the author/s	Name of Journal
Application Of Artificial Intelligence For Planning Of Transportation System	Sonal Saluja, T. Vamsi, S.B. Javheri, Sadiqa Abbas, Yasir Karim	Bio Gecko
Automatic Bridge Crack Detection Model Based On Convolutional Neural Network And Support Vector Machine	Anjali Gupta, Munisha Mushtaq Bhat, Sandeep Singla, Abrar Hussain Gatoo, Anupama Chadha, Idula Batra	European Chemical Bulletin
Bone China Ceramic Powder And Granite Industrial By-Product Waste In Self Compacting Concrete: A Durability Assessment With Statistical Validation	Lilesh Gautam, Sunita Bansal, Kul Vaibhav Sharma, Pawan Kalla	Structures
Comparative Analysis Of Transmission Line Towers For Angle Sections And Square Hollow Sections Structural Configuration In Indian Context	Yaman Hooda, Rajv Ranjan	Materials Today: Proceedings
Environmental Sustainability In Construction: Influence Of Megaterium Bacteria On The Durability And Mechanical Properties Of Concrete Incorporating Calcined Clay	Ashish Shukla, Kul Gupta, N Sri Ramya, Kuldeep K. Saxena, Anjad Iqbal & Faramarz Djavanroodi	Mechanics of Advanced materials and structures
Experimental Investigaton On Self Compacting Concrete Gangue Based Pavement Concrete	Sonal Saluja, Prabir Chandra Padhy, G Anusha, V. Gowrishankar, Deve Dohare, K Chaprakash	European Chemical Bulletin
Experimental Study On The Strength Parameters Of Self Compacting Concrete Reinforced With Carbon Fibre	Haobam Derit Singh	Materials Today: Proceedings
Exploring The Effectiveness Of Various Waste Materials In Enhancing Pervious Concrete Performance: A Comprehensive Review	Anjali Gupta, Sandeep Singla, Shagufta Jabin	European Chemical Bulletin
Geo-Physical Seasonal Deviations Of Land Use, Terrain Analysis, And Water Cooling Effect On The Surface Temperature Of Pune City	Lilesh Gautam, Kul Vaibhav Sharma, Vijendra Kuma, Sumit Choudhary, Aneesh Mathew	Journal of Water and Climate Change
Hybridization Of Machine Learning Algorithms To Predict Of Concrete Bridge Deck Performance	Anjali Gupta, Shoiab Imtiyaz Rai, Sandeep Singla, Aarti Bansal, Anupama Chadha, Shagufta Jabin	European Chemical Bulletin
Innovative Approach To Waste Management: Utilization Stabilized Municipal Solid Waste In Road Infrastructure	Sonal Saluja, Arun Gaur, Prakash Somani, Kafeel Ahmad	Environmental Science and Pollution Research
Innovative Approach To Waste Management: Utilizing Stabilized Municipal Solid Waste In Road Infrastructure	Sonal Saluja, Arun Gaur, Prakash Somani, Kafeel Ahmad	Environmental Science and Pollution Research
Mechanical Characteristics Of Crumb Rubber Concrete	Ashish Shukla	International Journal of creative research thoughts
Modeling Efficiency Of Fluid Viscous Dampers Positioning For Increasing Tall Buildings' Resilience To Earthquakes Induced Structural Vibrations.	Lilesh Gautam, Kul Vaibhav Sharma, Vipul Parmar, Sumit Choudhary	Soil Dynamics and Earthquake Engineering

Relative Experimental Evaluation Of Properties Of Concrete With Addition Of Super – Plasticizers	Yaman Hooda, Ashish Vivek	Materials Today: Proceedings
Road Safety Audit In Faridabad Via Gis	Sonal Saluja	International journal of Novel research and development
Stabilized Municipal Solid Waste As An Alternative To Natural Sand In Paver Block Construction	Sonal Saluja, Prakash Somani, Arun Gaur, Sanjay Mundra, Kafeel Ahmad	Process safety and Environment Protection
Sustainable Use Of Silica Fume In Green Cement Concrete Production : A Review	Lilesh Gautam, Abotoli K Chishi	innovative Infrastructure Solutions

h. Books/Book Chapters:

i. Student progression to higher education during the year

Name of student enrolled for higher education	Graduated from which Programme	Name of institution joined	Admitted to (Name of Programme)
Mustjab Hasan	B. Tech (Civil Engineering)	Jamia Millia Islamia	Master of Planning

3. Department of Computer Science & Engineering

i) Thrust Areas of the Department:

- Cloud Computing
- Artificial Intelligence and Natural Language Processing
- Embedded Systems
- Machine Learning and Pattern Recognition
- Big Data Analytics (BDA)
- Graphics and Gaming: Augmented Reality
- Communication Networks, Virtualization and Autonomic Computing
- Cyber Security and Forensics
- Full Stack Development

ii) Academic Achievements of the Department

a. Students benefited by career counseling and guidance for competitive Examinations:

Activity Description	No. of Participants
Career Opportunities in Data Science	55
Expert Talk on IOT Integration with FOG Computing	60
Webinar on Brain Computer Interfaces	60
Expert Talk on trends in Bioinformatics	20
Career Counselling: How to Prepare for MNC	74
Expert Talk on Cyber Threats & Frauds	55
Workshop on Code Without Barriers	286
Workshop on Web D	37
Ideazzz 2K24: Project Concept Competition	37
Github and Discord Workshop	187
The Code Clash carnival	61
IOT Showcase Competition	69
Hands on Cryptography and Python in Cyber Security	30
Expert Session on Exploring the World of Bug Bounty	51
Expert Session on Advanced Attack Vectors	46
Students Industrial Visit to Ciena India, Gurugram	30
Outreach program for GSSBS, Old Faridabad	510
Workshop on Mobile App development using Flutter	56
Competition: Prototype Development	27
Workshop on 3DS Max	14
Competitive and Placement Guidance Training Program for Best 50 Students	50
Logic-Forge 2024 (Machine Learning Quiz)	106
One day Workshop on Unreal Engine	53
Expert Session on Digital Frauds	50
Online Poster/ Model making competition on the theme "Uses of AI in Energy and Utilities Industry"	14
Debate competition on Green Artificial Intelligence and its Impact	16
Hack-It-Up (Hackathon)	99
Microsoft certification training Azure Data Scientist Associate	82
Microsoft certification training Azure Developer Associate	132
Microsoft certification training Azure Solution Architect Associate	7

b. Student progression to higher education during the year

Name of students enrolled for higher education	Graduated from which Programme	Name of institution joined	Admitted to (Name of Programme)
Aastha Singh	B.Tech - Computer Science and Engineering	Centre for Development of Advanced Computing, Noida	PG Diploma in Artificial Intelligence
Ayush Kumar	B.Tech - Computer Science and Engineering	Amity University Noida	Master of Business Administration
Chahak Khattar	B.Tech - Computer Science and Engineering	Manav Rachna International Institute of Research and Studies, Faridabad	Master of Technology
Chalumuri Jyothi Swaroop	B.Tech - Computer Science and Engineering	Northwest Missouri State University, USA	Masters CS
Chandu Varikupalla	B.Tech - Computer Science and Engineering	CQ University, Australia	Masters in IT
Divyansh Singh	B.Tech Computer Science & Engineering (Cloud Computing)	University of Amsterdam, Netherland	Msc Artificial Intelligence
Kanika Rajput	B.Tech Computer Science & Engineering (GAG)	University of Amsterdam, Netherland	Msc Artificial Intelligence
Kavya Kothakota	B.Tech Computer Science & Engineering	Rowan University, USA	MS in Computer Science
Khushi Tanwar	B.Tech - Computer Science and Engineering	Manav Rachna International Institute of Research and Studies, Faridabad	Master of Business Administration
Rajanika Debnath	B.Tech Computer Science & Engineering (CSF)	University of Illinois, USA	Master of CS Program
Riya Singh	B.Tech Computer Science & Engineering	University of Exeter, UK	MSc Advanced Computer Science
Sanagala Jhansi Akshara	B.Tech - Computer Science and Engineering	Northwest Missouri State University, USA	Master in CS
Siddharth Sharma	B.Tech Computer Science & Engineering (Cloud Computing)	University of Liverpool, UK	MSC Operat & Supply Chain Mngt
Varun Kapasia	B.Tech - Computer Science and Engineering	Amity University, Noida	Master of Technology
Vipin Rawat	B.Tech - Computer Science and Engineering	University College Dublin, Ireland	MSc Management FT course.
Mehak Garg	Computer Science and Engineering	J C Bose University, Faridabad	M Tech

c. Faculty members: Awards & Recognitions:

Name of Faculty Member	Awards/Recognition
Krishan Kumar	Recognition for publishing patent: Computer Vision based Electronic Wearable Glasses Device for Blind People (06-02-2024)
Nitasha Soni	Recognition for publishing patent: Computer Vision based Electronic Wearable Glasses Device for Blind People (06-02-2024)
Nitasha Soni	Recognition for publishing patent: Skin Cancer Detection Device (11-10-2023)
Krishan Kumar	Recognition for publishing patent: Skin Cancer Detection Device (11-10-2023)
Meeta Singh	Certificate of IE(I) Best Paper Award-2023 as Speaker on the occasion of 56 th Engineers Day: Engineering as Resilient Future: Building Stronger, Smarter, Safer (15-09-2023)
Poonam Nandal	Certificate of IE(I) Best Paper Award-2023 as Speaker on the occasion of 56 th Engineers Day: Engineering as Resilient Future: Building Stronger, Smarter, Safer (15-09-2023)
Mamta Dahiya	Best India Research Award towards making Patent Grant and Contributed her Novel solution addressing the problem statement Geo Analytics using Geo-Artificial Intelligence held on 06-10-2023
Mamta Dahiya	Certificate of Excellence on completing the course and demonstrating proficiency by passing examination: Cyber Defense Engineering using Python
Mamta Dahiya	Appreciation Letter for conducting a Cyber Security Awareness Program for the residents of Gram Panchayat Village Tajpur held on 02-09-2023
Divyanshu Sinha	Certification for Microsoft Azure Developer Associate Industry (07-05-2024)

Divyanshu Sinha	Certification for Microsoft Azure Developer Associate Industry (18-05-2024)
Divyanshu Sinha	Certification for IBM Gen AI for Business Leaders Industry (27-05-2024)
Divyanshu Sinha	Recognition for publishing patent: AI Based Automated Cardiopulmonary Resuscitation Device (24-02-2024)
Prateek Jain	Certification for University of Michigan: Generative AI Essentials: Overview and Impact (11-06-2024)
Anisha Mahato	Certification for Microsoft Azure Developer Associate Industry (08-06-2024)
Harsh Bisen	Best Paper Award at the recent 5th Doctoral Symposium on Computational Intelligence (DoSCI-2024) held on 10-05-2024 to 11-05-2024
Aditi Gaur	Certificate for Microsoft Certified: Azure Data Scientist Associate (03-06-2024)
Indu Kashyap	Recognition for Microsoft-AI 900 Microsoft Azure AI Fundamentals (07-12-2023)
Bhanu Dwivedi	Recognition for publishing patent: Robotic Process Automation with Cognitive Automation and Adaptive Workflows (10-01-2024)
Poonam Tanwar	Certificate of Best Researcher Award as the recipient of the WEA Mahatma Gandhi & World Teacher's Day Iconic Award 2023
Poonam Tanwar	Recognition for publishing patent: Architecture and Design of a Novel Tool for effective Knowledge Representation (08-02-2024)
Poonam Tanwar	Certificate of Award-Elite NPTEL online certification on Managing Intellectual Property in Universities (July to August 2023)
Poonam Tanwar	Recognition as Session Chair for International Online Conference on 14th International Conference on Confluence 2024 held from 18-01-2024 to 19-01-2024
Shweta Sharma	Certificate of Award-Elite NPTEL online certification on Introduction to Internet of Things (January to April 2024)
Savita	Recognition for publishing patent: IOT Enabled Audio Player Integrated Printer (10-04-2024)
Tapas kumar	Recognition for publishing patent: Design Applications Details (16-05-2024)
Rashi Sahay	Recognition for publishing patent: System For Inventory Control and Management Based On IOT And AI (09-02-2024)
Rashi Sahay	Recognition for publishing patent: A Distributed Energy Resource Management System with Internet (05-01-2024)
Sameeksha Khare	Recognition for publishing patent: AI Based Electric Vehicle Accident Prediction System (12-01-2024)
Sameeksha Khare	Recognition for publishing patent: System For Inventory Control and Management Based On IOT And AI (09-02-2024)
Sameeksha Khare	Recognition for publishing patent: An Intelligent Internet of Things (IoT)-Enabled Cloud-Based Smoke Identification and Detection Systems (30-06-2024)
Neha Garg	Recognition for publishing patent: AI Driven Optimization for Green Computing (16-02-2024)
Shefali Singhal	NPTEL certification Elite + Silver Soft Skills July to October 2023
Shefali Singhal	NPTEL Certificate Elite Problem Solving Through Programming in C July to October 2023
Shefali Singhal	Recognition for publishing patent: AI Driven Optimization for Green Computing (16-02-2024)
Ginni Arora	Recognition as a Special Session Chair/Co-Chair for International Conference on Machine Learning and Data Engineering (ICMLDE-2023)
Urvashi Rahul Saxena	Recognition as a Special Session Co-Chair for International Conference on Advances in Computation, Communication and Information Technology Technically Co-sponsored by IEEE Delhi Section
Ginni Arora	Recognition as a Session Co-Chair for International Conference on Advances in Computation, Communication and Information Technology Technically Co-sponsored by IEEE Delhi Section
Poonam Nandal	Session Chair in the International Conference on Artificial Intelligence and Information Technologies (ICAIIIT-2023)
Rosy Madaan	Recognition as a Session Co-Chair for International Conference on Advances in Computation, Communication and Information Technology Technically Co-sponsored by IEEE Delhi Section
Brijesh Kumar	Recognition as a Keynote Speaker for International Conference on Intellectual Property Rights in the Era of Artificial Intelligence: challenges in Modern Innovative Libraries

Poonam Tanwar	Recognition as a Session Chair for International conference on Cloud and Parallel Computing, Artificial and Business Intelligence, Quantum and Machine Learning : Trends, Perspectives, and Prospects (COM-IT-Con 2023)
Priyanka Rastogi	Recognition as a Session Co-Chair for International Conference on Advances in Computation, Communication and Information Technology Technically Co-sponsored by IEEE Delhi Section
Mamta Dahiya	Recognition as a Session Chair for International conference on Cloud and Parallel Computing, Artificial and Business Intelligence, Quantum and Machine Learning :Trends, Perspectives, and Prospects (COM-IT-Con 2023)

e. Professional Development Programmes/Conferences Organised:

Title	Date From	Date To
Faculty Development Programme on Deep Learning	11-09-2023	15-09-2023
International conference on Cloud and Parallel Computing, Artificial and Business Intelligence, Quantum and Machine Learning : Trends, Perspectives and Prospects COM-IT-Con 2023	14-07-2023	15-07-2023
Short Term course on AI/ML and Data Science for Industry 4.0 (Advanced Level)	26-02-2024	01-03-2024
Enhancing Cyber security through Artificial Intelligence	05-02-2024	10-02-2024
Short Term Training Programme on AI/ML and Data Science for Industry 4.0	29-01-2024	02-02-2024
2023, International Conference on Advances in Computing, Communication and Information Technology	23-11-2023	24-11-2023
Faculty Development Programme on Funding Opportunities in Engineering	24-07-2023	28-07-2023

f. Research Publications by Faculty Members:

Title of paper	Name of the author/s	Name of journal
5G Wireless System Technology	Tanu Dua	European Chemical Bulletin
A Comparative Analysis Of Functionality And Aspects For Hybrid Recommender Systems	Suresh Kumar, Vineet Shrivastava	International Journal on Recent and Innovation Trends in Computing and Communication (IJRITCC)
A Novel Ensemble Machine Learning Framework For Early Stage Diabetes Mellitus Prediction	Anisha, Munish Sahharwal, Rohit Tripathi	Multidisciplinary Science Journal
A Study On Implementation Of Ai In Stock Market Prediction	Nitasha Soni, Krishan Kumar, Hardik Singh , Abhishek Jha	International Journal of All Research Education and Scientific Methods (IJARESM).
Achieving Anonymity With The Help of Tor (Tor A Review)	Neha Garg	International journal of Advances in Engineering and Management (IJAEM)
Ads-Classif: A Robust Tool To Classify Diverse Documents Using Weighted Domain-Specific Vocabulary	Indu Kasbyap	IETE Journal of Research
Advances In Computational Intelligence Techniques- Based Multi-Intersection Querying Theory For Efficient Qos In The Next Generation Internet Of Things	Mamta Dahiya, Ashish Kumar, Kann K,Vire Singh Kushwah, Ayesha Siddiqui Kiranjeet Kaur Saima Ahmed Rahin	Computational Intelligence and Neuroscience
An Adaptive Optimum Weighted Mean Filter And Bilateral Filter For Noise Removal In Cardiac Mri Images	Rashima Mahajan,R Radhika	Elsevier Measurement: Sensors
An Effective Cascade Control Strategy For Frequency Regulation Of Renewable Energy Based Hybrid Power System With Energy Storage System	Ashish Grover,Kavita Singh,Mohammad Amir, Mamta Dahiya	Journal of Energy Storage
An Efficient Meta-Heuristic Algorithm Based On Water Flow Optimizer For Data Clustering	Ramesh Sahoo, Poom Tanwar, Tapas Kumar	The Journal of Super Computing
Boosting X-Ray Scans Feature For Enriched Diagnosis Of Pediatric Pneumonia Using Deep Learning Models.	Tapas Kumar,Vaishali Arya	International Journal of Performability Engineering
Breast Cancer Recurrence Prediction Using Data Mining	Rosy Madaan, Charanpreet Kaur	Tuijin Jishu/Journal of Propulsion Technology
Classification Of Single-Cell Cervical Pap Smear Images Using Efficientnet	Priyanka Rastogi, Kavita Khanna, Vijendra Singh	Expert Systems, Wiley, August, 2023

Comapartive Study Of Machine Learnig Algorithms For Intrusion Detection	Kaushal Kumar, Jyoti Dhanke, R.N. Patil	International Journal of intelligent systems and application in engineering
Comparative Study Of Machine Learning Algorithms For Intrusion Detection	Swati Hans, J. Dhanke, R. N. Patil, I. Kumari, S. Gupta, K. Kumar	International Journal of intelligent systems and application in engineering
Comparison Of Different Health And Nutrition Management Apps: A Comprehensive Analysis	Deepa Bura	Journal of Management and Service Science (JMSS)
Cyber Stalking: The Impact Of Harassment On Vulnerable Group Of Women And Minors	Nitasha Soni, Krishan Kumar, Mukul Saini, Akash Kumar, Sanchit Nagar	International Journal of All Research Education and Scientific Methods (IJARESM),
Efficient Information Retrieval Model: Overcoming Challenges In Search Engines - An Overview	Simple Sharma, Supriya P. Panda	Indonesian Journal of Electrical Engineering and Computer Science
Enhancing Image For Cnn-Based Diagnostic Of Pediatric Pneumonia Through Chest	Tapas Kumar, Vaishali Arya	International Journal of Advanced Computer Science and Applications
Enhancing Stock Market Prediction Using Three Phase Classifier And Em Optimization With News Feeds And Historical Data	Nitasha Soni, Shilpa	Multimedia Tools and Applications, An International Journal, Springer, Sep, 2023

g. Books/Book Chapters:

Name of the Author	Title of the book/chapters published	Title of the Paper	Title of the Proceedings of the Conference
Sharma, Shubham, Chawla, Pronika, Kumar, Sanu, Nair, Mukul	Quantum Computing and Artificial Intelligence: Training Machine and Deep Learning Algorithms on Quantum Computers	Predictive maintenance of industrial machines using data collected through IoT sensors and analyzed by machine learning algorithms	NA
Sarkar, Abhijit ; Bansal, Mayank ; Lea, Duvutu ; Bura, Deepa	Artificial Intelligence for Virtual Reality	Virtual reality: A simulated experience: A comprehensive view	NA
Tyagi Shobha ; Kumar Deepak ; Kumar Devendra	Immersive Virtual and Augmented Reality in Healthcare: An IoT and Blockchain Perspective	Secure remote monitoring of diabetes using IOT and blockchain	NA
Khushpal, Dahiya Mamta	Demystifying Big Data A-lytics for Industries and Smart Societies	Spatial data analytics to study the pattern of water bodies over time and possibilities of their revival a case study of sohna mc water bodies, gurugram, India	NA
Singh Meeta; Nandal Poonam ; Bura Deepa	Designing Context-Rich Learning by Extending Reality	Comparison analysis of global healthcare of virtual reality systems market by geography in existing market scenario	NA
Madaan Rosy	Applying AI-Based IoT Systems to Simulation-Based Information Retrieval	Mechanism for crawling, filtering, and presenting opinionated content on online products to the customers	NA
Tanwar, Poonam	Applying AI-Based IoT Systems to Simulation-Based Information Retrieval	Nakhasys: An ML-based disease diagnosing application	NA
Khan, Talha Fasih ; Dubey, Pulkit ; Upadhyay, Yukti	Intelligent Systems and Applications in Computer Vision	Detection of Ichthyosis Vulgaris using SVM	NA
Kapahi, A. ; Kapahi, V. ; Gupta, D. ; Verma, IL. ; Singh, M.	Artificial Intelligence, Blockchain, Computing and Security: Volume 1	System for predicting soil moisture using Arduino-UNO	NA
Singh, Meeta ; Chahal, Poonam ; Bura, Deepa ; Srishty	Artificial Intelligence, Blockchain, Computing and Security: Volume 1	Review: Recent advancements on Artificial Intelligence	NA
Gosain, Sakshi ; Saxena, Shrutika ; Kumar, Tapas ; Mongia, Shweta	Social Media and Crowdsourcing Application and A-lytics	A Comparative Study on Available Fake Detection Apps	NA
Chaudhary, Sarika ; Sharma, Sugandha ; Mongia, Shweta ; Tripathi, Khushboo	Concepts of Artificial Intelligence and its Application in Modern Healthcare Systems	Artificial Intelligence (AI) in Healthcare: Issues, Applications, and Future	NA

Sharma Mani, Sindhu, Savita	NA	Path estimation between base station and artificial sensor in wireless sensor network	AIP Conference Proceedings

4. Department of Electronics and Communication Engineering

i) Thrust Areas of the Department:

- VLSI Design & Testing
- Analog & Mixed Signal Design
- RTOS
- Wireless Communication
- Antenna & RF Communication
- Optical Communication & Networks
- Machine Learning for Embedded Systems
- Embedded Linux
- Robotics
- Internet of Things
- Digital Signal Processing
- Image Processing
- Speech Signal Processing

ii) Academic Achievements

a. Student progression to higher education during the year

Name of students enrolled for higher education	Graduated from which Programme	Name of Institution joined	Admitted to (Name of Programme)
Arunabh Singh	B.Tech , ECE, MRIIRS	ILM, Gurugram	Master in Business Administration

b. Students benefited by career counseling and guidance for competitive Examinations:

Activity Description	No. of Participants
Alumni Talk on Career Opportunities for Electronics Engineers	11
Expert Talk on How to write a good Resume	13
Elementary Classes for GATE/ Other Competitive exams	5
Technical Seminar on Latest Trends in Electronics Engineering	20
Alumni Talk on Skills Required for a Career in Electronics Domain	19
Workshop on Reference Management using Mendeley	34

c. Professional Development Programmes Organised:

Title	From Date	To Date
Short Term Course on Artificial Embedded Systems in collaboration with NITTTR, Chandigarh	24-07-2023	28-07-2023
Short Term Course on Digital Tools for Teaching and learning in collaboration with NITTTR (in Association with IQAC)	24-07-2023	28-07-2023
Workshop on IoTs and Embedded Systems in collaboration with NITTTR, Chandigarh	15-01-2024	19-01-2024

d. Faculty members: Awards & Recognitions:

Name of Faculty Member	Awards/Recognition
Pratima Manhas	Best Paper Award for presenting paper in international Conference on Emerging Innovations and Advanced Computing(INNOCAMP 2024): Schematic of Electronic Apex Locators, Different Generations and Inexpensive Design method (25-05-2024 to 26-05-2024)

DESIGNEN 2K24 : An AutoCAD Technical Quiz and Modelling Competition	61
Expert Talk: Virtual Reality, Augmented Reality, and Mixed Reality	31

b. Student progression to higher education during the year:

Name of students enrolled for higher education	Graduated from which Programme	Name of institution joined	Admitted to (Name of Programme)
Kartik Parashar	B.Tech -Mechanical Engineering	Narsee Monjee Institute of Management Studies, Hyderabad	Master of Business Administration
Arshit Nanda	B.Tech -Mechanical Engineering	Swansea University, UK	M. Sc Mechanical

c. Faculty members: Awards & Recognitions:

Name of Faculty Member	Awards/Recognition
Basanta Kumar Bhuyan	Received the Best Researcher Award at the Teaching Excellence Awards (TEA 2023) in recognition of his outstanding contribution in Research held on 05-09-2023
Basanta Kumar Bhuyan	Received recognition as a Ph.D. Supervisor at a special ceremony held on 07-10-2023
Jimmy Mehta	Certificate of Young Researcher Award July 2023
Ashwini Kumar	Recognition as a Session Chair for International Conference on Artificial Intelligence, Advanced Materials & Mechatronics Systems, JECRC University, Jaipur

d. FDPs attended by Faculty Members:

Name of Faculty Member	Title of FDP/Workshop/Conference	Date From	Date to
Rajender Kumar	Faculty Development Programme on Entrepreneurship & Innovation	26-06-2023	01-07-2023
Pankaj Shakkarwal	NPTEL Certification on Product Design and Development	07-07-2023	27-10-2023
Jimmy Mehta	NPTEL Certification on Rapid Manufacturing	07-07-2023	27-10-2023

Brahma Nand Agrawal	NPTEL Certification on Fundamentals of Additive Manufacturing Technologies	07-07-2023	27-10-2023
Basanta Kumar Bhuyan	NPTEL Certification on Joining Technologies for Metals	07-07-2023	27-10-2023
Sushant	Faculty Development Programme on MATLAB & SIMULINK	03-07-2023	07-07-2023
Pankaj Shakkarwal	Faculty Development Programme on MATLAB & SIMULINK	03-07-2023	07-07-2023
Dinesh Chawla	Faculty Development Programme on Climate Change, Pandemic and Disaster Management	10-07-2023	14-07-2023
Basanta Kumar Bhuyan	Faculty Development Programme on ANSYS-EM for Electrical Engineering Application	17-07-2023	21-07-2023
Pankaj Shakkarwal	Certification Course on Solid works organised by MSME Tool Room, Indo German Tool Room, Ahmedabad, India	17-07-2023	14-08-2023
Pankaj Shakkarwal	Faculty Development Programme on ANSYS-EM for Electrical Engineering Application	17-07-2023	21-07-2023
Sushant	Faculty Development Programme on ANSYS-EM for Electrical Engineering Application	17-07-2023	21-07-2023
Sunny Bhatia	Faculty Development Programme on Data Science using R	17-07-2023	21-07-2023
Basanta Kumar Bhuyan	Faculty Development Programme on Digital Tools for Teaching and Learning	24-07-2023	28-07-2023
Pankaj Shakkarwal	Faculty Development Programme on Artificial Embedded Systems	24-07-2023	28-07-2023
Sunny Bhatia	Faculty Development Programme on Digital Tools for Teaching and Learning	24-07-2023	28-07-2023
Sunny Bhatia	Certification Course on Developing Soft Skills and Personality	24-07-2023	15-09-2023
Sushant	Faculty Development Programme on NAAC and Internal Quality Assurance	11-09-2023	15-09-2023
Prateek Mittal	Faculty Development Programme on Approaching Zero Waste Cities	18-09-2023	22-09-2023
Jimmy Mehta	Faculty Development Programme on Approaching Zero Waste Cities	18-09-2023	22-09-2023
Ashwini Kumar	Faculty Development Programme on Approaching Zero Waste Cities	18-09-2023	22-09-2023
Manoj Nayak	Faculty Development Programme on Recent Trends in Embedded Systems and IOTs	18-09-2023	22-09-2023
Pankaj Shakkarwal	Entrepreneurship Skill Development Program on DELCAM	11-10-2023	10-11-2023
Rajender Kumar	Training Program for Consultants on MSME Competitive lean Scheme	30-10-2023	3-11-2023
Jimmy Mehta	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Prateek Mittal	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Dinesh Chawla	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Ashwini	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Manoj Nayak	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Sushant	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Sunny Bhatia	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Vinay	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Dain D Thomas	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024
Brahma Nand Agrawal	Faculty Development Programme on Sustainable cities and communication	08-01-2024	12-01-2024

Pankaj Shakkarwal	Certification Course on CNC Programming - Milling organised by MSME Tool Room, Indo German Tool Room, Ahmedabad, India	23-11-2023	21-12-2023
Pankaj Shakkarwal	NPTEL Certification on Manufacturing Guidelines for Product Design	15-01-2024	16-03-2024
Basanta Kumar Bhuyan	NPTEL Certification on Material Science and Engineering	17-01-2024	26-03-2024
Dinesh Chawla	NPTEL Certification on Energy Resources, Economics, and Sustainability	19-02-2024	20-04-2024
Jimmy Mehta	Faculty Development Programme on NAAC and Internal Quality Assurance	26-02-2024	01-03-2024
Jimmy Mehta	Faculty Development Programme on Additive Manufacturing for Bio-medical Application	22-04-2024	26-04-2024
Jimmy Mehta	Course on Comprehensive Disaster Risk management Framework	04-04-2024	16-05-2024
Dinesh Chawla	NPTEL Certification on Waste to Energy Conversion	11-01-2024	14-03-2024
Pankaj Shakkarwal	NEP 2020 Orientation & Sensitization Programme (An Initiative for Quality Enhancement in Teaching-Learning & Research) under Malaviya Mission Teacher Training Programme	08-04-2024	20-04-2024
Ashwini Kumar	FDP on Additive Manufacturing : Potential & Challenges	13-05-2024	17-05-2024
Brahma Nand Agrawal	FDP on Additive Manufacturing : Potential & Challenges	13-05-2024	17-05-2024

e. Professional Development Programmes Organised:

Title	From Date	To Date
Faculty Development Programme on 'MATLAB & Simulink in collaboration with Math Works	03-07-2023	07-07-2023
Hands on Training on Electric Vehicle Assembly	26-07-2023	28-07-2023
FDP on Solid works in collaboration with Idea Design solution (P) Ltd., Gurgaon	02-01-2024	06-01-2024
Faculty Development Programme on "Solid works" in collaboration with Idea Design solution (P) Ltd., Gurgaon	18-09-2023	22-09-2023
Faculty Development Program on Additive Manufacturing for Biomedical Applications in collaboration with NITTTT Chandigarh	22-04-2024	26-04-2024

f. Research Publications by Faculty members:

Title of Paper	Name of the Author/S	Name of Journal
Abrasive Water Jet Machining Of Glass Fibre Reinforced Polymer Composite: Experimental Investigation, Modelling And Optimization	Basanta Kumar Bhuyan, Anil Kumar Dahiya, Shaile Kumar	International Journal on Interactive Design and Manufacturing (IJIDeM)
An Explanatory Study On Defects In Plastic Molding Parts Caused By Machine Parameters In Injection Molding Process	Rajender Kumar, Sushant	Material Today's Proceeding
Biocomposites: Prospects And Manifold Applications For Human And Environmental Sustainability	Jimmy Mehta, Shilpi Lavania, Pallavi Bhardwaj, Ashutosh Tripathi, Niraj Gupta And Pallav Gupta	ECS Journal of Solid State Science and Technology
Comparative Analysis Of 2 Degree Of Freedom In Robots	Jimmy Mehta, Nama Rajput, Harshit Madan, Harsh Tanwar, Yash Jindal	International Journal of Advances in Engineering and Management
Comparative Analysis Of Conventional Steel And Composite Drive Shaft	Dinesh Chawla, Ahmad Ahsan Feroz, Harshit	MR International Journal of Engineering and Technology
Design And Analysis Of A Sustainable Power System For Healthcare Centers Using Renewable Energy Sources	Manoj Nayak, Ayodeji Olalekan Salau, Sumit Kumar Maitra, Ashwini Kumar, Seema Nayak, Jai Shanker Prasad Keshri	Zhongguo Shiyou Daxue Xuebao (Ziran Kexue Ban)/Journal of China University of Petroleum (Edition of Natural Science)
Fabrication Of A Hybrid Metal Matrix Composite Of Al 6082, SiC, Graphite And Mg	Devlina Gaharwar, S.K. Jha, Basanta Kumar Bhuyan	Evergreen Joint Journal of Novel Carbon Resource Sciences & Green Asia Strategy
Influence Of Process Parameters On Delamination Of GFRP With Abrasive Water Jet Machining	Basanta Kumar Bhuyan, Anil Kumar Dahiya, Shailendra Kumar	Materials Today: Proceedings

Influence Of Process Parameters On Kerf Properties Of GFRP With Abrasive Water Jet Machining	Basanta Kumar Bhuyan, Anil Kumar Dahiya, Shailendra Kumar	International Journal of Materials Engineering Innovation
Optimization Of Process Parameters For Kerf Taper Using TM-GRA Of GFRP Composite With Awjm	Basanta Kumar Bhuyan, Anil Kumar Dahiya, Shailendra Kumar	International Journal of Materials Engineering Innovation
Optimization Of Process Parameters For Machining Defects Of Glass Fibre Reinforced Polymer Composite Machined By Awjm	Basanta Kumar Bhuyan, Anil Kumar Dahiya, Shailendra Kumar	Materials Today: Proceedings
Parametric Optimization And Experimental Modelling Of Awj Machining Of Gfrp Composite	Basanta Kumar Bhuyan, Anil Kumar Dahiya, Shailendra Kumar	International Journal of Materials Engineering Innovation
Parametric Study Of Abrasive Jet Machining On Zirconia	Basanta Kumar Bhuyan, Nischal Thapa Guransh Singh	Materials Today: Proceedings
Prioritisation Of The Barriers In Implementation Of Industry 4.0 Driven Supply Chain Using Dematel: An Indian Perspective	Dain Thomas, Riya Rawat Rohit Sharma, Asimul Haque	International Journal of Internet Manufacturing and Services
Simultaneous Optimization Of Process Parameters During Abrasive Water Jet Machining On Glass Fibre Reinforced Polymer	Basanta Kumar Bhuyan, Anil Kumar Dahiya, Vikas Acharya, Atul Kumar Kaushik And Shailendra Kumar	International Journal on Interactive Design and Manufacturing
Structural Modeling And Analysis Of Fuel Cell: A Graph-Theoretic Approach	Rajeev Kumar Saha, Raman Kumar, Nikhil Dev, Rajender Kumar, Raman Kumar, Raul M Del Toro, Sofia Haber, José E Naranjo	PeerJ Computer Science

g. Books/Book Chapters:

Name of the teacher	Title of the book/ chapters published	Title of the paper	Title of the proceedings of the conference
Arora, H.D.; Naithani, Anjali ; Kumar, Rajender	Understanding Information Entropy	A hybrid intuitionistic fuzzy information based TOPSIS method with applications in multi criteria decision-making	NA
Nayak, Seema ; Nayak, Manoj ; Matri, Shamla ; Sharma, Kanta Prasad	Evolving Networking Technologies: Developments and Future Directions	Synthesis and Analysis of Digital IIR Filters for Denoising ECG Signal on FPGA	NA
Chawla, Dinesh ; Nayak, Manoj ; Gupta, Pallav	NA	Fabrication Aspect and Mechanical Properties of Aluminium Metal Matrix Composites: A Perspective	AIP Conference Proceedings
Vashist, Devendra; Pandey, Sachchidanand; Panwar, Sachin; Nagar, Jatin	NA	Analysis of Battery Fire Safety in Electric Vehicles: A Case Study in Indian Context	SAE Technical Papers
Malik, Varun; Vashist, Devendra	NA	Financial Impact on Indian Automotive Industry for Transition from IC Engine Based to EV Based Technology	IITEC-India 2023 - 5th International Transportation Electrification Conference: eAMRIT - Accelerating e-Mobility Revolution for India's Transportation
Kumaravel, D; Tomar, Prashant ; Tulanovna, Kodirova Dilshodkhan; Sharma, Sushant; Pawar, Krupal Prabhakar; Patil, Pravin P	NA	Advanced Manufacturing Process Development for Automation in the Industry using Artificial Intelligence-Based System	2023 3rd International Conference on Advance Computing and Innovative Technologies in Engineering, ICACITE 2023
Chabra, Kamal; Kumar, Rajender; Nayak, Manoj	NA	Estimating the Future Demand for Manufacturing Goods Using Time Series Forecasting Approach	2023 International Conference on Advances in Computation, Communication and Information Technology, ICAICIT 2023
Thomas, Dain D.; Rawat, Riya; Sharma, Rohit ; Haque, Asimul	NA	Prioritisation of the barriers in implementation of Industry 4.0 driven supply chain using DEMATEL: An Indian perspective	International Journal of Internet Manufacturing and Services
Rajendra, Kumar ; Virender, Narula	NA	Failure Modes and Effect Analysis of a Gas Compressor in a Gas Processing Complex: A Case Study Based Approach	Lecture Notes in Mechanical Engineering

Matharou, Gurpreet Singh ; Kaur, Simran ; Raj, Vishnu ; Dhawan, Rishabh	NA	Electricity Generation by an Innovative Suspension System in a Two-Wheeler Electric Vehicle	Lecture Notes in Mechanical Engineering
Yadav, Gaurav ; Choudhary, Riya ; Bhardwaj, Himanshu ; Bhuyan, B.K.	NA	Experimental Study and Recent Scope on Drilling Electrochemical Discharge Machining Process: A Review	Lecture Notes in Mechanical Engineering
Mourya, Ankush ; Nanda, Arshit ; Parashar, Kartik ; Sushant ; Kumar, Rajender	NA	An explanatory study on defects in plastic molding parts caused by machine parameters in injection molding process	Materials Today: Proceedings

7. Department of Applied Science

i) Thrust Areas of the Department:

- Material Science
- Plasma Physics
- Nanotechnology
- Polymer Fibers
- Noise Pollution
- Synthetic Organic Chemistry
- Colloidal Chemistry
- Corrosion Studies and Water Purification.
- Bio-mathematics
- Fluid Dynamics
- Fuzzy Theory
- Decision Sciences
- Fixed Point Theory
- Numerical Analysis

ii) Academic Achievements

a. Students benefited by career counseling and guidance for competitive Examinations:

Activity Description	No. of Participants
Workshop on Vedic Mathematics	52
Mathematical Fest	360
Science Conclave 2024	140

b. FDPs / Workshops / Conferences Attended by Faculty members:

Arvind Kumar	Associate Professor	Computer Applications
Kavita Arora	Associate Professor	Computer Applications
Raj Kumar	Associate Professor	Computer Applications
Sonia Duggal	Associate Professor	Computer Applications
Priyanka Sharma	Assistant Professor	Computer Applications
Aastha Budhiraja	Assistant Professor	Computer Applications
Stuti Tandon	Assistant Professor	Computer Applications
Neda Fatima	Assistant Professor	Computer Applications
Neerja Negi	Assistant Professor	Computer Applications
Ritu Sachdeva	Assistant Professor	Computer Applications
Priya	Assistant Professor	Computer Applications
Manpreet Singh	Assistant Professor	Computer Applications
Gunjan Verma	Assistant Professor	Computer Applications
Sakshi	Assistant Professor	Computer Applications
Divya Sharma	Assistant Professor	Computer Applications

Urvashi Sangwan	Assistant Professor	Computer Applications
Savita Dagar	Assistant Professor	Computer Applications
Taruna Chopra	Assistant Professor	Computer Applications
Shruti Gupta	Assistant Professor	Computer Applications
Iram Fatima	Assistant Professor	Computer Applications
Sakshi Gupta	Assistant Professor	Computer Applications
Khushabu Agrawal	Assistant Professor	Computer Applications
Nidhi Pruthi	Assistant Professor	Computer Applications
Gaurav	Assistant Professor	Computer Applications
Sijo Joseph	Assistant Professor	Computer Applications

Department at a Glance:

i) Thrust Area:

- Cloud Computing
- Image Processing
- Cyber Security
- Natural Language Processing
- Machine Learning (ML)
- Content based Learning
- Data Mining
- Brain Computer Interface
- Neural Networks
- Software Defined Networking
- Big Data
- Internet of Things (IoT)
- Android Application Development
- Computer Networks
- Web Mining
- Software Testing

ii) Academic Achievements

a. Students benefited by career counseling and guidance for competitive Examinations:

Activity Description	No. of Participants
Hands on session on Data Analytics using power BI	47
Industrial Visit to Adequate Info Soft, Sector-62, Noida	30
Student Enrichment Program on InnPy: Fueling Innovation through Python Mastery	74
Web Development Program on DesignWeb Prodigy: Mastering the Art of Website Design	69
Awareness program on TechTrove Debugathon: Unraveling the Debugging Challenge	69
Symposium on Quantum Pulse: Accelerating AI Pathways - Symposium on Artificial Intelligence	64
Workshop on Sustainability on Create & Innovate: Hands-On DIY	45
Expert Talk on Cognitive Clarity: Unlocking the Secrets of Explainable AI	63
Student Enrichment Program on Mock Interview for MCA, B.Sc. (IT) and BCA	140
Expert Talk on Navigating the Tech Career Launchpad	72
Industrial Visit to Uni Converge Technologies Pvt. Ltd., Noida	30
Technical Fest on DIGITAL Di-NAMO 2024	270
Hands-on Session on "Futuristic Trends in Cyber Security"	169
International Research Conclave -2024: Research Conclave	400
Hands-On Workshop Artificial Neural Networks	104
Industrial Visit to Incubation Centre and iHub Anubhuti- IIIT Delhi, Shyam Nagar, Okhla Industrial Estate, New Delhi, Delhi	32
Laboratory Visit to Central Road Research Institute (CSIR-CRRI), Okhla, New Delhi	32
Program for Advance Learners -Hands on session on Physical System Accessibility Security	60

b. Student progression to higher education in percentage during the year:

Name of students enrolled for higher education	Graduated from which Programme	Name of Institution Joined	Admitted to (Name of Programme)
Abhijeet Singh	Bachelor of Computer Applications	KIET Group of institutions, Ghaziabad	Master in Computer Applications
Afiya Fatima	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Alisha Singh	Bachelor of Computer Applications	Chandigarh University, Mohali	Master in Computer Applications
Aman Jena	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Aman Kumar Thanuan	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Ansh Kumar Choudhary	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Arham Jain	Bachelor of Computer Applications	Manav Rachna Centre for Distance and Online Education, Faridabad	Master of Computer Applications
Aryaman Singh	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Aryan Kukreja	Bachelor of Computer Applications	MDU, Rohtak	Master in Computer Applications
Ashish Negi	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications

Atish Tanwar	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Ayush Bishnoi	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Bhagvender Singh	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Devansh	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Dipanshu	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Farhan Siddique	Bachelor of Computer Applications	Manav Rachna Centre for Distance and Online Education, Faridabad	Master of Business Administration
Garv	Bachelor of Computer Applications	Chandigarh University, Mohali	Master in Computer Applications
Gautam Kumar	Bachelor of Computer Applications	Manav Rachna Centre for Distance and Online Education, Faridabad	Master of Business Administration
Himanshu Mishra	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Kartik Yadav	B.Sc.-Information Technology	Amity University, Noida	Master of Business Administration
Manpreet Singh	Bachelor of Computer Applications	G. L. Bajaj University, Noida	Master in Computer Applications
Nitasha Bansal	B.Sc(IT)	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Pallavi Singh	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies	Master in Computer Applications
Purvanshi Tyagi	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Rahul Hooda	Bachelor of Computer Applications	Galgotia University, Noida	Master of Physiotherapy
Rakesh Chand Kurai	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Rohit Hooda	Bachelor of Computer Applications	The Northcap University, Gurgaon	Master of Computer Applications
Samiksha Madaan	Bachelor of Computer Applications	Graphic Era Hill University, Dehradun	Master of Computer Applications
Sanjana Das	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Sanju Bhukta	B.Sc(IT)	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Sarthak Bhatia	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Sarthak Burmi	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Soumya Ranjan Barik	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Syed Amir Husain	Bachelor of Computer Applications	Guru Gobind Singh Indraprastha University	Master in Computer Applications
Tushar Khokhar	Bachelor of Computer Applications	Indira Gandhi National Open University IGNOU	Master of Computer Applications
Yash Thakur	Bachelor of Computer Applications	Shardha University, Noida	Master in Computer Applications
Yatharth Sharma	Bachelor of Computer Applications	BITs, Noida	Master in Computer Applications
Yuvraj Singh Siwal	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Master in Computer Applications
Aryan Babber	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Masters of Computer Applications
Akash Rawat	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Masters of Computer Applications
Harsh Choudhary	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Masters of Computer Applications

Muskan	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Masters of Computer Applications
Muskan Chauhan	Bachelor of Computer Applications	Guru Gobind Singh Indraprastha University	Masters of Computer Applications
Shivam Verma	Bachelor of Computer Applications	Manav Rachna International Institute of Research and Studies, Faridabad	Masters of Computer Applications

c. Faculty members: Awards & Recognitions:

Name of Faculty Member	Awards/Recognition
Kavita Arora	Recognition for the Best Women Faculty Award by the Scientific International Publishing House on 04-07-2023
Kavita Arora	Recognised with the International Academic Excellence Award 2023 during the Global Edu-Conclave 2023, held virtually on 05-09-2023. The event was organized by the International Institute of Organized Research (I2OR) and Green ThinkerZ, in association with the Centre for Smart Modern Construction, Western Sydney University, Australia, The Intelligent Indian, Sustainable Cosmos, Wakelet, IJRECE, TRJ, SusCos Academy, and Elsevier's Mendeley.
Suhail Javed Quraishi	Recognised with the I2OR International Edu-Leader Award 2024 on the occasion of the International Day of Education, celebrated on 24-01-2024.
Anupama Chadha	Recognition as a Session Chair for 3rd International Conference on Advanced Communication and Intelligent Systems Jawaharlal Nehru University, New Delhi, India

d. Professional Development Programmes attended by Faculty Members:

Name of the Faculty member	Title of the Event	Date From	Date to
Aastha Budhiraja	Online Summer School on Cyber Threat Intelligence and Forensics	03-07-2023	15-07-2023
Aastha Budhiraja	Short Term Course on Data Science using R	17-07-2023	21-07-2023
Aastha Budhiraja	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Anjali Gautam	FDP on Initiatives for Fostering Quality Higher Education in India in the 21st Century	01-08-2023	07-08-2023
Anupama Chadha	Short Term Course on Data Science using R	17-07-2023	21-07-2023
Anupama Chadha	FDP on Managing Your Ego and Emotions at Work Place	11-09-2023	15-09-2023
Anupriya Jain	FDP on NAAC and Internal Quality Assurance	11-09-2023	15-09-2023
Arvind Kumar	One Week National Level Faculty Development Program on Cloud Infrastructure(AWS)	21-08-2023	25-08-2023
Arvind Kumar	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Divya Sharma	NAAC and Internal Quality Assurance	11-09-2023	15-09-2023
Gunjan Verma	5 days FDP on Implementing IoT & Machine Learning Applications on Raspberry Pi	03-07-2023	07-07-2023
Gunjan Verma	5 days FDP on Machine Learning and its Applications in IoT, Computer Vision and Cloud Computing (MICC-2023)	10-07-2023	14-07-2023
Gunjan Verma	Unleashing Emerging research Trends and Advancements in Computer Science	01-08-2023	05-08-2023
Gunjan Verma	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Kavita Arora	National level Faculty Development Program on Cloud Infrastructure	21-08-2023	25-08-2023
Kavita Arora	FDP on From Research to Publication	04-09-2023	11-09-2023
Khushabu Agrawal	5 days FDP on Implementing IoT & Machine Learning Applications on Raspberry Pi	03-07-2023	07-07-2023
Khushabu Agrawal	Unleashing Emerging research Trends and Advancements in Computer Science	01-08-2023	05-08-2023
Khushabu Agrawal	FDP on Data Science for Business	04-09-2023	08-09-2023
Khushabu Agrawal	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Neerja Negi	Short Term Course on Data Science using R	17-07-2023	21-07-2023
Neerja Negi	FDP on Artificial Embedded Systems	24-07-2023	28-07-2023
Neerja Negi	FDP on Unleashing Emerging Research Trends and Advancements in Computer Science	01-08-2023	05-08-2023

Neha Gupta	Short Term Course on Data Science using R	17-07-2023	21-07-2023
Neha Gupta	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Nidhi Pruthi	FDP on Unleashing Emerging Research Trends and Advancements in Computer Science	01-08-2023	05-08-2023
Nidhi Pruthi	NAAC and Internal Quality Assurance	11-09-2023	15-09-2023
Parul Gandhi	Short Term Course on Data Science using R	17-07-2023	21-07-2023
Parul Gandhi	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Priya Tanwar	5 days FDP on Implementing IoT & Machine Learning Applications on Raspberry Pi	03-07-2023	07-07-2023
Priya Tanwar	Unleashing Emerging research Trends and Advancements in Computer Science	01-08-2023	05-08-2023
Priya Tanwar	National level Faculty Development Program on Cloud Infrastructure	21-08-2023	25-08-2023
Priya Tanwar	FDP on Data Science for Business	04-09-2023	08-09-2023
Priya Tanwar	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Raj Kumar	Short Term Course on Data Science using R	17-07-2023	21-07-2023
Raj Kumar	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Rashmi Agrawal	Short Term Course on Data Science using R	17-07-2023	21-07-2023
Rashmi Agrawal	5 days FDP- AIAMLCC2023	10-07-2023	14-07-2023
Ritu Sachdeva	Workshop on Cyber threat intelligence & forensic (CTIF)	03-07-2023	15-07-2023
Ritu Sachdeva	FDP on Blockchain revolutionized Artificial Intelligence	21-08-2023	25-08-2023
Shilpa Bhatia	FDP on Managing Your Ego and Emotions at Work Place	11-09-2023	15-09-2023
Sonal Pathak	Short Term Course on Data Science using R	17-07-2023	21-07-2023
Sonal Pathak	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023
Stuti Tandon	One Week National Level Faculty Development Program on Cloud Infrastructure(AWS)	21-08-2023	25-08-2023
Stuti Tandon	FDP on Cyber Security Awareness Program	12-09-2023	16-09-2023

Sonia Duggal	FDP on Harnessing Intellectual Property	22-04-2024	26-04-2024

e. Events Organized:

Title	From Date	To Date
Webinar on Cyber Security Awareness Program	12-09-2023	16-09-2023
Workshop on Efficiency Pro - Mastering MS Office	14-12-2023	19-12-2023
FDP on Harnessing Intellectual Property	22-04-2024	26-04-2024

F. Research Publications by Faculty Members:

Title of paper	Name of the author/s	Name of journal
A Cloud Based Enhanced CPABE Framework For Efficient User And Attribute-Level Revocation	Neha Gupta	International Journal of Computers and Applications
A Comprehensive Review Of Image Restoration And Noise Reduction Techniques	Rashmi Agrawal, Neha Gupta, Mridula Batra, Kavita Arora	International Journal on Recent and Innovation Trends in Computing and Communication
A Critical Analysis Of Applicability Of Artificial Intelligence In The Field Of Management	Anupama Chadha, K.A. Jayabalaji	A Journal for New Zealand Herpetology
A Literature Review Of Crop Yield Prediction	Anupriya Jain	Purakala
A Proxy-Based And Collusion Resistant Multi-Authority Revocable Cpabe Framework With Efficient User And Attribute-Level Revocation (PCMR - CPABE)	Neha Gupta	International Journal of Safety and Security Engineering
A Systematic Survey Of RUM Process Parameter Optimization And Their Influence On Part Characteristics Of Nickel 718	Usha Batra, Dipesh Popli	Nature's Scientific Reports
A Two-Stage NLP- Based Framework For Assessing The Sentiments On Indian Supreme Court Judgments	Neha Gupta, Indranath Chatterjee	International Journal of Information Technology (Singapore)
An Efficient Approach For Detection Of Failure In Data Analysis By Using Proposed Modified K-Means Clustering	Sachin Sharma, Sonia Yadav	Mathematical Statistician and Engineering Applications
An Empirical Analysis Of Machine Learning And Strategic Management Of Economic And Financial Security And Its Impact On Business Enterprises	Anupriya Jain, Seema Sharma	A Journal of Newzealand Herpetology (Biogecko)
Analysing Faculties Perspective Towards Psychological Outcomes Of Online Education	Arvind Kumar, Meena S., Asha Bala, Sayali Pataskar, Ram Bajaj	Tuijin Jishu/Journal of Propulsion Technology
Antecedents Of Satisfaction And Continuance Intention Towards E-Learning Adoption In School Education In India - Teachers' Perspective During Covid-19 Pandemic	Raj Kumar, Pankaj Kumar, Parveen Kumar, Nitu Kumari, Vaibhav Aggarwal	International Journal of Education Economics and Development (IJEDD)
Application Of Machine Learning And Big Data In Improving Supply Chain Financial Risk Management System.	Anupriya Jain, Seema Sharma	A Journal for New Zealand Herpetology
Applying Machine Learning Approach To Identifying Channels In MIMO Networks For Communications In 5G-Enabled Sustainable Smart Cities	Anupriya Jain, Shalini Stalin, Manish Gupta, K. Makanyadevi, Amit Agrawal, Shraddha V. Pandit, Ali Rizwan	Mobile Networks and Applications
Applying Machine Learning Enabled Myriad Fragment Empirical Modes In 5G Communications To Detect Profile Injection Attacks	Sachin Sharma, Mohammed S. Alzaidi	Wireless Networks
Blockchain-Empowered Security Enhancement Iot Framework In Building Management System	Parul Gandhi	International Journal on Recent and Innovation Trends in Computing and Communication
Comparative Analysis Of K-Kn, Naive Bayes And Logistic Regression For Credit Card Fraud Detection	Kavita Arora, Sonal Pathak, Nguyen Thi Dieu Linh	Revista Ingenieria Solidaria
Decision Tree Regression Analysis Of Proposed Metric Suite For Software Fault Prediction	Parul Gandhi, Gurmeet Kaur, Jyoti Pruthi	SN Computer Science
Dermatological Disease Prediction And Diagnosis System Using Deep Learning	Neda Fatima, S. A. M. Rizvi, Major Syed Bilal Abbas Rizvi	Irish Journal of Medical Sciences.
Educational Perspective Of Intellectual Property Rights	Arvind Kumar Dangl, Veena Prasad	Russian Law Journal
Empirical Validation Of Variable Method Interaction Cohesion Metric (VMICM) For Enhancing Reusability Of Object-Oriented (O-O) Software	Parul Gandhi	International Journal of Electrical and Computer Engineering Systems
Enhancing Image Quality: A Comparative Study Of Spatial, Frequency Domain, And Deep Learning Methods	Rashmi Agrawal, Parul Gandhi, Jyoti Pruthi, Ravi Kumar Sharma	International Journal on Recent and Innovation Trends in Computing and Communication

Entity-Aware Data Management On Mobile Devices: Utilizing Edge Computing And Centric Information Networking In The Context Of 5G And IoT	Sachin Sharma, Deepak Sharma, M. A. Elmagzoub, Abdullah Alghamdi, Mesfer Alrizq, Kusum Yadav, Sachin Sharma, V. Prashanth	Mobile Networks and Applications
Farm Easy: Smart Agriculture For Sustainable Development With IoT Monitoring And ML Optimization	Anupriya Jain	TuJin Jishu/Journal of Propulsion Technology
Fungal Infection And Allergy Related Disease Prediction With The Help Of Machine Learning XGB Classifier And Decision Tree Algorithms	Arvind Kumar, Divya Pachauri	International Journal Of Scientific Development And Research
Identification Of Relevant Features Influencing Movie Reviews Using Sentiment Analysis	Neha Gupta, Isha Gupta	International Journal of Data Mining, Modeling and Management
LTE - NBP With Holistic UWB - WBAN Approach For The Energy Efficient Biomedical Application	Rashmi Agrawal, Abhishek Kumar	Multimedia Tools and Applications
Machine Learning Based Software Fault Prediction Models	Parul Gandhi, Jyoti Pruthi	Karbala International Journal of Modern Science
Network Intrusion Detection Using Meta-Heuristic Feature Selection And Cost-Sensitive Learning	Neha Gupta	International Journal of Internet Technology and Secured Transactions
Optimizing Data Quality Of A Data Warehouse Using Data Purgation Process	Neha Gupta	International Journal of Data Mining, Modeling and Management
Secured Wireless Sensor Networks Using Hybrid Rivest Shamir Adleman With Ant Lion Optimization Algorithm	Seema Sharma, Charu Gandhi	Wireless Networks
Towards Advanced Animal Care: A Li-Fi And IoT-Based System For Monitoring Newborn Livestock	Suhail Javed Quraishi, Tanveer Baig Z, Danish Ather, Sonia Setia, Syed Mohtashim Mian	ES Materials & Manufacturing

Students of third-year BDS participated in flipped classrooms on 30/5/2024 during Pediatric and preventive dentistry class. The topic covered was Diet and Nutrition.

S No.	Student Name	Roll Number	Topic
1	Manan	2021-BDS-27	Role of Vitamins
2	Pragya	2021-BDS-33	Role of Lipids
3	Paritosh	2021-BDS-31	Food Pyramid

Student Centered Approach- Every BDS student admitted under MRIHS in the first, second, and third batches was assessed as part of the student-centered learning process. A variety of activities, including e-posters, assignments, and model building. Students supported one another during the learning process and fostered a sense of teamwork. With a more competency-based approach to learning, students assume greater responsibility for their education.

This type of teaching helps students develop problem-solving skills, which will come in handy when they face similar situations in clinical areas. Student centered approach encourages improved retention of the concepts, better understanding of the theoretical knowledge, development of problem solving skills and collaboration among peer groups.

Model made by 1st year BDS students for the department of physiology under the guidance of Dr. Anupama Betigeri

Student Tagging

Student tagging is done wherein all the clinical departments include 3rd year, 4th year BDS and Interns to tag along the post graduate students in clinical cases which helps the senior to reinforce their own learning by instructing others and the junior feels more comfortable and open allowing better understanding. The undergraduate students are also exposed to the complex clinical situations which will enhance their knowledge of the subject and clinical management of the patient.

Presentations

There are a total of 55 postgraduate students distributed across 5 disciplines (Orthodontics, Prosthodontics, Conservative Dentistry & Endodontics, Periodontics, Pedodontics) at the institution. A total of 15 presentations per post graduate student were held in the form of Seminar, Journal Clubs and Clinical Case presentations which gave them insight of their specialty and recent advances. Each post graduate student gives 5 seminars, 5 journal clubs and 5 case presentations in every academic year. Each presentation was evaluated by the faculty members according to the checklist by the Dental Council of India.

Seminar Presentation by Post Graduate student in Periodontology on topic of "Cementum" on 23rd November 2023.

Horizontal Integration

14 horizontal integration seminars were held between the basic and clinical courses within a batch of students. The basic science and the clinical dental departments correlate the topics for better understanding for the students. All the lectures were conducted as per the schedule provided to the respective departments. The student feedback analysis report for all the horizontal integration lectures were evaluated by each department and submitted.

Inter-relating the departments help in a better understanding for the students in case based or problem solving situation. Here at the School of Dental Sciences, we believe integrating education gives a broader view in looking and learning the subjects to their complete justification as a means of problem solving and provides the students with a complete picture.

Horizontal integration conducted by Dept of Endodontics with Dept of Prosthodontics for 4th year BDS students on 14th July 2023

Technological Integration: To improve lectures, demonstrations, and lab sessions, technological tools are being used including virtual simulations, internet platforms, and multimedia presentations. Learning has become more dynamic, engaging, and accessible with the use of advanced technology.

Peer-Assisted Learning: The students are assigned to study in pairs or groups to promote peer learning. This method promoted a collaborative learning environment by enabling students to share knowledge, clarify ideas to one another, and offer feedback.

Formative Assessments: Use of brief tasks, class discussions, and quizzes as regular formative assessments allowed to gauge the students' comprehension of various subjects all throughout the year. Students were able to enhance their performance by recognizing their strengths and faults through timely feedback.

Individualized Support: Students were offered individualized care via academic counseling, support services, and strong mentorship program. As a result, general academic progress and wellbeing were promoted and individual learning needs, difficulties, and concerns were identified and addressed. A robust and structured mentorship program is implemented, ensuring serious engagement. The mentor mentee meetings are held weekly and their concerns are discussed and addressed. The students are also motivated to engage in academic research activities and participate in co-curricular activities. Parent-teacher meetings are scheduled regularly after each sessional exam to provide updates on the child's personal and professional growth to the parents. One such meeting was held in March 2024, and another is scheduled for June 2024.

Research and Presentation Skills: Students' research skills, critical analysis abilities, and effective communication skills are developed by including research projects and presentations into the curriculum. This improved presentation skills encouraged in-depth comprehension of the subject matter. Starting from this year, under the supervision of their mentors, undergraduates also are actively participating in research and contributing to publications. Research topics are selected through RIC, and students are presently working on them.

In the current year, MRDC's undergraduate students have collectively published 20 articles, while postgraduate students have contributed 41 articles, and faculty members have published 63 articles. Additionally, there have been 18 patents filed, 10 seed money grants awarded, and 5 sponsored research projects funded through government schemes. The achievements also include numerous awards for best papers and posters won by students and faculty, along with a significant number of scientific papers and posters presented at national conferences. Furthermore, students have been honored with 7 research innovation awards, and faculty members have received 6 such awards. Moreover, 8 books have been published, and 7 Memorandums of Understanding (MOUs) have been signed during this year.

Guest Lectures and Workshops: Seasoned professionals, industry leaders, and guest lecturers are invited to give talks, lead workshops, and impart their useful knowledge to both the undergraduate and post graduate students. Students gained a wider perspective from this exposure, which also keeps them up to date on the most recent developments and trends in the industry. A total of 48 programs have been conducted, encompassing Continuing Dental Education (CDE), workshops, expert lectures, and other events in the Academic Year 2023-24.

Suicide Prevention Week Celebration (10-16th September, 2023)

A two day IEC programme was conducted on 14th & 15th September, 2023 to celebrate the Suicide Prevention Week commencing with theme "Creating Hope through Action" for fostering awareness regarding suicide prevention within the faculty members, under graduate, post graduate students and interns. "The IEC" activities were organized by the Student welfare and cultural committee of MRDC.

The two day event began with the poster competition with the same theme "Creating Hope through Action" provided by the United Nations for year 2021-2023 on 14th September, 2023 in the department Of Pediatric & Preventive Dentistry for all the students. About 25 students participated in the poster competition and many won various positions. The competition started at 2:00 pm with duration of one hour followed by evaluation of posters was done by Dr. Avantika Tuli, Professor & Head, Deptt. of Pediatric & Preventive Dentistry. All the participants showcased their creativity and portrayed their positive outlook and thoughts on suicide prevention through their posters.

On second day, a talk show was hosted by the institute from 2:00 pm to 3:00 pm on 15 th September, 2023 in LT2, MRDC. The programme started with a short documentary film on suicide prevention and bullying. The video was quite motivating focusing on the challenges faced by school children and college students. After that, an interactive TALK SHOW was conducted by Dr Riddhi Agrawal, Assistant Professor, Department of Applied Sciences, Faculty of Behavioural & Social Sciences, MREI. About 100 students and various faculty members of MRDC attended the session. Suicide prevention week proved to be a successful initiative in engaging students and promoting awareness about negative consequences of committing suicide. It also aided in circulating a strong message that suicides are preventable. The event highlighted the importance of fostering positive outlook and a stronger mind to deal with difficult situations during college life. They understood that suicide is never a solution to any of the problems.

Faculty Induction Programme-I on 16th October 2023

No. of Participants: 35

The Department of Conservative Dentistry and Endodontics at Manav Rachna Dental College marked World Endodontic Day on October 16, 2023.

This event was part of a new initiative by IFEA aimed at enhancing public awareness of the dental health challenges posed by endodontic diseases. It also aimed to educate the public about the preventive and therapeutic measures undertaken by endodontist and general dentists to preserve natural teeth.

The department arranged a range of activities for undergraduate students, including:

1. E-Poster /Video presentations
2. Photography contest
3. Reel it feel it
4. Play with clay and
5. Instrument mania.

The program commenced at 9:00 AM with e-poster and video presentations, which were evaluated by Dr. Sumit Bhateja, Professor and Head of the Department of Oral Medicine and Radiology.

Bhoomi Khanna clinched the 1st prize, while the 2nd prize was shared by Anshika Batra, as well as the team composed of Sanya, Riya, Sanchita, and Chestha. The 3rd prize was a tie between the team of Shikha and Sanya and the team of Satakshi and Vipul.

The photography competition was assessed by Dr. Nikita Mohale, Senior Lecturer in the Department of Orthodontics.

Ansh Mittal and Kanak jointly secured the 1st prize, while the 2nd prize was shared by Chandni and Vidushi. The 3rd prize was awarded to Riya and Divya Yadav.

An engaging quiz focused on dental instruments and materials took place between 1:00 pm and 1:30 pm.

The 1st prize was jointly claimed by the team of Akshita and Rashi. The 2nd prize was bestowed upon the team composed of Udit and Piyush, while the 3rd prize was awarded to Raashi and Radhika.

The Last event "Play with Clay" took place from 1:30 to 2:15 p.m. and was overseen by Dr. Manish Bhargava, Professor and Head of the Department of Oral Pathology.

The 1st prize was jointly awarded to Garvit and Anshika Batra. Ananyaa and Shruti Tiwari claimed the 2nd prize, and the 3rd prize was presented to Sanjana Mishra and Khusbu Singh.

CDE & Hands on Workshop on Photography in Clinical Dentistry 20th & 21st November 2023

Manav Rachna Dental College and Hospital, SDS, MRIIRS organized a 2-day CDE program and hands on workshop on "Photography in Clinical Dentistry" for the post-graduate students and faculty members on 20th and 21st November, 2023. The photography workshop was organized with the following broad objectives:

- Familiarize participants with the basic principles of photography, including camera settings, lighting and composition.
- Provide hands-on training on the selection and use of appropriate photography equipment for dental settings, including cameras, lenses, flashes, and accessories.
- Teach participants the techniques for capturing clear and detailed intraoral images, focusing on specific angles, positions, and settings to highlight various dental conditions.
- Explore techniques for capturing extraoral images, such as facial and smile photographs, to document overall oral health and treatment outcomes.
- Emphasize the importance of using photography for comprehensive clinical case documentation, including before-and-after shots, to aid in treatment planning and assessment.

Participants were able to know in detail about photography in clinical dentistry, followed by the hands-on training programme on photography. The resource persons for the programme was **Dr. Tarun Sharma** (Professor, Seema Dental College).

The programme commenced with the pre-assessment test of the participants followed by the brief introduction of importance of photography and maintenance of clinical records.

Day 1: Session 1

The first session was delivered by Dr. Tarun Sharma, which began with a pre-assessment test to assess the participants' basic knowledge. This was followed by brief introduction on the basic concepts of photography, emphasizing on key components of photography and parts of DSLR Camera.

Day 1: Session 2

The second session included a comprehensive discussion on the dental aspects of photography. The session aimed to highlight the importance of understanding why dental photography is essential in clinical practice, including diagnosis, treatment planning, documentation, and patient communication. This was followed by demonstration of the DSLR camera equipment, settings, patient and operator position for intra-oral and extra-oral photography.

Day 2: Session

The second day consisted of the hands-on session. The session aimed for the participants to gain practical experience and improve their skills. The participants were divided in groups according to their specialty. Hands-on practice was done to orient the participants' about the camera settings and equipment handling, focusing on different aspects of dental photography, including intraoral and extra-oral shots. The ultimate goal was to encourage and enhance the practical skills of the participants in photography and contribute to improved patient care and communication.

Research Innovation Talk

Department of Periodontology, Manav Rachna Dental College, SDS, MRIIRS organized a Talk on "Design Thinking" for the faculty members and Post graduates students on January 17, 2024. The resource person for the expert lecture was Dr. Amit Seth, Professor School of Leadership & Management, Director - MR NewGen IEDC. The lecture commenced with the introduction and warm welcome of Dr. Amit Seth by Dr. Pooja Palwankar (Prof. and Head of Department, Periodontology) and warm welcome of the participants. Thereafter, Dr. Pankaj Dhawan (Prof. and Head of department , Prosthodontics) and Dr. Pooja Palwankar felicitated the guest speaker with a sapling. The expert lecture was organized aiming to familiarize the faculty members and students about design thinking, various ways towards innovation, and to create new products. Dr. Seth also explained the methods with some examples to understand the customer needs and essentiality. During the session, the speaker made the teams to make participants understand innovation, exploded their creative ideas and strategies of what they want to innovate and develop. He also explained about NewGen IEDC and how the creative idea can turn into reality.

Social Initiatives:

From July 2023 to June 2024, the dental Out Patient Department treated 101,173 patients. Additionally, a total of 247 camps were conducted during this period, screening 20,700 patients.

1. Dental Community Consultancy Camp held at Tuglakabad – 22nd July 2023

2. Dental Community Consultancy Camp held at Jawahar Colony, Dabua - 31st August 2023

Student Induction Programme

“Deekshaarambh” 2023

The Student Induction Programme 2023, titled “Deekshaarambh”, was successfully conducted by MRIIRS for newly admitted students of both SET and other than Engineering programs for both undergraduate and postgraduate students between 10th July and 28th July 2023. Aimed at ensuring a smooth transition from school to university, the orientation was thoughtfully structured to familiarize students with the institution’s core values, campus environment, academic systems, and avenues for personal and professional growth.

The programme commenced with registration, welcome ceremonies and a spiritual Havan, setting a positive and auspicious tone. This was followed by inspiring addresses by senior leadership, including the Hon’ble Vice Chancellor Dr. Sanjay Srivastava and Pro Vice Chancellor Dr. Naresh Grover and Registrar Mr. R.K. Arora, and Other Central Unit heads who introduced the university’s vision, mission, academic processes, and diverse opportunities for students.

Following wide array of sessions and activities was thoughtfully organized to encourage active student participation throughout the programme:

- The university’s vision, mission, academic and quality processes, and diverse opportunities for students.
- Code of conduct and Anti-Ragging Awareness sessions emphasized creating a safe, inclusive, and zero-tolerance environment against any form of ragging.
- EMS Orientation familiarized students with digital attendance, examination, results, and other academic management platforms.
- Gender Sensitization Workshops sensitized students on gender equality, mutual respect, and the importance of inclusive behaviour.
- Ethics and Universal Human Values (UHV) Sessions cultivated emotional and moral development, focusing on mindfulness, empathy, and integrity.
- Library Orientation provided an overview of the O.P. Bhatta Central Library’s extensive resources, facilities, and research support systems.
- Awareness on Sports facilities to promote physical well-being and team spirit through various games and fitness exercises.
- Alumni Connect Sessions allowed new students to hear motivational stories and career guidance from successful alumni.
- Career Development and Resource Centre facilitated interactions that familiarized students with career pathways through insightful presentations delivered by the members of the CRC and CDC.
- Innovation and Incubation Centre highlighted university initiatives in startup ecosystems and incubator facilities to spark students’ entrepreneurial ambitions.
- Departmental Familiarization helped students connect with their faculty, understand lab facilities, and explore research and learning opportunities.
- Community Engagement through Village Visits provided experiential learning and fostered empathy as students interacted with local school children and contributed to social development initiatives under the Dr. O.P. Bhatta Foundation.
- Cyber Security and Road Safety Awareness Sessions empowered students with the knowledge to navigate safely in digital and physical environments.
- Sessions on Sustainability inspired students to engage actively in social and environmental causes for community welfare.
- Talent Hunt, Clan Engagement, and Cultural Activities through the department of Student Welfare provided a platform to showcase creative talents, connect socially, and develop a sense of belongingness within the university community.

Throughout the programme, enthusiastic participation was recorded through regular feedback. The activities were thoughtfully planned to balance academic familiarization with social, emotional, and physical development. Students expressed keen interest and appreciation for the enriching experience, which laid a strong foundation for their university journey.

CHAPTER-5

FACILITATION UNITS OF THE UNIVERSITY

5.1 Internal Quality Assurance Cell (IQAC)

IQAC at MRIIRS is committed to sustain its standards in education with its major objective as Quest for Excellence at all levels by:

- Developing and implementing a quality system for conscious, consistent and catalytic actions.
- Sustaining and enhancing the Quality Processes of the University.
- Measuring actual performance, determine deviations and provide feedback for improvement.
- Promoting the holistic academic and administrative excellence of the University.
- Organizing faculty and staff professional development programmes on quality related themes.

Major Quality Initiatives Undertaken by IQAC

5.1.1 ISO Certifications:

ISO 14001:2015 for Environment Management System of MRIIRS

MRIIRS is ISO 14001:2015 certified for Environment Management System since July 2022. The certificate got renewed during August 2023 by KVQA Certification Services Pvt. Ltd. This standard emphasizes the implementation of measures to reduce pollution, significantly aiding in environmental and climate protection.

ISO 50001: 2018 for Energy Management System of MRIIRS

MRIIRS conducted ISO 50001: 2018 for Energy Management System during the month of August 2023. ISO 50001:2018 is a standard for Energy Management Systems aiming to enhance energy efficiency and reduce environmental impact. Implementing this standard allows the institution to systematically improve energy performance, leading to cost savings and a reduced carbon footprint. By adhering to ISO 50001:2018, MRIIRS demonstrates its commitment to sustainable practices and continuous improvement in energy management and a culture of energy conservation and operational excellence.

ISO 21001:2018 for Educational Organization Management System of MRIIRS

MRIIRS proudly awarded the ISO 21001:2018 certification for its Management System for Educational Organizations on 25th June 2024. The process for ISO 21001:2018 (Educational Organization Management System) was initiated in August 2023:

- **Gap Audit:** Conducted on August 21, 2023, by an external auditor, Mr Sanjay Singh Provisional Auditor, IRCLASS Systems and Solutions Pvt. Ltd.
- **Internal Audit:** Conducted on January 29, 2024, for both Academic and Administrative Processes by **external Auditor:** Mr Rajesh Kumar Mandal
- **Management Review Meeting (MRM),** to review the compliance of observations received during the Gap Audit and Internal Audit, was held on March 15, 2024.
- **Stage 1 Audit:** Conducted on March 18, 2024, by an external auditor, Mr Sanjay Singh Provisional Auditor, IRCLASS Systems and Solutions Pvt. Ltd.
- **Stage 2 Audit:** Conducted from June 10 to June 12, 2024, by external Auditor, Mr Sanjay Singh Provisional Auditor (onsite), IRCLASS Systems and Solutions Pvt. Ltd. and Mr V. Balakrishnan, Team Leader (online). No non-conformities were reported during the audit

After the completion of Audits, MRIIRS received the ISO: 21001:2018 Certification on June 25, 2024. This certification highlights the university's commitment to providing high-quality education and continuous improvement in educational services. By adhering to ISO 21001:2018 standards, MRIIRS ensures a learner-centric approach, enhancing educational processes and outcomes, and thereby fostering excellence in teaching and learning. This honor reflects our steadfast commitment to delivering world-class educational services and achieving excellence in our management systems. ISO 21001:2018 sets the gold standard for educational institutions, prioritizing learner satisfaction, staff engagement, and stakeholder alignment through effective management practices.

This milestone is a testament to our dedication to educational quality, student satisfaction, and continuous improvement, all while aligning with global best practices and championing Sustainable Development Goals (SDGs) 4, 10, and 11.

5.1.2 E-Governance initiatives at MRIIRS

Manav Rachna International Institute of Research and Studies (MRIIRS) has subscribed to a comprehensive Cloud-based EMS (Education Management System) from M/S iCloud EMS (since AY 2017-18), Pune which provides integrated solution to enhance and digitize the processes including Admission, Fee, Student's academic life cycle, Transport, Hostel, Feedback, Grievance, Recruitment & HR processes and other administrative operations in the university through its web & mobile based applications. Apart from i-cloud EMS, multiple software's have been procured as per the requirement in different domains.

E-Governance prescribe policies and practices of the university in the matter of planning, implementation and offering of services through electronic-mode in the various areas of University Governance including administration, academics, examination, human resources, recruitment, training, performance appraisal, financial management, admission, placement, student and stakeholder support for efficient service delivery, improved productivity and transparency. MRIIRS encourages Academic and Central Units of the University to work and provide services more efficiently through Paperless Administration across the University with an objective to enable the Stakeholders of the University to avail most of the services in online mode with improved transparency in services and accountability in records. IT Department, MRIIRS acts as a nodal centre for the implementation of E-Governance across the University. For successful implementation of E-Governance, training programmes are conducted for teaching and non-teaching members of MRIIRS by IQAC, MRIIRS.

E-Governance initiatives taken during AY 2023-24:

- Digital Credentials downloading with TruScholar: All graduates are facilitated with digital degree certificates at their own portfolio at the Digilocker using Blockchain based technology.
- Security Guidelines: CERT- Computer Emergency Response Team guidelines for handling Computer Security Incidents were implemented at MRIIRS during the AY -2023-24
- Initial Process of Integration of Library Software-Koha with EMS: The process for integration of Library software-Koha with EMS has been completed and will be launched after the necessary training programmes.
- Implementation of module for Seating plan through EMS in main examinations
- A seating plan module is available on EMS to prepare a seating plan, define room, and define room capacity during the end-term examination. Attendance list can also be generated based on the allotment of rooms.
- Implementation of a module for Grade Wise Analysis of Results: A provision has been made for downloading of data pertaining to a particular grade of a student for a specific examination from the EMS examination module the rights has been assigned to the Controller of Examination.
- Implementation of module for Copy Scheme from previous examinations.
- Scheme from the previous exam session can be copied for the current exam session course on EMS to avoid the repetition of programme nomenclature and save the resources.
- Implementation of module for Generation of dues based on course credit for Previous Semester Courses (PSC) Examination
- As per the new guidelines approved, once the student applies for a PSC examination on EMS, dues will be generated based on the credits assigned to the course.
- Implementation of module for Auto creation of scheme and internal marks for re-appear examinations
- Scheme and internal marks of the students can be automatically fetched on EMS from the previous examination session for a course in which a student wishes to apply for a reappear examination.
- Implementation of a module for Access to the examination form after the due date and generation of dues based on the applied exam form the examination form is accessible at the admin level even after the due date so that in case of special cases, the examination form can be filled after the due date of examination forms after getting suitable approvals. Dues are generated based on the applied exam form.

Incorporation of the initiatives to enhance blended learning and the outcomes are as listed below:

*An increasing trend in student Enrollment and beneficiaries in terms of credit transfer for SWAYAM/NPTEL courses has been witnessed during the AY2023-24. Swayam Local Chapter of MRIIRS was amongst the TOP 100 Local chapters of India and was at 67th Rank with "A Grade" out of 5942 Local Chapters in Indian and 2nd in Haryana, Session July-Dec 2023.

Communication Gym

Communication is the life blood of any transaction, that takes place in the world and hence communication ability is the most sought-after non-academic skill by employers all over the World – irrespective of the industry or the job profile. Whether it is about being able to grasp what is being taught in the class, or appearing for an interview during recruitment or amalgamating well in a workplace, a person with appreciable communication skills is often seen surpassing his counterparts with lesser degree of interaction capabilities.

Manav Rachna in collaboration with Vision Net devised an integrated, one-of-its-kind Language Lab for providing its students state of the art facilities to make communication enhancement exercises engaging and fun-filled. This language Lab called the "Communication Gym" is equipped with interactive software that helps in providing individualized teaching to students, depending on their capabilities.

The Communication Gym uses a unique blend of Trainer-Led and Self-Led Learning. This methodology exposes the learner to both real-life scenarios and situational learning using simulation techniques, coupled with cutting-edge technology and multimedia rich content. Manav Rachna is proud to bring this feature to its students and ascertain that it will help them to gain the much required edge in this competitive World.

5.2.1 Highlights of few sessions organized by CDC MRIIRS

CDC Engagement at University: Beyond Classrooms

a. Soft Skills:

• Enhancing the Competencies (*Innovative pedagogies at play*)

CDC imparts essential competencies from the outset that includes Verbal, Aptitude, Soft Skills, and Technical (VAST) training. Incorporating insights from academic thought leaders and industry experts, the content remains cutting-edge. It uses innovative pedagogies such as case studies, role plays, presentations, team-based activities, video analysis, simulations, and peer learning. Students are presented with challenging scenarios designed to stimulate design thinking and prepare them to navigate the BANI world.

Mastering presentation Skills

Session on Case study analysis

• LSRW Springboard (Empowering students from diverse backgrounds)

CDC organizes several Soft Skills and English Language Workshops on Listening, Speaking, Reading, and Writing (LSRW), focusing on students from non-English speaking hinterland states of India. These sessions cover a wide range of critical skills, including writing skills, active listening, non-verbal communication, power phrases, reading skills, and business presentations.

These immersive workshops ensure maximum learning and growth, providing a platform for students to enhance their skills and shape their careers. It also allows the CDC to work towards empowering career pathways for students from all backgrounds.

b. Competitive Guidance

- **Excelling Proficiency with Cutting-Edge Skills (*Hands-on practice for budding maestros*)**

The Advanced Excel training for MBA students by CDC experts has turbocharged the professional acumen of students. Engaging case studies, expert-led sessions, and hands-on practice, help students conquer everything from basic formulas to advanced features like pivot tables and macros. Simultaneously, the Alibaba Cloud Developer Launcher Program, brought by IndiaSpark, delivered an electrifying cloud experience to BTech CSE and MCA students. With a 1-year free trial of ECS instances and the opportunity to earn a coveted certification, students plunged into cloud technology, deploying PHP websites and mastering real-world skills essential for their tech careers.

Excel Proficiency Training

Alibaba Cloud Developer Launcher Program

- **Fostering Soft Skills for Young Professionals (*Immersive experience for enhanced learning*):** Following prominent workshops and training were conducted:

People Skills Workshop for Interns: CDC orchestrated the Social Internship Program for students pursuing internships under the aegis of the Dr. OP Bhatta Foundation. A series of workshops were conducted for the interns that included students from Manav Rachna and UPES, Dehradun, with an eye to foster soft skills through sessions on Effective Communication, Survey Writing, Teamwork, Adaptiveness, and Report Writing.

- **Presentation Skills and Pre-Departure Training:**

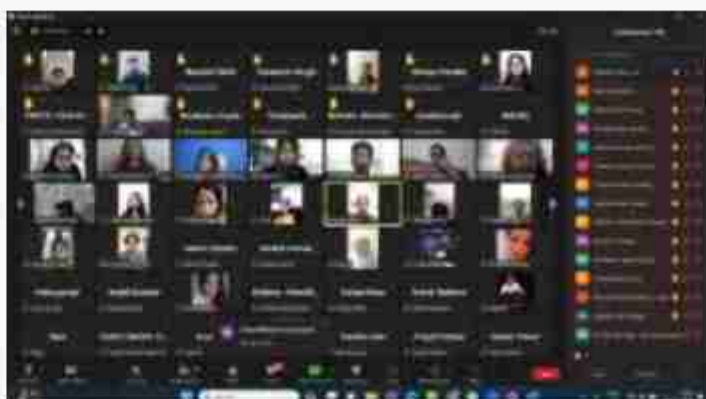

Soft Skills experts at CDC conducted specialized training to bolster the presentation skills of 15 Manav Rachna Dental College students invited by MAHSA University, Malaysia for student exchange and conference. The session culminated with a Pre-departure training which oriented students regarding key cultural facets of Malaysia. Students won laurels for their stupendous performance in conference presentations.

- **Grooming the Green Leaders:**

CDC trained students who qualified the national level of The National Environment Youth Parliament 2024, an initiative aimed at fostering environmental awareness and leadership among the youth of the nation. Training was provided in the area of effective communication skills, public speaking, code of conduct and professional attire and grooming.

The interactive exercises and thought-provoking discussions during the sessions equipped the students with practical skills and enhanced the student learning experience.

c. Career Counseling

- **The Final Frontier - Resume & GD-PI (Empowering students for the corporate arena)**

Team CDC conducts exclusive workshops for students on resume building, group discussions, and personal interviews throughout the semester. CDC experts share tailored insights on the key elements for enhancing their employability, thus empowering students for diverse professional and personal interactions. By excelling in these areas, students stand out in the job market and increase their chances of securing desirable positions.

- **Embracing LinkedIn Learning and Profile Building (Standout profiles for enhanced visibility)**

LinkedIn Learning has proven to be a valuable resource for acquiring industry-relevant skills and profile building. Concomitantly, CDC collaborates with various industries to foster leadership competencies among its students. A case in point is the visit of 15 chosen LinkedIn Campus Ambassadors to the LinkedIn Gurugram office to undergo a Young Leaders' Workshop to exhibit and gain proficiency in creative thinking, networking, critical thinking, and decision-making.

Young Leaders Workshop at the LinkedIn Office, Gurugram

LinkedIn and MHR Head Honchos

Fortifying deeper engagement through continuous collaboration, Manav Rachna LinkedIn Campus Ambassadors regularly interact with the LinkedIn team to strategize, focusing on impactful ideas. Additionally, students gain access to over 16K LinkedIn Learning courses in business, technology, and creative skills. They earn certificates of completion and obtain professional certifications from companies like Microsoft, GitHub, Adobe, and more. Profile-building sessions by CDC team emphasize LinkedIn's importance, training students to enhance their profiles by highlighting key qualities and best practices, thereby boosting their employability and networking opportunities.

- **Career Guardians (Acing the placement process)**

An exciting initiative by the CDC team, the CDC Mentorship Program, one-on-one student mentoring on employability skills helps CDC bolster its commitment to empowering students by providing them with personalized mentoring sessions. These sessions, where the team of experienced mentors work closely with students, and focus on areas such as communication skills, resume building, presentation skills, interview preparation, and more, are designed to complement our existing workshops and provide students with individualized attention and guidance.

One-on-one student mentoring

- **Enhancing Employability with AMCAT Assessments (Nurturing the future maestros)**

CDC with SHL organizes a series of AMCAT Orientations and Assessments for BTech, MBA, and MCA students to support our students' journey toward a brighter future. The AMCAT is a cutting-edge assessment that measures employability skills, including logical reasoning, quantitative aptitude, communication abilities, personality traits, English comprehension, and domain expertise. The orientation sessions, led by Team SHL, highlight the pivotal role of AI-based adaptive assessments in today's recruitment landscape. AMCAT assessments provide students with valuable insights into their strengths and areas for improvement, helping them ace the placement process.

- **The Finishing Touches (Bootcamp for enhancing competencies)**

To augment cognitive and non-cognitive competencies, CDC orchestrates a "Boot Camp/Crash Course Training Program" for students to enhance their key competencies like analytical thinking, interpersonal effectiveness, decision-making abilities, critical thinking, and problem-solving abilities. This is achieved through intensive training sessions conducted by industry experts and in-house trainers. A series of mock interviews and personalized feedback sessions help students refine their hard and soft skills.

CDC BootCamp in Progress

- **Advancing Careers (Embarking on the right career path)**

A wide range of career avenues are available to students after graduation, including higher education through MBA, pursuing government jobs, placements, or PSU jobs. Various sessions on clearing doubts about career paths after graduation, along with guidance on exams like CAT, GMAT, TOEFL, and GRE, are organized for our students to embark on the right career path, in association with agencies like the Career Launcher, ETS, etc. Tips for effective preparation, recommended study materials, practice resources, and time management strategies were also provided to the students.

- **Inspiring Future Nation Builders (Cracking the UPSC code)**

In collaboration with Samkalp IAS Academy, CDC hosted a seminar on cracking the prestigious UPSC Civil Services Examination. The Expert speakers were Mr. Ankur Aggarwal, the Academic Director of Samkalp IAS Academy, Dr. N. C. Wadhwa, Ex IAS and Director General-MREI and Ms. Madhu Prabhakar, the General Secretary of Madhav Shirshti Nyas. Students were provided guidance on crucial aspects including the syllabus and pattern of the UPSC exam. Inspiring journeys of past toppers and the significance of timely preparation were shared which further motivated the participants.

- **Global Pathways (Nurturing study abroad aspirations)**

CDC orchestrated events to nurture and support students' aspirations for studying abroad. Mr. Jason Matangi, Director of Global Engagement and Development, University of Waikato, New Zealand, on his visit to the campus, provided tailored insights for both undergraduate and postgraduate students, addressing the unique challenges and expectations students face when preparing for higher education abroad. CDC in collaboration with Estero Education Services, also organized the New Zealand Education Expo, which featured the participation of 7 top universities from New Zealand. Students learned about top programs, application processes, immigration pathways, green list programs, startup culture, employability support, and more, proving to be a valuable exploration of higher education opportunities in New Zealand.

e. Empowering Educators (Training the Trainers)

Highlighting our commitment to fostering international collaborations, promoting cross-cultural exchanges, and igniting innovative initiatives in education and research, a delegation, led by Dr. Kim Bul, Assistant Professor at the Centre for Intelligent Healthcare, from Coventry University visited Manav Rachna and interacted with educators and researchers, zeroing in on pressing issues like postpartum health risks in the UK and India, while also exploring impactful funding opportunities.

In collaboration with Educational Testing Service (ETS), a GRE & TOEFL conducting body, CDC organized an LSRW Training workshop to enhance the verbal competence of trainers through discussions, activities, and practical exercises. These sessions were a resounding success, providing a platform for continuous learning and skill development.

f. Recognizing Excellence (Identifying the mavericks)

As part of its vision to nurture talent and foster an environment where excellence thrives, CDC organized the 'उत्सव of Excellence' - CDC Rewards & Recognition for Jan-June 2024. This multi-level event celebrated our students' achievements and showcased their talents. Through activities like the Mind Maze, Scavenger Hunt, and Impromptu Faceoff, we tested the students' mental acuity, teamwork, and quick thinking, while boosting their confidence and collaborative skills. Our students' relentless spirit and determination are a testament to the pursuit of excellence that defines our institution.

g. Rewards and Recognitions

As per the AMCAT scores of 2023 Batch Engineering & MCA students, MRIIRS has been chosen for the National Employability Award 2024 by SHL. The award is given to the campuses for being amongst the top 10% engineering campuses at the national level or in their respective states. The awards, started in 2012 by SHL, are the only awards given on the basis of actual performance of students on a standardized test (English, Logical & Quantitative) and not on the basis of superficial factors like infrastructure, faculty, etc.

IEC is a constituent facilitation unit of Manav Rachna International Institute of Research and Studies (MRIIRS), formerly Manav Rachna International University (MRIU) which primarily looks after all matters relating to initiation, development, establishment and sustenance of relationships and tie-up with Foreign Education providers and their representatives in India and abroad. With its global outlook and reach, MRIIRS has much to offer in the way of learning opportunities both inside and outside the classroom at Under Graduate, Post Graduate & Doctorate level in a truly International Environment. It aims to develop and sustain viable, strong and long-term International relations in the field of education with the perspective of benefit to the students. The major role of IEC is to enhance MRIIRS's International image on local and International Platform, to explore new relationships; to establish communications with International Educational organizations and providers and also to explore avenues to attract students from abroad, so that University recognition remains glow on the horizon.

The areas of International Cooperation include:

- Exchange of Undergraduate and Graduate scholars;
- Exchange of Faculty and Staff members;
- Joint Research and Consultancy activities;
- Participation in Seminars and Academic meetings;
- Exchange of Academic Materials and other information;
- Special short-term academic programs and projects;
- Cooperation in Curriculum development
- Collaboration in International Seminars and Conferences
- Cooperation in quality assurance
- Collaboration in Education export

The International Education Centre also endeavors to explore and develop potential Partners for Joint ventures in India and Abroad. Besides, it provides a platform for Foreign Faculty for Guest Lectures at MRIIRS and tie ups for International Accreditations and Recognition. The University has entered into partnerships and tie ups with various Foreign Universities and Institutes across the globe including USA, UK, Australia, Canada, Finland, New Zealand, Kyrgyzstan, Argentina, Turkey, Vietnam and many more. We at MRIIRS, take it as our additional responsibility towards our International students, as large numbers of foreign students join our University every year. Keeping in mind the same we have formed an International Students Welfare Committee run by experienced professionals with a well rounded global exposure to attend to the foreign student's in capacity of personal, administrative and academic grievances in the University though this is at the time of their induction, at their joining or thereafter during their stay as the students of MRIIRS. The University authorities leave no stone unturned in developing and coordinating activities to create and enhance a global awareness and diverse cultural educational environment especially for the foreign students. The University provides a single window service facility to all its international students through the International Education Centre, IEC.

5.5 Manav Rachna Innovation and Incubation Centre (MRIIC)

MRIIRS actively promotes innovations and other initiatives for the creation and transfer of knowledge. The university has created a robust ecosystem of Innovation for harnessing young minds and their innovation potential in an academic environment which provides solutions to many societal and industrial problems. MRIIC is a seminal initiative of MRIE and is dedicated to Founder Visionary Dr. O.P. Bhatta whose dream was to encourage research, innovation and entrepreneurship to help the students to develop professional entrepreneurial ability and mindset to set up their own enterprises. It has been established with a view to cater to the needs of students and faculty members who are inclined towards research, innovation, and novel ideas.

The Centre through its various activities encourages both engineering and non-engineering students across various departments to develop innovative and creative business ideas which in the subsequent stages are incubated to convert into successful enterprises. The Centre is instrumental in coordinating entrepreneurial education so that they develop necessary background to take up viable and feasible start-up ventures. The Centre regularly organizes business plan competitions through which meritorious projects are identified and selected for direct support.

The brief outcomes and initiatives of MRIIC taken during the AY 2023-24 are as outlined below:

- **Scratch Olympiad 2023**

In June 2023, the Manav Rachna Institute of Research and Studies successfully organized the 7th International Scratch Olympiad, an exciting competition designed to encourage and showcase the creative coding talents of students. This event provided a fantastic opportunity for young minds to enhance their programming skills, collaborate with peers, and express their creativity through the popular Scratch platform.

The Scratch Olympiad has been a significant annual event for the past 2-3 years, growing in popularity and participation each year. It serves as a platform for students to demonstrate their understanding of coding principles, creativity, and teamwork through a series of innovative challenges and projects.

The main objectives of the 7th International Scratch Olympiad 2023 were:

1. To encourage students to develop and showcase their programming skills.
2. To provide a collaborative environment for students to work together and learn from each other.
3. To inspire innovation and creativity through coding challenges.
4. To foster a spirit of teamwork and problem-solving among participants.

• **Smart India Hackathon (SIH) 2023**

Smart India Hackathon (SIH) is a nationwide initiative by the Ministry of Education's Innovation Cell, fostering a culture of innovation and problem-solving among students. It addresses real-world challenges faced by the government, ministries, industries, and organizations. Since its inception in 2017, SIH has grown into the world's largest open innovation model, offering Software and Hardware Editions for higher education students.

Organized by the Ministry of Education's Innovation Cell and All India Council for Technical Education, SIH 2023 has media partners Doordarshan and Akashwani, with AWS and Hero as official partners, and Hack2Skill as the knowledge partner. Manav Rachna International Institute of Research & Studies is a nodal centre for the Smart India Hackathon Hardware edition. Thirty-two teams, comprising 230 participants and mentors, compete against six problem statements from the Ministry of Power. The program, inaugurated by the Ministry of Education on December 19, 2023, underscores the commitment to fostering innovation among the youth. The program's inauguration featured notable guests, including Prof. (Dr.) T.G. Sitharam, Chairman of AICTE, Dr. Abhay Jere, Vice Chairman of AICTE, Dr. Prashant Bhalla, President of MRIIRS, Dr. Amit Bhalla, Vice President of MRIIRS, and other dignitaries. This event not only highlighted technical innovation but also emphasized the importance of physical well-being and stress management for participants. The government's commitment to fostering innovation and providing a platform for students to address real-world problems was evident throughout the event.

- **Dark Patterns Buster Hackathon 2024**

An event was organized on 31st January 2024 by the Manav Rachna Institute of Research and Studies. This event marked the 2nd round of the Dark Patterns Buster Hackathon for the year 2023. The hackathon aimed to bring together talented individuals to solve complex problems and innovate in various fields of technology. The event saw participation from a diverse group of individuals, including students, professionals from different institutions and organizations. The total number of participants was significant, showcasing a wide interest and enthusiasm for the hackathon. The Dark Patterns Buster Hackathon (2023) - 2nd Round saw a total of 40 participants forming 14 teams, representing different institutions.

The Dark Busters Buster Hackathon (2023) - 2nd Round, organized by the Manav Rachna Institute of Research and Studies, was a resounding success. It not only provided a platform for innovation and collaboration but also adhered to high standards of compliance and participant satisfaction.

- **Arduino Day 2024**

On 21st March 2024, the Manav Rachna Institute of Research and Studies successfully organized Arduino Day, a vibrant event celebrating the versatile Arduino platform. This event was designed to encourage innovation and hands-on learning in electronics and programming among students. It featured various competitions, demonstrations, and collaborative activities, aiming to foster a spirit of creativity and technical skill development.

Arduino Day 2024 saw enthusiastic participation from eight teams, including two teams from Greater Noida. The diverse group of participants highlighted the widespread interest in electronics and programming across different regions. Each team brought unique projects and ideas, contributing to the dynamic and inspiring atmosphere of the event.

The event featured several competitions where teams presented their innovative projects using the Arduino platform. The projects ranged from automated systems and smart devices to interactive gadgets and creative installations. The judging criteria included originality, technical proficiency, practical application, and overall presentation.

To acknowledge the efforts and participation of all teams, participation certificates were distributed to every participant. This gesture aimed to recognize their hard work, encourage continued learning, and motivate them to pursue further projects in electronics and programming.

Arduino Day 2024 achieved its objectives of fostering creativity, collaboration, and technical skill development among students.

- **The Memorandum of Understanding (MOU) with Raspberry Pi Foundation**

In a significant move to enhance educational initiatives and promote digital literacy, the Manav Rachna Institute of Research and Studies signed a Memorandum of Understanding (MOU) with the Raspberry Pi Foundation on 4th April 2024. This partnership aims to leverage the strengths of both organizations to provide comprehensive resources and support for educators and students in the field of computing and digital making.

The Raspberry Pi Foundation is a renowned organization dedicated to promoting education and providing affordable computing solutions worldwide. In India, the foundation's initiatives are spearheaded by Ms. Vasundra, who has been instrumental in expanding its reach and impact across the country. The primary objectives of the MOU include:

1. **Enhancing Digital Literacy:** To provide students and educators with access to high-quality educational resources and tools related to computing and digital making.
2. **Promoting STEM Education:** To encourage interest and proficiency in Science, Technology, Engineering, and Mathematics (STEM) through hands-on learning and practical projects.
3. **Teacher Training and Support:** To offer training programs and continuous support for educators to effectively integrate Raspberry Pi into their teaching practices.
4. **Collaborative Projects:** To foster collaborative projects and research initiatives that leverages the capabilities of the Raspberry Pi platform.

The signing ceremony of the MOU took place at the Manav Rachna Institute of Research and Studies, attended by key representatives from both organizations. Ms. Vasundra, the founder of Raspberry Pi initiatives in India, was present to formalize the partnership. Her vision and commitment to enhancing digital education were central to the discussions and future plans outlined during the ceremony.

- **Future Tech Workshop 2024**

On 20th June 2024, the Manav Rachna Institute of Research and Studies organized the Future Tech Workshop, focusing on the versatile Raspberry Pi Pico. This workshop aimed to introduce participants to the capabilities of the Raspberry Pi Pico and explore its applications in various tech projects. Faculty members from the Echelon Institute of Technology, as well as other educational institutions, participated in the event and expressed their appreciation for the workshop's content and organization.

The workshop saw active participation from faculty members across different educational institutions. Notably, faculty members from the Echelon Institute of Technology were present, along with several other school faculties. The diverse group of participants ensured a rich exchange of ideas and experiences, contributing to the workshop's overall success.

- **Training Workshop: Company Incorporation**

On June 9th, a workshop on Company Incorporation was held at the Incubation Center. The workshop was conducted by CS Arun Goel, a company secretary with extensive experience in corporate law and compliance. The workshop aimed to provide aspiring entrepreneurs, business owners, and professionals with insights into the process of incorporating a company and the legal requirements involved.

- **Training Workshop: Legal Compliances**

On June 16th, 2023, a highly informative and engaging workshop on legal compliances was conducted by CS Arun Goel at the Incubation Center. The workshop aimed to provide participants with a comprehensive understanding of legal requirements and obligations for businesses and startups.

- **Training Workshop: Business/Revenue Model**

On July 7th, 2023, a workshop on Business and Revenue Model was held at the Incubation Center. The workshop was conducted by Dr. Amit Seth, Director MR NewGen IEDC. The event aimed to provide participants with valuable insights and practical knowledge about developing effective business and revenue models to drive success in their ventures.

- **Workshop On Idea Pitching**

On the 14th of July 2023, a dynamic and engaging workshop on Idea Pitching was conducted at MR NewGen IEDC. Dr. Amit Seth, a seasoned expert in entrepreneurship and innovation, served as the resource person, guiding participants through the intricacies of presenting ideas effectively. The workshop aimed to equip attendees with the skills necessary to articulate and sell their ideas persuasively.

- **Customer Acquisition and Value Creation**

The workshop on customer acquisition and value creation, conducted on 21st July 2023, was a dynamic session aimed at exploring effective strategies for acquiring customers while emphasizing the creation of substantial value within business frameworks. Dr. Amit Seth, expert in marketing and business development, led the workshop, offering valuable insights and practical approaches to the participants.

- **National Seminar and Investor Meet**

The National Seminar and Investor Meet emerged as a landmark event, bringing together key players in the startup ecosystem. The insightful sessions, investor pitches, and expert guidance provided a holistic experience for all participants. The knowledge shared and connections forged during these two days are expected to catalyze the growth of the participating startups, further contributing to the vibrancy and dynamism of the entrepreneurial landscape.

- **SonipatStartup Summit 2023 at AIC HT Delhi**

The second edition of the “Sonipat Startup Summit 2023” organized by AIC HT Delhi took place from September 21st to 22nd, showcasing an assembly of promising startups, innovators, and budding entrepreneurs. The event aimed to provide a platform for groundbreaking ideas and solutions that have the potential to shape the future of technology and address existing challenges.

- **Expert Mentoring Session on Startups with Mr. Amit Shah, Co of Office**

The two-day event served as a melting pot of innovation, collaboration, and knowledge-sharing. The Expert Mentoring Session with Mr. Amit Shah, combined with the diverse range of startups, made it a memorable and impactful experience. We extend our gratitude to all participants and look forward to future events that continue to nurture and celebrate entrepreneurial spirit.

- **India Mobile Congress (IMC)**

India Mobile Congress (IMC) is the largest telecom, media, and technology forum in Asia, jointly organized by the Department of Telecommunications (DoT) and the Cellular Operators Association of India (COAI).

Since its inception, IMC has established itself as a leading forum for bringing together industry, government, academia, and other ecosystem players to discuss, deliberate, demonstrate and display the latest trends in the realm of TMT and ICT.

Not only is the India Mobile Congress the biggest technology event in Asia, but it is also the biggest networking event in India in the technology space. Through an immersive showcase of revolutionary innovations, our mission is to catapult India into the limelight, becoming a beacon of the all-encompassing digital transformation shaping the future.

This event was conducted on 28TH, 29TH AND 30TH OCTOBER 2023 at Pragati Maidan New Delhi

Our Startup i.e. Netra SS got the opportunity to attend the event.

- **Award and Recognition:**

5.6 Manav Rachna International Institute of Research & Studies-Alumni Association

Established in February 2014 under Manav Rachna Vidyanatariksha Foundation, Manav Rachna International Institute of Research & Studies Alumni Association is a strong Alumni Network of socially responsible and skilled individuals who share the Manav Rachna heritage. The Alumni Association has taken numerous initiatives to build a robust alumni community which guides and mentors' students to take up research projects and thesis to support global change. Alumni association organizes Alumni Lectures, Seminars, Workshops and Alumni Meets and various engagement activities. These activities and events go a long way in bridging the gap between the students and Alumni and help them to take forward this Innovative Race.

Some additional initiatives:

Newsletter: It provides valuable resources and exciting updates and also keeps the alumni in loop with the latest happenings at the university.

Utkrishi: The book showcased the transformative power of education through the inspiring journey of the established alumni inspiring generations to strive for excellence, the second edition had 26 success stories and 12 special mentions.

Alumni Tab: The tab on the Manav Rachna website which includes Newsletter, Alumni Portal and other initiatives from the Alumni department.

Alumni Helpdesk: It provides personalized assistance and support to help the alumni with all the queries related to post college documentation and other requirements.

5.7 Student Facilitation Centre (SFC)

Established in October 2018, the Student Facilitation Centre (SFC) complements the services available on campus and is the first point of contact for prospective as well as enrolled students for most of their general queries during their academic life at Manav Rachna.

Vision: To make the academic journey of Manav Rachna students smooth during their time at the Campus

Mission: To bring a one-stop solution to all students' needs – a single window grievance redressal system that allows students to seek resolution of issues without unnecessary mediation.

Goal: To develop a strong connection between students, management and relevant stakeholders through transparent and conducive communication channels.

Objective: To ensure a seamless admission process, continuous student engagement and effective problem resolution for all the students on Campus.

Modus Operandi: The Front Desk at E-Block becomes the first point of contact for prospective and enrolled students. The centre connects the student to the decision-making authority for addressing their concerns, and obtaining a speedy verdict, thus eliminating the need for multi-party liaisoning.

Requests accepted: The remedial requests include but are not limited to:

INFRASTRUCTURAL FACILITIES

6.1 Dr. O.P. Bhalla Central Library

A university is usually described as a community where scholars and teachers are the head; students are the body and the library is its heart. The philosophy truly reflects from a quote from the Report of the Radhakrishnan Commission on University Education: "The library is the heart of all the University's work; directly so, as regards its research work, and indirectly as regards its educational work which derives its life from research work." Dr. O.P. Bhalla Central Library, inaugurated by Dharma Guru Shri Swami SatyaMitraNand Giri Ji Maharaj at Manav Rachna International Institute of Research and Studies, has been named in memory of its founder, the great prodigy and leading luminary of educational excellence, Dr. O.P. Bhalla. RFID and Wi-Fi enabled library offers the latest state-of-the-art technological applications, including e-books, audio-books, e-journals, and kindles to maximize the use and keeping in pace with the above spirit and MRIIRS's goal to promote quality education, the spacious Central Library offers a platform for research, innovation and development. It has a collection of more than 3, 75,038 documents in print and electronic format. The library offers a balanced combination of print and digital collections by adding 670 volumes of print books during AY 2023-24. The library is subscribing E-Resources like EBSCO Business Source Elite, IEEE Explore Digital Library, EBSCO SPORT Discus, EBSCO Dentistry & Oral Sciences Source (DOSS), EBSCO Academic E-Books Collection, CMIE States of India, SPSS, Grammarly, Turnitin & Drill bit- Anti Plagiarism Software and Remote Access Solution (MapMyAccess). Library has also DELNET- Development Library Network- Institutional Membership.

The Collection Strength of the Library is as below:

Print Books	126038 Volumes, 24779 Titles

- Dr. O.P. Bhalla Central Library, in collaboration with the esteemed institutions of the School of Allied Health Sciences and the School of Dental Sciences, orchestrated a highly informative and enlightening session on "How to use EBSCO Sports Discuss and DOS platforms" on October 20, 2023. The primary objective of this event was to shed light on the effective usage of two notable platforms: "EBSCO SPORTSDiscuss" and "DOS." The resource person Mr. Ritesh with his expertise guided the attendees through the intricacies of these platforms. He meticulously elaborated on the features of the platforms and offered a step-by-step tutorial on how to navigate the user-friendly applications.

- Dr. O.P. Bhatta Central Library organized the workshop "Drillbit Plagcheck Software for Academic Integrity and Quality Research" in collaboration with Internal Quality Assurance Cell on February 09, 2024. The resource person Dr. Rajesh Kumar University Librarian, Central Library, MRIIRS provided an insightful introduction to the Drillbit Plagcheck Software. He highlighted its relevance in the contemporary academic landscape and the imperative need for tools that ensure research authenticity. Dr. Kumar further elaborated on the concept of academic integrity, elucidating its importance in fostering a research culture that values originality and ethical conduct. Further Session was provided by Mr. Abhiyas Singh, the Regional Manager at INFLIBNET, who conducted a live demonstration of the Drillbit Plagcheck Software. His presentation included practical insights into utilizing the software effectively for plagiarism detection and prevention.

6.2 IT Cell

Department of ICT is the core department of Technology and Communications within and outside the world of Manav Rachna Educational Institutions.

All the Manav Rachna Institutions are equipped with the latest available technology and serviced by strict service level agreement. The ICT department is in process of replacing all the conventional teaching methodology with latest and modern equipments viz Smart Boards, Lecture capture system, Cloud Storage etc.

As a part of supporting legitimacy of the software usages, the ICT department of Manav Rachna drives the entire support and services through defined and approved policies.

The detail of ICT facilities available at MRIIRS during the period under report are given below:

- The University deploys excellent IT Infrastructure in carrying out activities like academic delivery, administration and services.
- The concept of Green Computing Pilot with Central Library.
- Desktops, Laptops, Printing facility
- Internet access through DHCP 1 Gig
- Firewall: Fortinet
- Cloud Storage facility
- Multiple Wi-Fi Access Points: from Campus network owned by university and more than 120 paid services through Reliance JIO and Airtel.
- LAN facility (HP Procurve, HP POE, Fortinet).
- Physical security surveillance through CCTV covering indoor and outdoor.
- Prominent Applications software: Eviews, Nvivo, Houdini, V-Ray, Semrush, EPWRF, Xilinx ISE 13.1, OR-CAD Engineering Suite, MATLAB, Simulink with various toolboxes, LabView, Figma, Cadence, Stata, Adobe Creative, Corel Draw, Sony Sound Forge, Microsoft Projects along with complete Microsoft Office 365 suite.
- The university campus is covered under Master Agreement with Microsoft for campus agreement for compliance of the Licenses to avoid any Software Piracy.
- LCD/LED Projectors.
- In-house Troubleshooting & Repair Centre.
- Dish Satellite system connected with Classroom Projectors for MOOCS and Swayam the Initiative by Govt of India for collaborative and enhanced training by the Indian premium Institutes.
- Email facilities to all staff, faculties and students for seamless communication.
- Video conferencing.
- Facility for hybrid and remote classroom faculty.
- Smart Board.
- Security visitor attendance and managed --software.

The major initiatives and the associated outcomes obtained during the current Academic year 2023-24 are highlighted as below:

S. No.	Initiatives Taken	Impact Analysis with Outcome
1	Subscription of Cloud Storage	Cloud storage ensures reliable disaster recovery and backup of User's Video files and Documentations.

2	To support green technology, collating the printing system through central reprographics system.	Implementing a central reprographic system at Manav Rachna Institutions results in significant cost savings by reducing the need for multiple printers and associated maintenance. It enhances operational efficiency with streamlined processes and centralized management, leading to reduced downtime. The system promotes environmental sustainability by decreasing energy consumption and paper waste. Overall, it improves resource management, enhances the user experience for each and every staff and supports the university's sustainability goals.

6.3 Healthcare Facilities:

Manav Rachna Campus offers a wide range of Health and Welfare Services that are easily accessible to all students and staff. The university is committed to maintaining a well-equipped medical facility capable of addressing both emergency situations and minor health concerns. On-campus, highly trained physicians and nursing staff are available around the clock to handle medical emergencies and provide immediate care to those in need. In addition to the medical centre, the university is equipped with two modern, fully equipped ambulances that ensure rapid responses to any emergency, further enhancing the medical safety of both staff and students.

These ambulances are strategically stationed to facilitate quick transportation in the event of a critical situation, ensuring that prompt care is delivered when necessary. The campus also features a dedicated First-Aid Room and separate sick rooms for male and female students, offering comfort and privacy to those in need of rest or care. Furthermore, the university has a state-of-the-art Outpatient Department and a specialized Nutrition and Diet Clinic, providing comprehensive medical services, health consultations and dietary support to promote overall well-being. The Dispensary, managed by Sarvodya Hospital, is also available for dispensing medications and addressing routine health concerns. Additionally, students and staff can consult a Medical Consultant during specified hours on all working days, ensuring that expert advice and care are readily accessible whenever needed.

- **Dental OPD:**

The Dental College is 1st college to be NABH Accredited by 3rd edition standards. It is a department comprising of highly skilled and experienced doctors who excel in various specialized areas of dentistry, such as Orthodontics and Dentofacial Orthopedics, Periodontology, Prosthodontics, Oral Pathology & Microbiology, Conservative Dentistry and Endodontics, Pediatric and Preventive Dentistry, Oral Medicine and Radiology, Oral & Maxillofacial Surgery and Public Health Dentistry. From July 2023 to June 2024, the Dental Outpatient Department (OPD) provided comprehensive dental care to 104245 patients. This is reflected in the quality care provided to the patients who entrusts us with their healthcare needs.

- **Diet and Nutrition Clinic**

Manav Rachna International Institute of Research & Studies has its own Diet and Nutrition Clinic, offering specialized nutrition counselling for various metabolic conditions. The clinic's primary objective is to provide nutrition support, including nutritional assessments, awareness and guidelines to prevent both communicable and non-communicable diseases. It also focuses on the treatment of metabolic disorders. The clinic caters to patients with a range of conditions, including hypothyroidism, diabetes, kidney and liver disorders, hyperlipidaemia, hypertension, obesity and weight management. Additionally, health camps are regularly organized in different areas of Delhi and NCR to reach individuals who may not be able to visit the OPD. These camps provide free consultations and assessments, helping people understand their health conditions from a nutritional perspective and offering guidance on the dos and don'ts to improve their well-being.

- **Mental Health Support at MRIIRS**

At the Manav Rachna International Institute of Research and Studies (MRIIRS), prioritizing the mental well-being of our campus community is of utmost importance. The foundation of any nation's sustainable development rests on the health of its people—physically, emotionally, psychologically, and socially. The School of Behavioural and Social Sciences at MRIIRS proudly houses one of the region's first 'Human Lab,' located in Haryana and Delhi-NCR. This innovative lab focuses on emotional, behavioural and mental health support through comprehensive assessments and psychometric profiling. Equipped with over 50 standardized tests and psychological tools, the lab evaluates various aspects of human well-being, including physiological, psychological, behavioural, emotional and spiritual characteristics, across children, adolescents, adults and the elderly. Additionally, MRIIRS offers career counselling and employability skills training. Our counselling and psychotherapy services are available to students across all Manav Rachna Educational Institutions, assisting with interpersonal issues, emotional distress, health and wellness concerns, anxiety, depression, self-esteem and adjustment challenges. Through psychometric profiling, students gain insight into their personal strengths and areas for growth. Regular assessments track their progress, helping them develop both personally and academically. The Human Lab also organizes ongoing health awareness and mental health initiatives.

The MRIHS Counselling Cell (Manovriti: A Wellness Centre) provides comprehensive support to students, faculty, staff and the local community, addressing various life challenges. It also offers specialized assistance for LGBTQ+ issues, gender identity, sexual orientation and other mental health concerns. Recognizing the global mental health crisis highlighted by the World Health Organization, the institute has established this counselling cell to provide vital psychological support to our campus and the surrounding community. Through its services, the Department of Psychology at MRIHS ensures a safe and supportive environment where individuals can openly discuss and resolve their difficulties.

6.4 Sports Infrastructure

Manav Rachna boasts a range of sports facilities spread across its campus and a dedicated Sports Academy in Faridabad. Embracing a sports-centric philosophy, MRIIRS integrates sports as a parallel medium of instruction, fostering healthy minds and bodies. Its world-class infrastructure supports total sports management, nurturing talent from pre-primary to university levels. The campus offers top-tier facilities for outdoor and indoor games, including basketball, volleyball, cricket, shooting, table tennis, squash, billiards, soccer, chess, and carom. Highlights include a 25m Shooting Range and a 10m air-conditioned Indoor Shooting Range with SIUS Ascor Olympic-standard electronic targets. Additionally, indoor badminton and table tennis stadia with synthetic courts are supported by Yonex and Stag. A Semi-Olympic-sized swimming pool, Soccer Academy and a Sports Fitness Centre addressing psychological, physiotherapy and health needs enhance the experience. These facilities rank among the best in Haryana, making Manav Rachna a hub for holistic sports education.

Highlights of various facilities are mentioned below.

Squash Court – MRIIRS has a fantastic squash court installed by Syncotts International, featuring Maple Wood flooring, situated on the 2nd floor of A Block. The court is equipped with lighting and air conditioning and measures 9.75 meters in length, 6.4 meters in width, and 5.64 meters in height. Additional sports facilities, including carrom and chess boards, are also available.

Shooting Range No-1 – MRIIRS features a 25-meter and 50-meter shooting range at the Staff Quarters on the MRIIRS campus. This facility was inaugurated by Sh. Kiren Rijiju, the Sports Minister of the Government of India, on January 19, 2021, at the Manav Rachna International Institute of Research and Studies. The honorable Union Minister for Sports, Sh. Kiren Rijiju, officially opened this unique convertible shooting range at the Manav Rachna campus.

Shooting Range No- 2 - MRIIRS offers two fully air-conditioned 10-meter shooting ranges located in the basement of Q Block. One range has 13 manual targets, while the other, known as the final range, features 8 SIUS electronic targets with monitors. This facility is equipped with modern amenities for both shooters and spectators, including locker rooms, modern washrooms, and an exercise area.

Cricket Ground - The cricket ground on campus is situated in front of K and L Block. This 40 by 40 meter lush green field is equipped with floodlights and features two well-maintained turf pitches.

Soccer Ground - MRIIRS has a modern soccer ground measuring 50 by 80 meters, located between the Staff Quarters and Q Block

Indoor Sports Arena - We have a wonderful Indoor Sports Arena in the area of 7700 Square feet at Q Block Basement with the facilities of a Badminton Court, 6 TT Tables, 3 Billiards Tables & 3 Pool Table & Indoor Gym. 6.5 Food & Sustainable Dining Facilities at MRIIRS

The MRIIRS campus is home to multiple food outlets that cater to diverse tastes while maintaining high standards of hygiene. Students, faculty and staff can choose from a range of eateries, ensuring a vibrant dining experience on campus. The latest additions to the campus food scene include Chai Garam and Chicago Pizza, both of which have quickly become favourites among the MRIIRS community. Additionally, a new Domino's Pizza outlet has been introduced, expanding the variety of choices available. Other popular food spots include WH Smith Super Mart near central library, providing quick bites and groceries. With these facilities, the campus ensures a mix of convenience, quality and variety for everyone.

6.5.1 Sustainable Food choices on Campus

- Sustainable Food choices on Campus Manav Rachna International Institute of Research and Studies (MRIIRS) promotes sustainable food choices on campus through its 'Sustainable Food Policy'.
- A balanced cyclic meal menu has been implemented in the hostel mess to ensure proper nutrition, offering both vegetarian and non-vegetarian options. The policy emphasizes reducing salt, sugar, fats and meat products. Red meat and trans fats are strictly prohibited to promote healthier food habits.
- The sprawling MRIIRS campus features multiple food courts and outlets offering diverse, sustainable food choices for students, faculty and visitors. These outlets ensure the availability of nutritious, eco-friendly options that cater to varied preferences and dietary needs.
- To maintain quality and sustainability, all raw ingredients and food commodities are sourced from trusted suppliers and vendors. This ensures that the campus community has access to fresh and safe food while supporting ethical and responsible procurement practices.

6.5.2 Advancing Sustainable Food Practices: Events & Initiatives at MRIIRS

To promote sustainable food choices, MRIIRS regularly organizes healthy cafeteria and recipe competitions on campus. These events encourage creativity and raise awareness about nutrition and sustainability among students and staff. Aligned departments actively contribute by setting up themed nutritious cafés that offer low-cost, wholesome meals and modern, healthy recipes. Each café operates under a unique theme, focusing on various aspects of food and nutrition, such as balanced diets, sustainable sourcing, or innovative cooking techniques. These initiatives not only foster a culture of healthy eating but also educate the campus community about the importance of sustainable and affordable food options. By integrating engaging activities and practical demonstrations, MRIIRS ensures that the message of nutritious and eco-friendly eating reaches all stakeholders effectively.

• The Lunch Box, Manav Rachna Junior Master Chef Challenge

School of Culinary and Hotel Management, MRIIRS believes in nurturing young talents. Hence, as a part of International Chefs' Day Celebration, SCHM organized "The Lunch Box", Manav Rachna Junior Master Chef Challenge. The competition was graced by the presence of Chef Utkarsh Bhalla, who served as the esteemed guest of honor and judge. Chef Bhalla currently holds the position of brand chef at Azure Hospitality Private Limited. The competition aimed to encourage creativity and innovation among young aspiring chefs by challenging them to create healthy and delicious lunch box meals. Participants were required to showcase their culinary skills and present their dishes in an appealing manner. The event received an overwhelming response, with participants showcasing their unique recipes and impressing the judges with their culinary expertise. The fundamental criteria for evaluation included cleanliness, safety, taste and overall presentation. The judges also emphasized the importance of incorporating fresh and nutritious ingredients in the lunch box meals. They encouraged the participants to experiment with different flavors and textures to make their dishes more enticing and enjoyable. Overall, the event was a grand success. The attendees were highly engaged and enthusiastic throughout the entire event, leaving with a positive and memorable experience. The School of Culinary and Hotel Management received overwhelming feedback praising the seamless execution of the event.

• One Day Cafeteria by the Department of Nutrition and Dietetics

Students from M.Sc. Nutrition & Dietetics - 2nd semester organized a one day cafeteria which is a part of their curriculum under the course Institutional Food Service Management. The day was started with a school teacher panel discussion. The school teachers and students were there from DPS, GD Goenka, DAV and many more. They discussed about My Health, My Right, Right to Health Education. The following topics were discussed in the panel discussion.

- Zero hunger
- Right to Safe Food and Water
- Wholesome plate a way to good health
- Safe environment: A sustainable way forward to a healthy Nation
- Right to good health services

The cafeteria was inaugurated by the School teachers invited as panelists along with Dr. N. C. Wadhwa Sir, DG, MREI and Dr. G. L. Khanna, Dean, SAHS. The students showcased the recipes and explained the nutritive value of all the recipes developed. The theme was MITAHAAR which means eating in moderation or eating healthy balanced meals. The cafeteria then went open to all. The students and faculties from different departments visited and purchased the products. The different varieties of food products were prepared as shown in the menu card. The cafeteria was successfully ended with good selling.

6.7 Other infrastructure/student support facilities at MRIIRS

Manav Rachna International Institute of Research and Studies (MRIIRS) is dedicated to providing a supportive and inclusive environment for its students and faculty through a range of well-designed infrastructure and support facilities. From ensuring convenient access to financial services with on-campus banking and ATM facilities to prioritizing safety with comprehensive CCTV surveillance, MRIIRS creates a secure and accessible campus experience. The university goes further by fostering a barrier-free environment, underpinned by its Equality, Diversity, and Inclusiveness (EDI) Policy, which champions respect, fairness, and equal opportunities for all. With specialized support services, including a dedicated Disability Support Office, accessibility features like ramps and tactile paths and advanced assistive technologies, MRIIRS ensures that every individual-regardless of background, identity or ability-can thrive within its vibrant community.

6.7.1 Bank and ATM

To assist students and faculty members at MRIIRS to carry out financial transactions, Bank and ATMs are available at the campus.

6.7.3 Barrier-Free Environment

Manav Rachna International Institute of Research and Studies, believes in the inherent value of every individual, recognizing the unique qualities, perspectives and experiences that each person brings to our vibrant community. Guided by our unwavering commitment to fostering an environment of respect, fairness and acceptance, MRIIRS is committed to establish Equality, Diversity, and Inclusiveness (EDI) Policy to ensure that all members of our community thrive, regardless of their background, identity or circumstances. The Equality, Diversity, and Inclusiveness policy being followed at MRIIRS comprises a framework of principles and protocols that an organization embraces to guarantee impartial and equal treatment for all individuals, irrespective of factors such as age, gender, disability, race, religion, belief, sexual orientation, marital status or pregnancy and maternity status.

6.7.4 Support Services for people with disabilities

MRIIRS prioritizes inclusivity and accessibility for all individuals, including those with disabilities. University has established a welcoming and barrier-free environment throughout the University campus. There is dedicated Disability Support Office, which plays a vital role in ensuring that University not only meet legal requirements but also fulfill the broader mission of creating a place where every student can excel, regardless of their unique needs or abilities.

Within the campus, various accessibility features, such as ramps, lifts, tactile paths, well-placed lighting, informative display boards and clear signposts are available. Additionally, University facilitates accessible website that accommodates individuals with different abilities, including compatibility with screen-reading software. Moreover, we provide essential resources like readers and scribes, as well as digital copies of reading materials to support the students.

At MRIIRS, human assistance is readily available in all our campus blocks, ensuring that anyone who requires information or assistance can easily access it. We are committed to fostering an inclusive environment where diversity is celebrated and everyone has the opportunity to thrive.

6.7.5 Existence of Disability Support Office

Within the university, there exists a dedicated Disability Support Office, a pivotal resource demonstrating our commitment to inclusivity and accessibility. This office serves as a central hub for students with disabilities, providing a wide array of services and accommodations to ensure an equitable educational experience. The Disability Support Office collaborates closely with students to encompass elements like accessible facilities, assistive technologies, specialized tutoring and mechanized equipments. By maintaining this office, our university not only complies with legal requirements but also actively upholds its broader mission of fostering an environment where all students can thrive, regardless of their unique needs or abilities.

A wide range of mechanized equipment is readily accessible to enhance the ease and independence of individuals with disabilities. These specialized devices are designed with innovation and inclusivity in mind, catering to diverse needs and improving the quality of life for disabled persons. Mobility aids such as wheelchairs and golf cart provide increased freedom of movement, allowing individuals to navigate their surroundings effortlessly. Assistive technology devices like screen readers, voice recognition software and adaptive keyboards empower those with visual or motor impairments to access and interact with digital technology effectively. These advancements in mechanized equipment underscore our commitment to creating an inclusive society where everyone, regardless of their abilities, can lead a fulfilling and independent life.

CHAPTER-7

RESEARCH AND DEVELOPMENT

7.1 Research Ecosystem:

Research is a cornerstone of human development, societal progress and academic growth. Manav Rachna International Institute of Research and Studies (MRIIRS), Faridabad, is dedicated to impacting and transforming lives by fostering an academically enriching, intellectually stimulating and supportive environment. This environment nurtures innovative, academic and applied research across diverse disciplines. MRIIRS is committed to advancing research and development by cultivating a dynamic research ecosystem that inspires faculty and students to pursue new knowledge, uncover truths and drive innovation. These efforts not only enhance the teaching-learning experience but also contribute to societal well-being and holistic human development. The milestones achieved over the past five years in the field of research are as follows:

The journey began in 2016 with the initial step of raising awareness and providing counseling for faculty members. The aim was to motivate and inspire researchers to pursue their work with freedom while maintaining methodical objectivity and integrity. As a result of continuous mentoring and guidance, a significant achievement has been made, with 2,395 research publications indexed in the Scopus database by 2024. Additionally, an incentive scheme was introduced in 2016 to encourage faculty members, leading to an increase in publications in indexed and peer-reviewed journals, showcasing the scientific expertise of researchers. This progress has been reflected in the institution's H-index, which has risen from 17 in 2016 to 43 in Scopus and 38 in WoS for the year 2024.

The university has designed and implemented research programme to introduce research culture to students at UG level. A course entitled 'Introduction to Research (ITR)' was introduced in the second year of B.Tech degree programme in AY 2015-16 as a pilot initiative, to empower the UG student to publish his/her research work of final year project. This programme was further upgraded into the course entitled 'Research & Innovation Catalyst' from AY 2018-19, to bring in component of critical thinking, out of box ideation and research aptitude in the students. Today it is being delivered as "Design Thinking and Innovation (DTI)" with concept of product development and commercialization. The problem statements are suggested by faculty members and are multidisciplinary in nature. Students in the beginning of 3rd semester are informed about these problem statements and depending upon their area of interest, students across the engineering departments make groups (2-5 @group) and report to their mentor/s weekly. The groups start from ideation step, move to experimentation in 4th Semester and publish paper in the 5th semester.

Additionally, MRIIRS Centers of Excellence have been established in collaboration with industry partners from time to time. Research ecosystem enhanced through these CoEs has been established to cater the needs of students and faculty members who are inclined towards research, innovation, have novel ideas and are buzzing with out- of-box thinking . In the year 2023, a new stand alone center has been established i.e: Centre for Healthcare Innovation (CHI) which is a dedicated hub for pioneering advancements in healthcare research, technology and education. CHI aims to bridge the gap between academia, research and healthcare practices to address pressing challenges in the healthcare sector. It stands as a testament to the institution's commitment to blending academic excellence with societal impact, ensuring that healthcare solutions are accessible, effective and sustainable.

Furthermore, CHI's commitment extends beyond urban centers to rural and remote areas, where access to healthcare remains a significant challenge. By harnessing cost-effective technologies and leveraging interdisciplinary teams, CHI aims to bridge the healthcare gap between urban and rural communities, ensuring that even the most underserved populations receive the care they deserve. CHI seeks to translate groundbreaking research into tangible solutions that positively impact the lives of individuals and communities nationwide, with having key themes as:

- Maternal Child Healthcare
- Mental Health,
- Affordable Medical Devices,
- Health Data Intelligence,
- Sports and Wellness

Another centre which has been envisioned in 2022 and established in 2023 with nomenclature as "Centre for Medicinal Plant Pathology (MRCMPP)" aims to become a hub for research, innovation and education in the field of medicinal plant health. As medicinal plants are essential in traditional and modern medicine, the center focuses on identifying, managing and preventing diseases that affect these plants. Through multidisciplinary collaborations, MRCMPP bridges agricultural science, biotechnology, pathology and pharmacology, ensuring sustainable cultivation and preservation of medicinal plants.

It also has the potential to make a significant impact by fostering innovation, conservation and sustainable practices in the field of medicinal plants. With the right infrastructure, partnerships and research focus, MRCMPP can lead in plant health management, benefiting farmers, industry and society alike. By addressing critical challenges in medicinal plant cultivation and disease management, the center will contribute to sustainable agriculture and high-quality herbal medicine.

We focus on developing research infrastructure for enhancing our research and improving our research quality drastically. Dedicated Research Laboratories facilities have been established to cater the needs of the researchers across the campus. These labs have state of art facilities sponsored by industry and organization of repute namely:

1. Intel Intelligent Systems Lab

Intelligent Systems Lab has been established in accordance with the collaboration between Manav Rachna International Institute of Research and Studies and Intel Corporation (Intel) to offer B.Tech Electronics & Communication Engineering with specialization in Artificial Intelligence & Internet of Things.

2. The Advanced Research Lab

This lab established in 2023, focuses on solving practical problems and challenges using scientific methods and tools. It aims to generate new knowledge in various fields and disciplines that can address innovative solutions to real-world problems and improve the quality of life of people and communities. The faculty members conduct research and foster collaboration among researchers, sponsors, industry, government and stakeholders. In addition, the lab also provides training and capacity building for students, faculty, research scholars and working professionals with hands-on experience and exposure to cutting-edge research and technology. The lab is equipped with the latest statistical software for data analytics, such as SPSS, STATA 18.0, EViews 13.0, NVivo 14, XLSTAT, R, Python and Grammarly.

3. Manav Rachna Centre for Dental Excellence (MR-CDE)

MR-CDE aims to serve as a leading hub for clinical innovation, research and advanced education in dentistry. The Centre focuses on cutting-edge dental care practices, including digital dentistry, oral disease prevention, cosmetic dentistry and public health outreach programs. MR-CDE seeks to provide high-quality dental care while fostering skill development, research innovation and industry collaboration, making a significant impact on oral health at local, national and global levels.

It plays a pivotal role in transforming dental education and healthcare through a blend of clinical excellence, research and community engagement. With a focus on advanced technologies, preventive care and interdisciplinary research, MR-CDE aims to become a beacon of innovation and social impact in the field of dentistry. By fostering collaborations and nurturing future dental professionals, the Centre focuses to contribute to improving oral health and well-being.

4. IPR Cell:

With the progression of R&D activities at MRIIRS, immense intellectual property was generated as an outcome of research projects, innovations, collaborations and creative works. It became imperative to bring into place an IPR cell to meet the needs of the academic and research fraternity, IPR cell was established in February 2017, which is governed by the University Intellectual Property Rights Policy. In the year AY 2023-24, granted patents are 24 and 39 patents have been published. MRIIRS is steadfast in its journey to establish itself as a leading research-driven institution. Over time, it has consistently enhanced its facilities and support systems to empower researchers and foster innovation. At its core, MRIIRS recognizes that research is a vital catalyst for progress, serving as the backbone for informed decision-making, societal advancement and the ongoing betterment of human life across diverse fields

7.2 Research Publications

The number of publications has been one of the key measurement values in evaluating the performance of higher education academicians. Over the years, the obligation to publish has amplified—not just in terms of getting published, but also ensuring publication in high-quality journals, where the ranking is determined by publication categories. MRIIRS has 425 publications in Scopus and 54 publications in WoS (Web of Science) during the year 2023, reinforcing its commitment to high-impact research. Publications recognized through the peer review process signify a legitimate platform for research content to be discussed, challenged, referred to and critically evaluated by the academic community.

Authors, who are primarily researchers and academicians, must not only present their findings and claims effectively but also be capable of supporting and defending the proposed knowledge. The academic community embraces such a culture of open knowledge discussion and this practice is vital in giving direction to knowledge progression. Moving beyond being a mere platform for knowledge exchange, publication has now become one of the most critical performance indicators for Indian academicians. "Publication count is an indicator of research productivity and is used to rank faculties and academic institutions, ascertain an author's productivity or evaluate the publication productivity of research groups. Recognizing this, MRIIRS has necessitated that Scopus, WoS and ISI journals be the target for publication. Additionally, the university offers support to authors in the form of 'seed money' or research grants for undertaking research, encouraging and building a strong research ecosystem.

7.3 Government/ Industry Funded Research Projects

It is often said that the best place to invest money in a society is to invest it in educating the next generation, obviously in order to secure the future. Doing research is important because it contributes to knowledge, development, improvement etc. People who teach can do research in order to improve their competence and teaching and learning process. Also, research is important in our everyday life as it builds the graphic vision of life and ultimately the very philosophy of all subjects. Hence, here at campus, faculty members are encouraged to indulge in research and consultancy work for their growth.

7.5 Innovation and Incubation Centre

As an integral part of student's growth in research and development, MRIIRS is proudly carrying out student driven research programme at B. Tech level from past few years. Keeping faith in the same, MRIIRS has established Manav Rachna Innovation and Incubation centre (MRIIC) which remains thoroughly focused and dedicated towards yielding several path-breaking research and innovation activities. MRIIC is nurturing and overseeing innovation and entrepreneurship at Manav Rachna Campus. MRIIRS has been granted financial support of ₹. 2.87 Crores from DST-NESTEDB, Govt. of India for setting up of a Manav Rachna New Generation Innovation and Entrepreneurship Development Centre (MRNewGen-IEDC) in the campus to nurture student-entrepreneurial ventures. It's physical working space is more than 5000 sq. feet area with latest amenities including internet, Wi-Fi, conference rooms, multimedia projector, pantry and recreational area. Each startup incubated at campus, receives funding of ₹ 2.5 Lakhs for the developmental work alongwith recurring grant. Nineteen startups have been incubated last year.

Some of the notable incubated startups of Manav Rachna students under the banner of MRBI, are given below:

- **Techno Planet Lab Pvt. Ltd.**

This is a company working in education space to develop new age tools, technologies and programs to create engaging K-12 learning experiences with an ultimate objective to revolutionizing education. In 21st century, technological advancements are rapidly disrupting industries with new trends evolving like self-driving cars digital shopping, virtual worlds and life on mars. Envisioning how these disruptions will play out in our children's lives opens up a whole lot of new questions, and necessitates paradigm shifts in how we are thinking about education today. Our offering for Atal Tinkering Lab is based on creating an environment that promotes the participants to dream, the equipment allows them to tinker, the curriculum enables them to structure their thinking and the Innovation League allows them to challenge themselves. They offer equipments and solutions to setup the Atal Tinkering Labs as envisioned by NITI Aayog ([www.http://technoplanetlab.com](http://technoplanetlab.com)).

- **HyFn Games Pvt. Ltd.**

The mission of HyFn games is to create games of science fiction genre. Besides the obvious entertainment that games provide, they also create the base for young people to learn. This learning happens automatically while playing the game. Their flagship product "SpaceTrap-3D" was launched on PlayStore in 2017. Besides game development, HyFn Games has also ventured into the field of Virtual Reality bagging projects like Campus Walkthroughs for various companies. They plan to work in the field of Artificial Intelligence and Augment Reality in upcoming future. Team members are Rakesh Sethi, Yugank Rastogi, Mudra Rastogi, Vishang Jad, Adhiraj Mathur, Shaurya Singh. The Company is running smoothly having a good number of projects in hand.

- **Tricho Agronica Pvt. Ltd.**

The Start-Up has received a grant of Rs 172 lacs under Indian Oil Startup Scheme (IOSUS). "Start-up India", an initiative announced by Prime Minister Shri Narendra Modi. The vision of the company is to provide "Lab to Land" an eco-friendly approach. It aims to promote, develop and provide eco friendly products and technologies in safer, cost effective and sustainable manner. Keeping these perspectives in view the company has designed its first bio formulation product 'Bio elixir' which is a remedy for bull's eye pathogen at low cost. The synergistic effect of the bio elixir constituents has the capability to increase systemic resistance in plants. It is the bio fertilizer and a bio fungicide formulation. It is a non-chemical based formulation to reduce disease of tomato plant combining with features for enhancing soil structure and fertility, maintaining soil biological activities and promoting plant growth & biomass.

- **Parimukh Innovations Pvt. Ltd.**

Team of engineers from various background and expertise took the problem of Air Pollution and other environmental problem to be tackled with engineering products. Our environment is in continuous havoc like situation and if we don't give our attention to this our future generation will be suffered, it's the time when technology has to be created and implemented to protect our city lives. Team Parimukh is catering this, with their knowledge and experience from different sector they have already developed and offering PARIYAYANTRA Air filtration system and working on different technologies as well.

- **2nd Life Inning Ventures:**

The 2nd Life Innings is a well-planned Website for senior citizens to ensure that you are always Happy, Comfortable, Secured and Looked after- Focusing on the minor as well as major requirements starting from Food & Diet to Security and Medical care from House-keeping to entertainment planning of the old age people. The project aims to prioritize the holistic needs of seniors, offering a seamless blend of essential services ranging from nourishing meals, safety, medical care, housekeeping to thoughtfully curate entertainment, ensuring perpetual happiness, comfort and security.

- **Manavneer LLP-**

The Startup aims at water cleaning using nano material. The idea is attempted to synthesize air stable biocompatible porous nano composite material for advance absorption of pollutants from contaminated water.

- **Netra SS:**

Startup tried initially to make a cap that assists the visually impaired in navigation and then looking to the aspect to make the business scalable, Startup made a kit that can be easily attached to any wearable clothes easily. Kit will provide easy packaging and help for smooth logistics and supply chain. Prototypes were showcased in different national & International contests, whereby they got accolades from the public as well from the organizers the in form of awards and prizes. Microsoft selected a Netra venture from India to participate and contest it in the global arena in the forthcoming event to be organized at Microsoft head quarter.

7.6 Patents Published/Granted during the year 2023-24

MRIIRS actively encourages faculty and students to protect their intellectual property rights. The university filed multiple patents, covering areas such as AI-driven medical diagnostics, smart shopping systems and eco-friendly packaging solutions. Moreover, the institution actively promotes intellectual property development through its IPR Cell, which has led to 24 granted patents and 39 published patents during the year 2023-24.

The details of Patents published/granted during the year 2023-24 are as follows:

Inventor/s Name	Title of the Patent	Patent Application No.	Status of Patent (Published / Granted)
Basanta Kumar Bhuyan	IoT Based Computerised Numerical Control Fiber Laser Composite Material Cutting Machine	396731-001	Granted
Sunny Bhatia	Apparatus for Making Polymer Composites	397841-001	Granted
Basanta Kumar Bhuyan	Wire Electrical Discharge Machining Optimizer	396563-001	Granted

Lakhvinder Kaur	AI-based plant extract analysing device to identify disease	396514-001	Granted
Neha Batra	Machine Learning-Based Stress Detection Device	6306508	Granted
Dinesh Chawla, Sunny Bhatia, Vinay, Dain	Trolley Bag with Charger	392125-001	Granted
Lillesh Gautam	Scratch-Generating Shuttering Plate for Plastering	396095-001	Granted
Ginni Sehgal	Artificial Intelligence-Based Delivery Robotic Device	395366-001	Granted
Ashwini Kumar	Device for tracking the confidence of the employee at the workplace	6315158	Granted
Nitesh Malhotra	Infra-red tracking light for joint and muscle therapy	393700-001	Granted
Nitesh Malhotra	Portable oxygen generator	393763-001	Granted
Nitesh Malhotra	Stress and Anxiety detection band	393757-001	Granted
Ginni Sehgal	Traffic Light Controlling Camera Device with Sound and Load Sensors	6318392	Granted
Nitesh Malhotra	Wearable EEG Monitoring headband	393762-001	Granted
Kirti Khanna	Solar Powered Agricultural E-Vehicle	389638-001	Granted
Neha Wadhawan and Amit Kumar	Four-One Fluid Container	362655-001	Granted
Ginni Sehgal, Nitasha Soni, Meghna, Krishan Kumar	Skin Cancer Detection Device	6315135	Granted

CHAPTER-8

STUDENTS ACTIVITIES AND ACHIEVEMENTS

8.1 Examination Results

Examination function in the education system of a Higher Education Institute (HEI) holds a pivotal position. It's the avowed objective of any HEI to ensure that the students during the tenure of their education acquire the Programme Educational Objectives (PEOs), Programme outcomes (Pos), Programme Specific outcomes (PSOs) and Course outcomes (COs) of different courses. These outcomes have to be suitably aligned and measured in an Outcome Based Education. Evaluation through Examinations- both Formative and Summative provide the necessary prime mover to accomplish this all- important task. The University has adopted semester-based study programmes and a credit system of evaluation for the examination of all courses. Adhering to the above, MRIIRS have in place a time-tested examination system which has incorporated the aforesaid basic tenets. We continuously continue to hold consultative meetings for ushering in reforms to bring about accretion to efficacy and integrity of our examination system. Technology and various psychometric techniques are leveraged to enhance the quality level of the system.

The Programme wise result of final semester held in May 2024 is tabulated below:

8.2 Placements

Corporate Resource Centre (CRC) at University engages with corporate, enables the students to fulfill their dreams of getting a job offer through campus placements. The centre offers excellent infrastructure supports at every stage of the placement processes, down from arranging pre-placement talks, written test, group discussion, interviews etc. CRC manages ongoing relationships with leading corporate to provide guidance on latest trends, and employment and training opportunities by initiating Industrial visits, Industrial training and corporate Lectures etc. Therefore, managing Corporate - Institute interface is an important responsibility of the centre and it is also involved in brand building activities for the group. Besides its core function of Placements and Internships for the students, the CRC is engaged in a host of support functions, meant to bring about continuous improvement in student activities.

In addition, team keeps abreast with the needs of the job market during its interaction with the industries and provides valuable input to the teaching faculty regarding the market relevant skills so as to equip students with market ready skills to make them more employable. In an effort to streamline the placement process, an 'Online Registration Portal-Superset' is used for campus placement. All the students of Final year who are interested for placement have to register on the portal. It helps in identifying the eligible students for a particular campus drive based on the criteria provided by recruiting company.

Some of the eminent recruiters include TCS, Brillio, BITCS, Capgemini, HCL Technologies, Coforge, ADP India, Fidelity International, Sonalika International Tractor, Tech Mahindra, Honda Motorcycle, Yamaha Motor Solutions, British Telecom, Ui Path, Avizva, Nokia, Celebal Technologies, Nagarro Software and the likes.

8.3 Extra-Curricular Activities

Students Welfare at Manav Rachna International Institute of Research and Studies supports students in every aspect of their lives, including academics, social interactions, emotional well-being, and physical health. It encourages general well-being of the students and assists them in realizing their greatest potential by providing them diverse fields to explore alongside the academic curriculum to provide students with a comprehensive education. The activities organised by Students Welfare enhance the overall development, encourage well-rounded personal and professional development, provide a platform for exploration and raise social awareness and responsibility among the students.

Students Welfare also offers opportunities for students to excel in areas such as Dance, Music, Fashion, Theatre, Fine Arts, and Photography, while also instilling a sense of social responsibility. In the academic year 2023-24, Students Welfare associated with various Government initiatives, including the National Service Scheme, Red Cross Society, Unnat Bharat Abhiyaan, Viksit Bharat, Parayavaran Sanrakshan Gathividhi, District Legal Services Authority, Haryana State Commission for Women and various NGOs and Foundations with the motive to promote social well-being in the society.

Students Welfare initiates and leads campaigns addressing various social issues that contribute to the betterment of society. These events cultivate socially conscious students who are empathetic and proactive in their leadership roles. A large number of camps and adventure courses like Trekking, Youth Leadership Training Camps, Value-based Spiritual Courses, Personality Development Camp, Youth Parliament, student talent Hunt, Documentary, Literary, Photography, Festivals celebrations, Treasure Hunts, Talent Competitions for Faculty and Staff, Film and Book reviews, Debates and Declamations, Folk Dance competitions, etc. are organized. Annual Cultural Fest RESURRECTION consists of many events of Music, Dance, Theatre, Literary, Fine Arts, and Culture is also organized during an academic session. Social Responsibility drives, Anti-ragging seminars, Street Plays, photography competitions, workshops, and National Festivals like Independence Day, and Republic Day are celebrated with patriotic fervor, year after year. Innoskill (Techno-Management Fest), specially designed for the students of Engineering, Management, and other technical Institutions, is also organized in association with various Schools of the University.

Students Welfare coordinated a diverse array of Cultural Activities and commemorated National and International Days to share knowledge, foster inclusivity, and promote unity among all individuals. Society also organizes and participates in music festivals. Through these activities, SURTARANG harnesses the profound power of music to promote human development, foster relationships, and strengthen social connections both on campus and in the Community. SURTARANG's initiatives align with the SDGs, particularly in promoting good health and well-being (SDG 3) by using music as a tool for emotional and mental wellness. The society also contributes to quality education (SDG 4) by providing learning opportunities in various music genres and performance skills. Additionally, it fosters a sense of community and inclusivity, supporting SDG 11 by creating sustainable communities through Cultural Enrichment and Social Engagement.

Through its events, competitions, and celebrations, SURTARANG not only enhances the cultural vibrancy at the campus but also actively contributes to Sustainability and the Holistic development of its members and the Community at large.

iii. Theatre Society: PAIGAM

The Theatre Society, PAIGAM, encompasses a diverse range of performances, including Nukkad Nataks, Drama, Skits, Stand-up comedy, Mono acting and Mimicry. Recognizing the profound impact of drama on Societal Development, PAIGAM focuses on Cultural Innovation, Artistic values and the Preservation of Heritage and Values. Embracing Sustainability as a core principle, the society fosters events and competitions that promote Sustainable interventions, encouraging learning and motivating behavioral change. Through its activities, PAIGAM aims to enhance social cohesion, bolster self-esteem, develop cognitive skills, and foster a sense of community, aligning with several Sustainable Development Goals (SDGs) such as Goal 4 (Quality Education), Goal 11 (Sustainable Cities and Communities) and Goal 16 (Peace, Justice, and Strong Institutions).

iv. Fashion Society: AAIRA

The Fashion Society AAIRA is an exemplary model of integrating Sustainability with Creativity. Engaging in a diverse array of activities such as Hairstyling, Beauty contests, Ramp Walks, Fashion Shows, Fancy Dress, and character displays based on various eras and writings, AAIRA promotes both Artistic expression and Environmental Consciousness.

AAIRA is committed to the Sustainable Development Goals (SDGs), ensuring that all its events and competitions adhere to principles of Sustainability. Members of the Society are well-versed in understanding the impacts of the Fashion business model and supply chain on both people and the planet. Through research and practical application, they strive to develop and execute events that reflect their Dedication to Sustainable Practices. This commitment not only enhances their creative pursuits but also fosters a culture of Sustainability within the Fashion domain, making AAIRA a pivotal contributor to MRIIRS's broader mission of Sustainable Development and Responsible Innovation.

v. Eco Society: IDHIKA

The Eco Society IDHIKA is dedicated to promoting Environmental Sustainability through various impactful activities and collaborations. This Society plays a vital role in organizing environmentally focused events such as Environmental Youth Parliaments, Forums and Advocacy initiatives. In partnership with Dr. O.P. Bhalla Foundation, Unnat Bharat Abhiyan, Swachatha Action Plan (SAP) and Pariyavaran Sanrakshan Gatividhi (PSG), IDHIKA leads efforts in Waste Management, Water Conservation, Energy Conservation and Ecological Awareness.

- Youth Parliaments and Forums: Platforms for young voices to discuss and advocate for environmental issues.
- Collaborative Initiatives: Working with Dr. O.P. Bhalla Foundation and Unnat Bharat Abhiyan to foster sustainable practices.
- Swachatha Action Plan (SAP): Engaging in Cleanliness drives and Awareness campaigns.
- Paryavaran Sanrakshan Gatividhi: Initiatives aimed at Environmental Protection and Conservation.

The society also focuses on Sustainable Development Goals (SDGs), striving to integrate these objectives. Through partnerships with various University departments, IDHIKA ensures a comprehensive approach to Ecological Stewardship, impacting both rural and urban communities. Their efforts not only promote Sustainability on campus but also extend their Advocacy to a broader audience, fostering a culture of Environmental responsibility.

They participate in theme-based photography events and Photo walks, aiming to translate their vision into reality by promoting Sustainable practices aligned with Sustainable Development Goals such as Quality Education, Sustainable Cities and Communities, and Climate Action.

ix. Manav Rachna's SPICMACAY chapter

Manav Rachna's SPICMACAY chapter champions Indian cultural heritage through diversity avenues such as Classical music, Dance, Folk traditions, Yoga, Meditation and Crafts. Events like the FEST series, VIRASAT series and National Conventions engage students and educators. They also organize Music in the Park sessions, conduct heritage walks, host talks by eminent personalities and organize Yoga Camps. Their activities align with Sustainable Development Goals (SDGs) by fostering Cultural Preservation, Promoting Education and Enhancing Well-being.

x. National Service Scheme:

The National Service Scheme (NSS Wing) embodies a commitment to social responsibility and Sustainable Development. Through various initiatives, including Environmental Awareness, Anti-ragging campaigns, health and hygiene drives, Road Safety and promoting Education for All. The NSS Wing fosters a sense of Community involvement among both students and teachers. Their activities range from serving underprivileged communities to engaging in outreach programs. By addressing issues such as Education Accessibility, Crime Against Women, Drug-De addiction, Environment Protection, Social Justice and many other societal issues, the NSS Wing aligns with several Sustainable Development Goals (SDGs), including Quality Education, Gender Equality and Sustainable Communities. Through their events, competitions and celebrations, the NSS Wing plays a vital role in fostering Sustainability and Social Development.

xi. Hip-Hop Society: OFFBEAT

Offbeat, the hip-hop society at MRIIRS, is the pulse of the rhythm. The society is bringing in the flow with a myriad of hip-hop expressions: solo verses, collaborative tracks, crew cyphers and battling it out in rap showdowns. The society performs at various fests as opening acts as well as showstoppers. They're not confined to one style, but rather delving deep into boom bap, trap, freestyle and conscious rap. They're also honing their skills in beatboxing, scratchin and live DJ sessions. But their mission runs deeper. Offbeat is using the language of hip-hop to uplift spirits and promote emotional and mental well-being, aligning with SDG 3. They're also educators, offering opportunities to learn and master the art of hip-hop, contributing to SDG 4. Additionally, they're fostering inclusivity and community spirit, building sustainable cultural connections and social engagement, in line with SDG 11. Through their events, competitions and celebrations, Offbeat isn't just enriching the hip-hop scene, they're actively contributing to the holistic development of their members and the wider community, keeping the beat alive and vibrant.

xii. Chess Society: SHAH MAAT

Shah Maat is a community of individuals united by their passion for the strategic and intellectual game of chess. They share a common interest in chess and are working on improving their skills and enjoying the game. They gather to play matches, participate in tournaments and engage in discussions about chess strategies and techniques. The society provides a supportive and competitive environment for players to learn, grow and socialize with like-minded individuals. Through their shared love of chess, members develop friendships, build confidence and exercise their minds in a fun and challenging way.

Manav Rachna Life Skill Programme (MRLSP): To initiate and propagate the spirit of camaraderie and to provide a rich nurturing ground for honoring the Life Skills of students, Manav Rachna has introduced the concept of a close-knit family, that of a CLAN. Striving for achieving the common goal at MRIIRS, students are designated to different Clans, irrespective of their belonging to any department or their infrastructural habitation in the University. There are 4 Clans, each represented by an environmental element and a Mascot - The Air Falcons, The Water Sharks, The Forest Rhinos and The Wild Cats. There are Five categories of activities to be looked after under every Clan- Sports, Media, Literary, Cultural, ISR- Community Services.

THE ROLE OF THE CLANS- At the core, the role of the clans is to create more fervent connections at Manav Rachna, as well as to:

- Facilitate an environment for students which promotes academic excellence and improves personal development keeping the fun factor alive.
- To promote friendship & respect amongst pupils.
- To empower students and educator groups wherein they can collaborate in aiding the development of real-life skills.
- To create a sense of responsibility, loyalty and tolerance towards seniors, peers and the parent institution.
- To be able to harness the talent; the ability to arrive at consensus of views and the ideas coming from a larger number of students.
- And finally, to create healthy competition, Manav Rachna has created a strong organizational structure for implementation of Manav Rachna Life Skills Programme (MRLSP) to ensure that this initiative is seriously conceptualized, driven and effectively executed across the university.

8.4 Sports Activities organized during AY 2023-24

Manav Rachna Sports Academy (MRSA) delivers an exceptional platform and experience for sports, catering to all enthusiasts who desire to take their sporting spirit to greater heights. Whether you are a newcomer to the sports world or someone seeking to enhance your skills, the Manav Rachna Sports Academy offers a diverse range of options. With cutting-edge facilities, highly skilled trainers and frequent sports clinics led by renowned coaches, it serves as a comprehensive sports hub for all sports enthusiasts. MRSA was established by MRIHS with the goal of promoting sports not only in North India but throughout the entire country. Players highly value the opportunity to participate in specially tailored programs that meet their specific needs and engage in intensive practice sessions, which contribute to the advancement of their sporting techniques, all under the guidance of our proficient coaches.

At MRSA, a diverse range of sports facilities is available, catering to various activities such as Badminton, Table Tennis, Lawn Tennis, Chess, Carom, Basketball, Volleyball, Shooting, Swimming, Physiotherapy, Squash, Skating, Soccer and Boxing. These facilities have been carefully designed in partnership with well-known brands like YONEX for Badminton and STAG for Table Tennis. Furthermore, MRSA is home to the Manav Rachna Cricket Academy (MRCA), which was officially opened by the legendary cricketer Virender Sehwag on July 6, 2012. While the primary focus of the Academy is to provide training to students of Manav Rachna School, it also welcomes the local residents of Faridabad during evening hours. MRSA, inspired by the remarkable reputation of MREI, is dedicated to nurturing sports talents from an early age, starting from Nursery onwards, and continuously strives for growth and improvement.

CHAPTER-9

INSTITUTIONAL SOCIAL RESPONSIBILITY

9.1 Institutional Social Responsibility

The Dr. O.P. Bhalla Foundation, named after Dr. O.P. Bhalla, the visionary founder of Manav Rachna International Institute of Research and Studies (MRIIRS), stands as a symbol of his lifelong dedication to community service and holistic development. Built on the core values of compassion, inclusivity and sustainability, the foundation reflects the spirit of social responsibility, playing a key role in improving lives and empowering communities.

The foundation's work is grounded in its mission to address pressing social issues by focusing on education, environmental conservation, health and social welfare. Aligned with the United Nations' Sustainable Development Goals (SDGs), its initiatives aim to create a more resilient, inclusive and sustainable society. By leveraging the resources, expertise and goodwill of MRIIRS, the foundation is able to make a meaningful impact on a wide range of social challenges.

As the Institutional Social Responsibility (ISR) arm of MRIIRS, the Dr. O.P. Bhalla Foundation (<http://dropbhallaoundation.org/>) takes a hands-on approach to community development. Its key initiatives include organizing career guidance programs, conducting summer classes for underprivileged children, promoting environmental sustainability through tree plantation drives and hosting blood donation camps. These activities help support local communities and provide opportunities for growth and development.

In line with its mission, the foundation continues to actively engage with the community, utilizing the collective efforts of MRIIRS students, faculty members and partners. Through its wide-ranging initiatives, the foundation helps create a more sustainable, inclusive and compassionate society, making a lasting impact on the well-being of local populations. By carrying out these impactful projects, the Dr. O.P. Bhalla Foundation demonstrates MRIIRS's commitment to academic excellence and social responsibility.

The university, through its foundation, continues to serve as a catalyst for positive change, proving that education and collaboration can create a better world for all. The foundation's work stands as a testament to the power of social engagement and its role in shaping a brighter, more inclusive future.

Some important initiatives in achieving this have been:

1. Adoption of Villages under Unnat Bharat Abhiyaan

- Villages: Maujpur, Hirapur, Nariyala, Chhainssa and Panhera Khurd.
- Upgrades include improved school facilities, solar panels, vocational centres and educational resources.
- Organising various activities including skill development programs, mega plantation drives, donation drives and hygiene awareness campaigns at the adopted villages.

2. Margadarshan Program: Margadarshan is a career counselling program for Government School Students of Class 9th to 12th to give personalized counselling based on Psychometric Assessment. The program provides psychometric tests and counselling sessions to help students identify their interests, abilities, and aptitudes, enabling them to make informed career choices.

3. Special Scholarship Schemes: Scholarships, financial aid and mentorship programs are facilitated to ensure educational access and equity for underprivileged students.

4. Tree Plantation Drives: Regular Tree plantation drives are organized under the Unnat Bharat Abhiyaan. These drives focus on restoring ecosystems and raising environmental awareness among students and local communities.

5. Blood Donation Camps: Annual blood donation camps are held in honor of Dr. O.P. Bhalla, encouraging students and staff to voluntarily donate blood and save lives.

6. Health Camps: Regular health camps for Dental check Up, Mental healthcare, Physiotherapy and Nutrition are being organized at various NGO's and government schools to provide free healthcare services.

7. Computer and English Literacy Classes: MRIIRS student volunteers conduct classes during summer breaks at the Rescue Home for Boys in Faridabad, empowering marginalized children with essential skills.

8. Raddi Recycle Drives: The Raddi Recycling Drive at MRIIRS focuses on collecting and recycling waste paper from across the campus to reduce environmental impact and promote sustainable practices. The recycled paper is repurposed into useful products such as notebooks, envelopes and paper bags, which are utilized within the campus and distributed during events. This initiative not only helps in efficient resource management but also raises awareness about the importance of recycling among the campus community.

9. Environmental Awareness Campaigns: Workshops and activities are organized to promote sustainability practices and environmental stewardship within the university and the community.

10. Kaushal Karyashala (Skill Development Program): Training sessions and workshops are conducted for rural communities to enhance employability and entrepreneurial skills.

11. Donation Drives: MRIIRS through the O.P. Bhalla Foundation, organizes impactful donation drives that align with their mission of community welfare and upliftment. Initiatives such as Ek Mutthi Daan, an annual drive for collecting and distributing grains to eradicate hunger, and Paridaan, a monthly clothing donation drive, bring relief to underserved populations. Drives like Share If You Care contribute essential items, including school supplies, disaster relief kits and medicines, while Geriatric Care provides support to old-age homes in the Delhi NCR region through donations and volunteer efforts. Moreover, Legal-Aid Camps offer free legal assistance and awareness sessions to empower marginalized communities. These drives emphasize inclusivity, compassion and sustainable development, fostering a sense of shared responsibility towards societal betterment.

12. Gender Equality and Inclusiveness: MRIIRS is deeply committed to fostering gender equality and inclusiveness as part of broader mission to empower communities and drive meaningful social change. The initiatives focus on breaking barriers, raising awareness, and creating equitable opportunities for all. Programs like Give Her Wings to Fly for menstrual hygiene awareness, Maitri to celebrate womanhood, and the annual International Women's Day events reflect the dedication to addressing societal challenges and promoting inclusivity.

13. Community Radio: The University has been in the vanguard of societal accretion of the Faridabad district through its very popular Community Radio (Granted by the Govt of India). Its programs cater to the domain of educational, spiritual, entertainment, cultural, women empowerment, environment, health, hygienic living, career counselling and eradication of vices amongst youth for public.

14. Collaboration with other NGOs:

- Spark life for literacy project for slum children
- Sheows for adopting Old Inmates
- Voice of Voiceless for helping Animal Shelter Project.
- Akriti Foundation for providing assistance for mentally retarded inmates.
- Feeding India for providing cooked food/raw grains to needy people.

15. Green Grah Initiative: Green Grah is a plastic waste management initiative under which each month plastic waste is collected from various stakeholders of Manav Rachna. The collected plastic waste is recycled into benches and other useful products for the community spaces and welfare of the society.

9.2 Major ISR/Outreach Activities during the year 2023-24

1. Educational Activities:

MRIIRS organizes capacity-building programs as part of its community outreach initiatives, focusing on Sustainable Development Goal 1 (SDG 1)-No Poverty. These programs aim to uplift underprivileged communities by providing vocational training, workshops, communication and soft skills classes.

• Margdarshan Initiative

The Margdarshan Initiative, spearheaded by the Dr. O.P. Bhalla Foundation, is a transformative program aligned with Sustainable Development Goal (SDG) 1 (No Poverty). It is dedicated to uplifting students from economically disadvantaged backgrounds by offering career guidance, aptitude testing and skill development opportunities. This initiative has been instrumental in helping students from underprivileged schools identify their strengths, interests and aptitudes, empowering them to make informed decisions about their educational and career paths. By integrating career aptitude tests, psychometric analyses and personalized counselling sessions, Margdarshan equips students with the tools needed to explore career opportunities aligned with their abilities, ultimately enhancing their employability and economic independence. Throughout the year, multiple impactful sessions were conducted, benefiting over 400 students from various schools in Faridabad and nearby regions. These sessions included 98 students trained in digital tools and online competitive exam preparation at the Manav Rachna campus on December 14 and 16, 2023, as well as psychometric testing and career counselling for 78 Grade 11 students at Sai Dham School on April 18, 2024. Furthermore, 48 students from Government Boys and Girls Senior Secondary Schools in Old Faridabad participated in aptitude tests at the Manav Rachna Campus on October 17 and November 2, 2023, followed by another batch of 56 students on November 3, 2023, reinforcing the foundation's commitment to breaking the cycle of poverty.

Additional sessions included psychometric analysis and career guidance for 40 students at Navodaya Vidya Niketan School in Bhiduki on May 4, 2024 and similar engagements with 20 students from Shirdi Sai Baba School in Faridabad on June 13, 2024 and 18 students from the Loria Pragati Heel Foundation on June 24, 2024. Scholarships were offered to deserving students, ensuring that financial constraints do not hinder access to higher education. These comprehensive efforts, combining personalized career guidance, exposure to digital tools and free resources, reflect Margdarshan's dedication to nurturing future-ready individuals equipped with the knowledge and confidence to achieve financial sustainability. Through these initiatives, the Margdarshan Initiative continues to inspire and enable students from underprivileged communities to envision and realize brighter futures.

- **Kaushal Kaaryashala Programme: Vocational training for potential dropouts in collaboration with the National Skill Development Corporation**

MRIIRS, in collaboration with NSDC and Kedman-a joint venture of Manav Rachna and Kunskapskolan, Sweden-has launched a pilot project aimed at transforming vocational education across 100 schools in Haryana. Approved by NSDC, this project focuses on skill development in three critical sectors: Retail, IT and Beauty & Wellness. It leverages digital education through state-of-the-art vocational labs equipped with laptops, overhead projectors, uninterrupted power supply (UPS), internet connectivity and ergonomic furniture. To date, a dozen such labs have been set up, providing a modern and conducive learning environment for students. The Kaushal Kaaryashaala Initiative, an integral part of this collaboration, addresses the urgent need to reduce school dropout rates, which currently affect approximately 47 million students annually. Many of these students leave school to support their families financially, entering the workforce unskilled and vulnerable to exploitation. The initiative empowers students from grades 9 to 12 in government schools across Faridabad by equipping them with essential skills through a hybrid model of online and offline teaching. It aims to provide them with the necessary competencies to access better-paying jobs and achieve economic stability. Key sessions under the initiative have demonstrated remarkable progress. For example, on December 14 and 16, 2023, the second batch of the IT Skilling Program trained 50 students from GSSS Ankhir in Microsoft Excel, supplementing their syllabus with comprehensive revisions. This was followed by advanced classes in January 2024 and a final examination in February 2024, where 44 out of 50 students achieved a 100% pass rate. These students, many of whom started without prior knowledge of computers, showcased tremendous growth, underscoring the transformative impact of accessible education in underserved areas. Further sessions included skill development in creating PowerPoint presentations for GSSS Ankhir students on October 21, 2023, with safe transportation provided. On May 2, 2024, the third batch of students from GSSS Bhankri participated in classes focused on Microsoft Office basics, specifically MS Word.

These sessions were conducted in collaboration with the Institution's Innovation Council (IIC) at Manav Rachna University and led by a team of expert trainers, including Dr. Prashant Bhardwaj, Dr. Meenakshi Gupta and Mr. Piyush Mahendru, under the guidance of Dr. Parneeta Dhaliwal. The Kaushal Kaaryashaala Initiative exemplifies the commitment of the Dr. O.P. Bhalla Foundation and MRIHS to bridging the skill gap and providing vocational training to government school students. By equipping these young minds with the tools for success, the initiative fosters economic independence and empowers them to build brighter futures in a competitive world.

- Educational Outreach at Rescue Home for Boys, Faridabad conducted by Manav Rachna Institute of Research and Studies**

On 8th July, Manav Rachna organized a meaningful educational initiative where student interns dedicated their summer break to teaching Mathematics and Spoken English at the Rescue Home for Boys in Faridabad. After a month of intensive classes, the students were evaluated through a Mathematics test to measure their progress. The test, meticulously crafted by Dr. Pooja Khurana, who also supervised the assessment, aimed to assess the students' grasp of mathematical concepts and their learning growth over the period. The results were encouraging, showing noticeable improvements as compared to their initial assessments. This initiative not only provided academic support but also aimed to empower these young learners with essential skills, fostering a positive impact on their educational journey. The dedication of the interns and the support of Manav Rachna highlight their commitment to uplifting communities through education and empowerment initiatives.

- **Psychological Analysis Test Conducted for GSSS Ankhir Students**

On 7th July, the Department of Psychology at MRIIRS, in collaboration with UPES Dehradun, organized a significant event aimed at assessing the mental well-being of students from GSSS Ankhir in classes 8 to 12. The initiative involved student interns from UPES Dehradun conducting a specialized psychological analysis test under the guidance of MRIIRS Department of Psychology. The purpose of this test was to delve into various aspects of the students' psychological profiles and behaviors. After administering the test, the results were carefully examined to identify students who might benefit from targeted individual counselling sessions. This proactive approach not only aimed to understand the students' emotional needs but also sought to provide personalized support to help them overcome any challenges they might face. The collaboration between MRIIRS and UPES Dehradun exemplifies a commitment to fostering mental health awareness and support within educational settings.

- **Summer Internship on VLSI Design and Embedded System**

Summer Internship on "VLSI Design and Embedded System" was given to the 5th Semester students of Government Polytechnic College for Women from 29th July to 28th August. Dr. Umesh Dutta, Director, MRIIC, Dr. Yashu, Professor, ECE and Dr. Amana Yadav, Associate Professor, ECE were the resource persons for the Summer Internship. The VLSI Design Internship Program spans one month, having two modules which provided participants with comprehensive knowledge of VLSI Design concepts along with hands-on experience of RTL/Layout design simulation tools. This practical experience enhanced their problem-solving abilities, critical thinking, and teamwork skills. A total of 15 students of Government Polytechnic College for Women attended the Summer Internship. At the end of the internship, students created their own projects. - **Summer Internship Programme offered by Civil department, SET, MRIIRS for students of Polytechnic Institute.**

The 'Civil Engineering Planning and Practices' Summer Internship Program was offered to students of Government Polytechnic for Women, Faridabad from July 29- August 28, 2024 to enhance their knowledge and skills in the civil engineering field. Spanning one month, the program was divided into two modules: Interactive Lecture and Hands-On Sessions, and Project Work. Key features of the program included Building Planning based on Vastu principles, Building Marking, Strength and Quality Analysis of Construction Materials, Field Survey Techniques using modern equipment, Soil Investigation and Foundation Analysis, Construction and Concreting Techniques, Water Quality Analysis, Construction Bylaws and Construction Safety Practices. A total of 15 participants gained enhanced practical skills in building planning, construction techniques and material testing, alongside industry-ready knowledge of modern civil engineering practices and advanced equipment. The program also emphasizes proficiency in quality and safety analysis for construction materials, soil, and water. Through hands-on projects and research paper publication, students developed strong project management and research skills.

• **Anemia Mukta Manav Rachna: A Collaborative Campaign for Healthier Lives (11-04-2024)**

A recent survey conducted on our campus revealed a concerning statistic: approximately 600 out of 1,800 students were found to have low haemoglobin levels, a condition that can indicate anaemia. To tackle this important health issue, we launched the Anaemia Mukta Manav Rachna campaign in collaboration with the Department of Nutrition and Dietetics. This initiative is designed not only to raise awareness but also to provide practical solutions for students struggling with anaemia. The campaign kicked off with an engaging and informative session, where students were educated about the various effects of anaemia on their overall health, including fatigue, weakness and impaired concentration. They also learned about the vital role of dietary changes in managing and preventing anaemia. Dr. NC Wadhwa, the Director General of MREI, attended the session and motivated students to actively participate in the campaign. He emphasized the importance of utilizing the resources and support available to them for their own well-being. To provide personalized guidance, students were organized into small groups, with each group paired with a dietitian. These dietitians had worked closely with the students to help them make healthier food choices tailored to their individual needs. The plan includes follow-ups every two weeks to monitor progress and adjust dietary plans as necessary. This initiative is not just a one-time event; it expanded to include all schools across the campus, creating a comprehensive approach to promoting better health for everyone. By fostering awareness and encouraging healthy eating habits, we aim to reduce the incidence of anaemia among students and improve their overall quality of life.

- **Health Camp at Anangpur Village, Faridabad (22-03-2024)**

On March 22, 2024, the Dr. O.P. Bhalla Foundation, in collaboration with MRIIRS, MRU, and Dr. Suraj Prakash Hospital, organised the Health Camp in Anangpur Village, Faridabad. This camp was part of an ongoing series aimed at providing essential health services to the community. During this event, a total of 225 people benefited from a range of consultations. Medical professionals from various departments were present, including Dental Sciences, where participants could get their teeth checked, and Physiotherapy, which offered support for physical health issues. There were also consultations available for Nutrition, helping people understand the importance of healthy eating, and Psychology, providing mental health support. Additionally, legal advice was offered to help residents with any legal concerns they might have. Participants also received eye check-ups to ensure their vision health was being monitored. General health consultations included important tests for blood pressure and sugar levels, which are crucial for identifying potential health risks. For women, there were specialized gynaecological consultations available to address their specific health needs. This health camp not only provided vital services but also raised awareness about the importance of regular health check-ups and preventive care. The foundation's effort to bring these services to the community highlights their commitment to improving health and well-being for everyone, making a positive impact on the lives of the residents in Anangpur Village.

- **First Aid and CPR Workshop at Sneh Ashram, Faridabad (16-03-2024)**

The Dr. O.P. Bhalla Foundation recently organized a First Aid and CPR Workshop at Sneh Ashram, an NGO in Greenfields, Faridabad, dedicated to helping women from underprivileged backgrounds develop new skills. To ensure the training was effective, a certified trainer was invited to lead the workshop. During the session, 50 girls learned important techniques for performing CPR and using First Aid in emergencies. Before the training began, a pre-survey was conducted to gauge the girls' existing knowledge about first aid and CPR. This helped the trainers understand what the participants already knew and how best to structure the workshop. After the training, a post-survey was conducted, and the results were impressive—many of the girls demonstrated a strong understanding of the skills they had just learned. The workshop not only equipped the girls with essential life-saving skills but also boosted their confidence in being able to help others in emergencies. To recognize their hard work and participation, certificates were awarded to all participants at the end of the workshop. This initiative by the Dr. O.P. Bhalla Foundation highlights the importance of skill development and empowers young women to make a positive impact in their communities by being prepared to assist those in need.

- **Health Camp organised at Shirdi Sai Baba School, Fbd. (12-03-2024)**

On March 12, 2024, the MRIIRS in collaboration with Dr. Suraj Prakash Hospital organized the Health Camp at Shirdi Sai Baba School in Faridabad, continuing a series of health initiatives in honor of the late founder, Dr. O.P. Bhalla ji. This event was held in partnership with Dr. Suraj Prakash Hospital and aimed to provide essential health services to the local community. Around 325 beneficiaries attended the camp, taking advantage of a wide range of health services. They received consultations in various fields, including Dental Health, Physiotherapy, Psychology and Nutrition & Dietetics. In addition to these specialized services, attendees could also get important health checks, such as blood sugar and blood pressure tests, as well as consultations from a physician and a gynaecologist. This comprehensive approach ensured that participants could address multiple health concerns in one visit.

The foundation expressed its gratitude to organizations like SAHS, MRDC and SBSS for their valuable support in making the camp a success. Special thanks were also given to RMR for consistently promoting the health camps through special mentions by the radio jockeys, helping to raise awareness in the community. Furthermore, the foundation commended Team Media Shala for their dedicated coverage of the event, capturing important moments through photography and videography. This collaborative effort highlights the commitment of all involved to improve health and well-being in the community, making a positive impact on the lives of many individuals.

- **Health Camp organized at BPTP Grandeura, Faridabad (03-03-2024)**

On March 3rd, 2024, the MRIIRS in association with Dr. O.P. Bhalla Foundation, in collaboration with Dr. Suraj Prakash Hospital and Kotak Life, organised the Health Camp at the Club House in BPTP Grandeura, Sector-82, Faridabad. This health camp was part of an ongoing series aimed at providing essential health services to the community. Around 70 beneficiaries attended the camp, taking advantage of a variety of health services. They received consultations in several areas, including Dental Health, Physiotherapy, Psychology and Nutrition & Dietetics. Participants also had the opportunity to get their eyes checked and undergo important health tests, such as blood sugar and blood pressure tests. Additionally, there were consultations available from a physician and a gynaecologist, ensuring that everyone had access to comprehensive healthcare. To make the event even more engaging for families, an art competition was organized for children aged 6 to 12 years. The theme was "Healthy India, Fit India," and the children used their creativity to express the importance of maintaining a healthy lifestyle. This not only encouraged the kids to think about health and wellness but also allowed them to showcase their artistic talents. Overall, the health camp was a successful initiative that not only provided essential health services but also promoted awareness about healthy living among children and their families. The event highlighted the foundation's commitment to community health and well-being, making a positive impact in the lives of the participants.

- **Health Camp organised at Rawal Institutions (28-02-2024)**

On February 28, 2024, the Dr. O P Bhalla Foundation, in collaboration with MREI, held the Health and Legal Aid Camp to honor the legacy of their founder, Dr. O P Bhalla Ji. This meaningful event took place at the Rawal Institutions and was designed to provide crucial services to the local community. With about 190 participants, the camp addressed a wide range of needs, offering support in dental health, physiotherapy, psychology, nutrition and dietetics and legal aid. The dental health services included check-ups and treatment options, helping individuals maintain good oral hygiene. Physiotherapy sessions aimed to assist those recovering from injuries or managing chronic pain, ensuring they could improve their mobility and overall health. Additionally, psychological support was available for anyone facing mental health challenges, providing them with a safe space to talk about their feelings and receive guidance. Nutrition and dietetics experts were on hand to educate participants about healthy eating habits, which can significantly impact their overall well-being. Legal aid was also provided, helping individuals understand their rights and access necessary legal resources. The success of the camp was evident in the positive feedback from participants, who expressed gratitude for the support and services they received. This event not only highlighted the foundation's dedication to enhancing health and well-being in the community but also reinforced the importance of accessible healthcare and legal resources for everyone. Through these efforts, the Dr. O P Bhalla Foundation continues to make a significant difference in the lives of many, carrying forward Dr. Bhalla's vision of compassion and service.

- **Health Camp Organized with Udaan NGO at Community Centre, Sector-37, Faridabad (26-02-2024)**

On February 26, 2024, MRIIRS and Udaan NGO, successfully organized the Health and Legal Aid Camp to honour the late founder, Dr. O P Bhalla Ji. This camp took place at the Community Centre in Sector-37, Faridabad and was designed to provide important services to people in the area. About 140 individuals came to the camp and benefited from various services that included dental health check-ups, physiotherapy sessions, psychological support, nutrition and diet advice and legal assistance. At the camp, dental professionals helped participants with oral health concerns, ensuring they received necessary treatments and guidance on maintaining good dental hygiene. Physiotherapists worked with attendees who were recovering from injuries or experiencing pain, providing exercises and support to help them feel better. The psychology team offered a safe space for people to discuss their mental health issues, providing comfort and professional advice. Nutritionists shared tips on healthy eating, helping participants learn how to make better food choices for a healthier lifestyle.

Additionally, legal experts were available to offer guidance on various legal matters, empowering individuals to understand their rights and access the help they needed. The event was a wonderful success, as it brought together many people seeking support and services they might not have had access to otherwise. This camp not only demonstrated the foundation's commitment to improving the health and well-being of the community but also highlighted the importance of collaboration among organizations to provide comprehensive assistance to those in need. Through these efforts, the Dr. O P Bhalla Foundation continues to honor Dr. Bhalla's legacy by making a positive impact in people's lives.

• **Health Camp Organized at Vidhayak Rajesh Nagar Ji Karyalya, Bhatola Village (17-02-2024)**

On February 17, 2024, the MRIIRS and Dr. Suraj Prakash Hospital, organized the Health and Legal Aid Camp as part of a series honoring their late founder, Dr. O P Bhalla Ji. This event took place at the Vidhayak Rajesh Nagar Ji Karyalya in Bhatola Village and was aimed at providing important health and legal services to the community. Around 120 people attended the camp and were able to access a range of services designed to meet their needs. During the camp, participants received general consultations, which helped them discuss their health concerns with doctors and get professional advice. Dental health services were also available, where attendees could have their teeth checked and treated, promoting better oral hygiene. Physiotherapy sessions were offered to help those dealing with injuries or physical discomfort, allowing them to learn exercises that could improve their mobility.

Psychological support was another key part of the camp, with professionals available to listen and help individuals dealing with stress or mental health issues. Nutritionists provided valuable information about healthy eating habits, helping participants understand how to improve their diets for better health. Eye tests were conducted to check for vision problems, ensuring that those who needed glasses or other care could receive it. Additionally, legal aid was offered to help individuals navigate their legal rights and find assistance with any legal issues they might face. The camp was a great success, as it brought much-needed services directly to the community, making it easier for people to get the help they needed. This initiative reflects the foundation's commitment to improving the well-being of individuals and families, continuing Dr. Bhalla's legacy of compassion and service. Through collaboration with local organizations, the camp not only addressed health and legal needs but also strengthened community bonds, showing the power of working together for a common good.

- **Health Camp Organized at St. Peter's College, Sector 85, Faridabad (09-02-2024)**

On February 9, 2024, the Dr. O P Bhalla Foundation, in partnership with MRIIRS and Dr. Suraj Prakash Hospital, organized Health Camp as part of a series dedicated to the memory of their late founder, Dr. O P Bhalla Ji. This event took place at St. Peter's College in Sector 85, Faridabad, and aimed to provide essential health services to the community. A total of 185 people attended the camp and received consultations from various departments, including Dental Sciences, Physiotherapy, Nutrition, Psychology and Law. The Dental Sciences team was particularly busy, as 107 patients took advantage of the dental services offered. This included check-ups, treatments, and advice on maintaining good oral health. Additionally, the Physiotherapy department assisted 100 individuals, helping them with recovery from injuries or chronic pain through tailored exercises and therapies. The Nutrition department provided guidance to 93 people on healthy eating habits, emphasizing the importance of nutrition for overall health. Meanwhile, 83 individuals sought support from the Psychology team, which offered counselling and mental health support in a safe and welcoming environment. The success of this health camp was made possible by the collaboration and support from various organizations. The foundation expressed gratitude to FAHS, MRDC, FBSS, and Law for their contributions, as well as to RMR for promoting the camps through radio mentions. The team from Mediashala also played a vital role by capturing the event through photographs and videos, ensuring that the impact of the camp was well-documented. Overall, the event was a significant success, providing valuable services to the community and reinforcing the foundation's commitment to improving health and well-being in memory of Dr. O.P. Bhalla. It showcased the importance of teamwork and collaboration in making a positive difference in people's lives, highlighting how collective efforts can lead to meaningful outcomes for those in need.

- **Empowering Communities: The Launch of Health and Legal Aid Camps Series 2024 at Shri Sushma Swaraj Government College (01-02-2024)**

MRIIRS in association with Dr. O P Bhalla Foundation successfully launched the Health and Legal Aid Camps Series 2024 on February 1st. The first camp was held at Shri Sushma Swaraj Government College for Girls in Ballabhgarh, Faridabad. Over 140 beneficiaries participated, taking advantage of free consultations and check-ups in various health areas, including Dental Health, Psychology, Physiotherapy and Nutrition & Dietetics, provided by teams from MRDC, the Department of Psychology, SBSS, and SAHS. In addition to health services, attendees received valuable legal awareness and assistance from the School of Law, helping them understand their rights and access necessary legal resources. The camp also featured free general physician check-ups and eye tests, in partnership with Dr. Suraj Prakash Hospital, ensuring that beneficiaries had a comprehensive approach to their health needs.

The event was not only focused on health and legal support but also included refreshments sponsored by the Golden Lions Club, Faridabad Central, creating a welcoming atmosphere for all participants. Throughout the camp, beneficiaries received practical insights and advice aimed at improving their overall well-being. This initiative highlights the commitment of both organizations to provide essential services to the community, ensuring that individuals receive the support they need for both their physical and mental health.

- **Mega Health Camp at Shiv Public Senior Secondary School, Dhakiola, Faridabad (03-12-2023)**

On December 3, 2023, MRIIRS and Dr. O P Bhalla Foundation organized a Mega Health Camp in collaboration with the Public Rights Protection Forum at Shiv Public Senior Secondary School in Dhakiola, Faridabad. This event aimed to provide essential health services to the community, and many people attended to take advantage of the free medical care. At the camp, a variety of health services were offered, including blood sugar testing, blood pressure checks, and physiotherapy. These services were important for helping individuals understand their health and manage any issues they might have. The team from SDS, MRIIRS also joined the effort, contributing their expertise to help even more patients. During the camp, the medical staff screened a total of 54 patients, providing them with necessary assessments and treatments. Out of those, 13 patients received physiotherapy to help with pain or mobility issues. Additionally, dental care was a key part of the services offered. Ultrasonic scaling, a dental cleaning procedure, was performed on 8 patients to improve their oral health, while 5 patients received dental fillings to treat cavities. The Mega Health Camp was a great success, bringing together healthcare professionals and community members to promote health and well-being. This initiative not only provided vital services but also raised awareness about the importance of regular health check-ups, making a positive impact on the lives of many individuals in the area.

- **Mega Health and Mammography Camp at Manav Rachna International School, Sec-21C (02-12-2023)**

On December 2, 2023, a mega health camp and mammography camp were held at Manav Rachna International School in Sector 21C. This event was organized by MRIIRS in association with Dr. O P Bhalla Foundation in collaboration with the Rotary Golfers Club and Rotary Club Aravali Faridabad. The camp aimed to provide essential health services to parents and associates of the school, ensuring that they had access to vital health check-ups and consultations. At the camp, a wide range of health services were available, including checks for blood sugar, blood pressure, thyroid levels and cholesterol. Doctors were on hand to provide consultations, helping attendees understand their health better and address any concerns they might have. In addition to these services, free dental check-ups were offered, allowing participants to receive important oral health care. The School of Dental Sciences also participated by providing expert assessments and treatments. Mental wellness counselling was another crucial aspect of the camp, with support offered by the Department of Applied Psychology from MRIIRS. This service aimed to help individuals manage stress and mental health issues, emphasizing the importance of emotional well-being alongside physical health.

For women aged 40 and above, mammography services were provided to screen for breast cancer, an essential preventative measure. A total of 120 parents benefited from various health check-ups, while 20 women underwent mammography. The mega health camp was a significant success, bringing together healthcare professionals and the community to promote overall well-being. It not only highlighted the importance of regular health screenings but also reinforced the commitment of the Dr. O P Bhalla Foundation and its partners to support the health of families in the community.

- **Hepatitis Booster and Tetanus Camp at MRDC (20-11-2023)**

On November 20, 2023, MRIIRS and Dr. O P Bhalla Foundation organized a health camp focused on providing Hepatitis booster shots and Tetanus vaccinations at the MRDC. This event was held in collaboration with Dr. Suraj Prakash Hospital, bringing together healthcare professionals and community members to promote important vaccinations. The camp aimed to raise awareness about the significance of these vaccines in preventing serious illnesses. Hepatitis is a viral infection that affects the liver, while Tetanus is a potentially life-threatening condition caused by bacteria. By offering booster shots, the camp helped ensure that participants had the necessary protection against these diseases. During the event, trained medical staff from Dr. Suraj Prakash Hospital were on hand to administer the vaccines and answer any questions from attendees.

They provided valuable information about the importance of vaccinations and how they play a crucial role in maintaining public health. The health camp was a great success, allowing many community members to receive their vaccinations in a convenient and supportive environment. By organizing this camp, the Dr. O P Bhalla Foundation and Dr. Suraj Prakash Hospital demonstrated their commitment to enhancing the health and well-being of the community, helping people stay safe and healthy through preventive care.

- **Health and Mammography Camp at MR Campus (18-11-2023)**

On November 18, 2023, MRIIRS and Dr. O P Bhalla Foundation hosted a Mega Health Camp and Mammography Camp at the MR campus. This event was organized in collaboration with the Faridabad Industries Association, Rotary Golfers Club and Aditya Birla Health. The primary goal was to offer essential health services to the community, focusing on preventive care and early detection of health issues. At the camp, a variety of services were available for participants. Women aged 40 and older could receive free mammography screenings, which are important for detecting breast cancer early. In addition to this, there were free eye tests to check for vision problems and various health check-ups were offered, including blood pressure measurements, blood glucose tests, thyroid level checks, total cholesterol screenings and pulmonary function tests. Participants also had the opportunity to consult with doctors, who provided valuable advice and information about their health. A total of 107 associates from MR took advantage of these health check-ups, demonstrating a strong interest in maintaining their health. Out of those, 25 women underwent mammography screenings, which can significantly help in catching potential issues early. The Mega Health Camp was a great success, providing vital services that contributed to the overall health and well-being of the community. By facilitating these check-ups, the Dr. O P Bhalla Foundation and its partners emphasized the importance of regular health screenings and preventive care, encouraging everyone to take proactive steps toward their health. This initiative showcased their commitment to making a positive impact on the lives of individuals in the community.

- **Mega Blood and Stem Cell Donation Camp (15-09-2023 to 16-09-2023)**

On September 15th and 16th 2023, a collaborative effort between MRIIRS and OP Bhatta Foundation led to a successful Mega Blood and Stem Cell Donation Camp across B, I, and T blocks. A total of 1210 students enthusiastically participated in the blood donation drive, demonstrating their commitment to saving lives. Additionally, 178 students and faculty members pledged to donate stem cells through initiatives facilitated by Jeevan Dayni Foundation and Gene Bandhu Foundation. The event was supported by community organizations such as Rotary Heritage, Rotary Golfers and Lions Club, highlighting a unified effort towards humanitarian causes. These camps not only promoted the importance of blood and stem cell donation but also strengthened the campus community's engagement in charitable activities. Such initiatives foster a spirit of altruism and solidarity among students and faculty members, making a significant impact on healthcare initiatives beyond the university campus.

- **Health Initiative: Testing Haemoglobin Levels at Manav Rachna International Institute of Research and Studies (11-09-2023)**

In a significant health initiative, on September 11th, 2023, the Department of Nutrition & Dietetics, Manav Rachna International Institute of Research and Studies partnered with the O P Bhatta Foundation to conduct haemoglobin level tests for 1723 students and faculty members. The tests were administered by a dedicated team from Sarvodaya Health Care, aiming to assess individuals' readiness to donate blood and to identify those needing further nutritional counselling. Out of the total participants, more than 50% of the students were found eligible to donate blood, reflecting good overall health and adequate haemoglobin levels. For those who did not meet the criteria for blood donation, the Nutrition department provided personalized counselling sessions. These sessions focused on improving dietary habits and ensuring optimal nutrition to enhance haemoglobin levels and overall health.

This initiative not only promotes health awareness but also underscores the university's commitment to the well-being of its community members. By addressing haemoglobin levels through targeted interventions, Manav Rachna International Institute of Research and Studies aims to foster a healthier campus environment and contribute positively to the broader community health initiatives. Such proactive measures are crucial in promoting a culture of health and well-being among students and faculty alike.

- Workshop on Household Plastic Waste Management for 100 Students (02-04-2024)**

Dr. O.P. Bhalla Foundation, and MRIIRS organised a workshop focused on waste management, specifically targeting household plastic waste. This event was organized under the Foundation's Green Grah initiative, which aims to promote environmental awareness and responsible waste practices. During the workshop, students learned about the importance of managing plastic waste effectively and how it impacts the environment. The session included an interactive game that taught them how to segregate waste correctly, making the learning process fun and engaging. This hands-on activity helped students understand the different types of waste and how to dispose of them properly. The goal of the workshop was not only to educate the students but also to inspire them to take action. They were encouraged to practice waste segregation at home and in their colleges. Additionally, students were motivated to share what they learned with their families and friends, spreading awareness about the importance of reducing plastic waste and promoting a cleaner environment for everyone. This initiative aims to create a ripple effect, encouraging the whole community to adopt better waste management practices. About 100 students participated in the workshop.

- Sustainable activity for Design and guessing the name of the plant at Medicinal Garden (21-03-2024)**

On March 21, 2024, the Dr. O.P. Bhalla Foundation, in collaboration with the Manav Rachna Centre for Medicinal Plant Pathology and the Department of Biotechnology at Manav Rachna International Institute of Research and Studies, organized the "Sustainable Medicinal Garden Design and Name Competition" at the B-block Auditorium. The event began at 11:00 AM and aimed to encourage creativity in designing medicinal gardens on the campus. A total of 71 registrations were received, and 25 teams actively participated in the competition. This initiative is particularly exciting because the best designs are selected for implementation, helping to create actual medicinal gardens on campus. The project received funding support from the National Medicinal Plants Board, which is part of the Ministry of Ayush, Government of India. This means that students' ideas can turn into real projects that benefit everyone at Manav Rachna.

During the event, participants showcased their innovative designs and ideas for sustainable gardens that could grow various medicinal plants. After the presentations, certificates of participation were awarded to all teams by esteemed guests, including Dr. N.C. Wadhwa, the Director General of MREI and a Trustee & Vice Chairman of the Dr. O.P. Bhalla Foundation; Dr. Pardeep Kumar, PVC & Dean of SET; Dr. Sarita Sachdeva, Executive Director & Dean of Research; and Dr. Nidhi Didwania, Director of MRCMPP & Professor of Biotechnology. This recognition not only celebrates the hard work of the participants but also encourages them to continue their efforts in promoting sustainability and the importance of medicinal plants.

- **Green Grah March to Raise Awareness on Plastic Segregation at Campus (08-02-2024)**

On February 8, 2024, MRIIRS and Dr. O.P. Bhalla Foundation organized a Green Grah March as part of its Green Grah Initiative. This event aimed to raise awareness about the importance of plastic segregation on campus and it involved many enthusiastic volunteers. During the march, the volunteers encouraged MRites (students and staff) to reduce their use of plastic and, if they had to use it, to separate their plastic waste properly. This simple act of segregation can make a big difference in how plastic is handled and recycled. To engage the community further, the volunteers performed a street play that highlighted the harmful effects of plastic use and shared ways to avoid it. The play focused on how everyone can help eliminate plastic waste and recycle it responsibly, all while protecting our planet. This creative approach captured the attention of passersby and made the message more memorable. In addition to the awareness activities, the foundation took practical steps by placing handmade dustbins in every block of the campus. They urged everyone to use these dustbins specifically for plastic waste. The collected plastic has been recycled and transformed into benches, which has been placed around the campus and in other public areas. This not only promotes recycling but also adds functional furniture to the environment. The Green March proved to be an effective way to spread awareness and promote sustainable practices regarding plastic use and waste management. It showed that through continued efforts and collective action, we can tackle plastic pollution and protect the environment for future generations. By involving the community in this initiative, the Dr. O.P. Bhalla Foundation is making significant strides toward a greener and cleaner world.

- **From Waste to Wisdom: Manav Rachna International Institute of Research and Studies Sustainable Recycling Initiative (01-09-2023)**

On 1st September, Manav Rachna International Institute of Research and Studies (MRIIRS), in collaboration with O.P. Bhalla Foundation, initiated a remarkable recycling campaign focused on turning campus waste into educational materials. This joint effort involved partnering with Green Obin Recycling Pvt Ltd to collect discarded paper and cardboard from all corners of the campus. With careful oversight from Team Foundation, they successfully gathered a substantial 310 kgs of waste paper from B Block alone. This initiative not only enhanced the cleanliness of the campus but also demonstrated a proactive commitment to sustainability. The collected waste paper underwent processing and recycling by Green Obin Recycling Pvt Ltd, where it was cleverly transformed into notebooks and printing sheets. This innovative approach not only reduced the campus's environmental impact but also provided valuable educational resources for the institute's students and faculty members. By spearheading such initiatives, Manav Rachna International Institute of Research and Studies and Dr. O.P. Bhalla Foundation are setting a positive example of how recycling efforts can create a cleaner environment while supporting educational goals effectively.

- **Plantation drive at the Manav Rachna International Institute of Research and Studies (07-08-2023)**

On August 7th, a meaningful plantation drive took place at the MR campus in collaboration with the Inner Wheel Club. The Club members and enthusiastic student volunteers joined hands to plant trees and participate in a green pledge, reaffirming their commitment to environmental conservation. Beyond just adding greenery, the drive aimed to instill a sense of community and shared responsibility among participants for maintaining a sustainable environment. The active involvement of dedicated volunteers and leadership from Dr. NC Wadhwa underscored the collective determination to create a greener and healthier campus environment for everyone to enjoy and benefit from.

- **Plastic Collection Drive (31-07-2023)**

On July 31st, MRIIRS and Dr. O P Bhatta Foundation launched the first Plastic Collection Drive marking a significant step towards environmental sustainability. The drive took place at three locations across the campus, urging staff members to segregate plastic waste at home and contribute it for recycling. A special acknowledgment goes to MRIIRS, for their substantial contribution to the collection of plastics. Moving forward, this drive become a monthly event, emphasizing an ongoing commitment to reducing plastic waste and promoting recycling efforts within the campus community. The collected plastics had been recycled to create benches, which were strategically placed at various locations on campus. This initiative not only aims to beautify the campus environment but also demonstrates a proactive approach towards sustainable practices and environmental responsibility among staff and students alike.

- **Awareness Programme on Plastic Recycling (23-07-2023)**

On July 23rd, Manav Rachna Institute of Research and Studies & Dr. O P Bhalla Foundation in collaboration with United Springfields Welfare Association collaborated to organize a meaningful event called Sustainable Sunday under the Green Ghar Initiative. The primary objective was to educate and sensitize residents of Springfield about the critical importance of waste segregation and plastic recycling. Volunteers actively engaged with approximately 100 residents, promoting the G20 Initiative which focuses on environmental conservation. Youngsters were inspired through a Green Pledge and a Drawing Competition sponsored by Kotak, aimed at fostering awareness and creativity in sustainability efforts. The event also featured practical workshops on recycling plastic bottles into planters and learning the art of calligraphy. These activities not only provided hands-on learning experiences but also encouraged participants to adopt eco-friendly practices in their daily lives. As a sustainable outcome, the Residents' Welfare Association (RWA) pledged to regularly collect plastic waste from residents and deliver it to Dr. OP Bhalla Foundation for recycling into useful items like benches. This collaborative effort exemplifies a community-driven approach to environmental stewardship, paving the way for a cleaner and greener Springfield.

- **Greening Sector 45: MRIIRS Plantation Drive at Off Campus Hostel (17-07-2023)**

On the 17th of July 2023, Manav Rachna International Institute of Research and Studies (MRIIRS) organized a plantation drive at the Off Campus Hostel located in Sector 45, Faridabad. The initiative was part of MRIIRS' commitment to environmental sustainability and community engagement. Over the course of two days, students, faculty members and volunteers gathered to plant a variety of trees and plants around the hostel premises. The selection of plants was carefully curated to suit the local climate and enhance the ecological balance of the area. This drive not only aimed to beautify the surroundings but also to contribute positively to the environment by improving air quality and promoting biodiversity. Participants were enthusiastic about their contribution towards creating a greener and more sustainable living environment for the hostel residents and the broader community of Sector 45. Such initiatives underscore MRIIRS' dedication to fostering environmental stewardship and encouraging active participation in eco-friendly practices.

- **Spread Awareness about waste Segregation at Manav Rachna Institute of Research and Studies (02-07-2023 to 15-07-2023)**

During the period from 2nd to 15th July, interns from the Foundation and MRIIRS visited different departments. Their main goal was to raise awareness about waste segregation among the staff and faculty members. Waste segregation means separating different types of waste like plastic, paper, and food scraps so that they can be recycled or disposed of properly. The interns also aimed to encourage everyone to participate in the Plastic Collection Drive organized by the Foundation. This drive focuses specifically on collecting plastic waste to prevent it from harming the environment. By visiting various departments, the interns hoped to inspire everyone at the campus to take simple but important steps towards a cleaner and more sustainable environment.

4. Equity and Diversity Activities

- **MRIIRS Student Participation in Wheelchair Cricket Premier League 2.0 (14-03-2024 to 16-03-2024)**

From March 14th to 16th, 2024, volunteers from the MRIIRS actively participated in the Faridabad Wheelchair Cricket Premier League 2.0. This exciting event was organized by the NCR Infotainment Association, with Radio MANAV RACHINA 107.8 serving as the radio partner and took place at the Vijay Yadav Academy in Greater Faridabad. The foundation's volunteers played a vital role during the tournament by providing encouragement and support to the players. Their active involvement not only made the event more inclusive but also created a warm and welcoming atmosphere for everyone. By assisting the athletes and cheering them on, the volunteers showcased the foundation's commitment to community engagement and support for individuals with disabilities. The dedication and compassion of the volunteers left a lasting impression on both the participants and the organizers. Their efforts helped ensure the tournament was a success, and many expressed their heartfelt gratitude for the invaluable contributions made by the volunteers. This event highlighted the importance of inclusivity in sports and demonstrated how community support can make a significant difference in the lives of athletes, fostering a spirit of camaraderie and empowerment.

- **Celebration of International Women's Day Date of Conduct (07-03-2024)**

International Women's Day was celebrated on March 8th with great enthusiasm as part of a women empowerment initiative organized by the ICSSR, in collaboration with the School of Leadership Management and the Department of Student Welfare at MRIIRS. The event was honoured by esteemed guests and highlighted the incredible contributions of women entrepreneurs who have flourished with the help of Self-Help Groups (SHGs). This celebration was a testament to the resilience and determination of these women. The Dr. O.P. Bhalla Foundation took this opportunity to honour these entrepreneurs, recognizing their achievements and inspiring others to follow in their footsteps. The distinguished Chief Guest, Dr. Rajshri Singh, an esteemed IPS Officer, shared her valuable insights and encouragement, setting a positive tone for the day's celebrations. She was joined by notable Guests of Honor, including Dr. N.C. Wadhwa, Dr. Sanjay Shrivastava, and Sh. Rajeev Kapoor, whose presence further emphasized the importance of supporting women's initiatives. In a heartwarming gesture, the foundation brought around 40 beneficiaries from Sneh Ashram, their adopted NGO focused on skill development for women. This highlighted their collaborative efforts to uplift women from diverse backgrounds. Through training programs and motivational speeches, these women were empowered to pursue their dreams and aim for significant achievements in their lives. This marked an important step toward gender equality and inclusive development. Dr. O.P. Bhalla Foundation team expressed gratitude to Dr. Nandini Shrivastava and her team from the CDP for providing this valuable forum and opportunity, which contributed to the program's success. The event was a celebration of women's strength and potential, encouraging everyone to support and empower women in their communities.

- **Heartwarming Visit at SHEOWS Old Age Home (12-10-2023)**

On October 12th, 2023, student volunteers from Manav Rachna International Institute of Research and Studies embarked on a heartfelt visit to the new center of SHEOWS old age home near Kalindi Kunj. Their visit was filled with compassion and activities aimed at brightening the day for the elderly residents. The volunteers organized a drawing activity where they shared stories and engaged in light-hearted dancing and singing sessions with the residents. These interactions were not just about entertainment but about fostering meaningful connections and spreading joy. The presence of the volunteers and their genuine efforts to engage with the elderly left a lasting impact, evident in the smiles and gratitude exchanged throughout the day. Dr. Bhagat, the founder of SHEOWS, also addressed the volunteers, highlighting the importance of such visits in bringing happiness and companionship to the elderly. This experience served as a reminder of the profound value of human connection and the positive impact simple acts of kindness can have on individuals' lives, especially in elderly care settings.

- **Awareness Campaign on Women Hygiene and Sanitary Napkin Distribution (24-09-2023)**

On September 24th, 2023, Manav Rachna International Institute of Research and Studies and OP Bhalla Foundation joined forces to distribute sanitary napkins to over 250 women and girls in Mohatabad Village. As part of their initiative 'Give her Wings to Fly', the team from OP Bhalla Foundation, along with dedicated student volunteers, conducted a street play (Nukkad Naatak) focused on menstrual awareness and hygiene. This interactive session was organized in collaboration with Satya Sai Foundation, which also facilitated a Narayan Sewa for the villagers. During the event, special attention was given to educating women about menstrual health and proper hygiene practices. More than 250 sanitary napkins were distributed, bringing the total distributed under this initiative to 27,000.

- **Empowering Women: Menstrual Hygiene Drive at Badhkal Flyover Slums (14-08-2023)**

On August 14th, MRIIRS and Dr. OP Bhalla Foundation orchestrated a significant drive focused on menstrual hygiene and sanitary napkin distribution in the slums beneath the Badhkal Flyover. A dedicated team of student volunteers took the lead in spreading awareness about menstruation, emphasizing hygienic practices during periods, discussing issues like PCOD, and debunking common myths surrounding menstruation. The initiative was particularly impactful as it aimed to empower women and teenage girls in the area. A total of 900 sanitary napkins were distributed during the event, ensuring that women had access to essential hygiene products. What stood out was the enthusiastic participation of numerous first-year students from MR campus, who wholeheartedly embraced the cause and actively contributed to the success of the drive. This collaborative effort not only addressed a critical health issue but also fostered a sense of empathy and community support among participants.

- **Holi Celebrations at SHEOWS Old age Home (23-03-2024)**

The volunteers from the MRIIRS, celebrated Holi in a joyful event with the residents of Sheows Old Age Home in Okhla. This special celebration was filled with laughter and warmth as the volunteers shared heartfelt moments with the elderly residents. They joyfully adorned the seniors with vibrant colors, creating a festive atmosphere. To add to the celebration, the volunteers distributed delicious gujiya sweets, a traditional treat enjoyed during Holi. Everyone joined in the fun, dancing and celebrating together, which created cherished memories for both the volunteers and the residents. This event was not just about the festival; it was a meaningful experience that highlighted the Foundation's commitment to spreading joy and building connections within the community. Additionally, the team from the Foundation took the opportunity to donate some curtains to Sheows Old Age Home, which were generously provided by the hostel team. This thoughtful gesture added a touch of care to the living space of the residents, further demonstrating the Foundation's dedication to supporting and uplifting the community. Overall, the celebration was a beautiful reminder of the importance of kindness and companionship, especially for the elderly.

- **Mega Donation Drive in the Auspicious Month of Kartika (23-11-2023)**

On November 23, 2023, under the inspiring guidance of Madam Satya Bhalla Ji, the Chief Patron of MREI, Dr. O P Bhalla Foundation organized a meaningful Mega Donation Drive during the auspicious month of Kartika. Following the wishes of Hon'ble Chairperson Dr. NC Wadhwa, the team, including Sh. Sarkar Talwar Ji, Director of Sports, and Ms. Ritika Singh, Secretary of the DOPBF, visited the SHEOWS Old Age Home in Okhla, Delhi, to deliver essential supplies. During their visit, the team donated a wide range of important items, such as rice, sugar, refined oil, rusk, spices, pulses, medicines, diapers, blankets and much more. The total value of the donations exceeded Rs 1 lakh, highlighting the foundation's commitment to supporting those in need. The employees from Manav Rachna also contributed generously, providing a wheelchair, portable toilet seat, walker, sticks, bedsheets, clothes and other vital items that would enhance the quality of life for the elderly residents. This collective effort aimed to address the various needs of the seniors at the old age home, ensuring they received not just daily essentials but also care and comfort. The donations provided both physical support and a sense of community, reminding the residents that they are valued and cared for. The heartfelt contributions and blessings from Madam Satya Bhalla Ji undoubtedly made a lasting positive impact on the lives of those living at SHEOWS Old Age Home. The event showcased the foundation's dedication to making a difference in the community and emphasized the importance of compassion and support for the elderly.

- **Distribution of Clothes, Stationery, and Essentials to Children at Rescue Home for Boys, Tikona Park (14-11-2023)**

On November 14, 2023, to celebrate Children's Day, the Team from the Dr. OP Bhalla Foundation visited the Rescue Home for Boys in Tikona Park, Faridabad. This home provides shelter for boys who have been rescued from child labor, giving them a safe place to live and grow. The volunteers from the foundation brought a variety of gifts for the children, including clothes, school supplies, games and dry snacks like biscuits and rusks. These items were gathered through generous donations from MR students and other supporters. While at the home, the children had a wonderful time playing games and showing off their skills, which brought lots of joy and laughter to the day. The volunteers also had a great time interacting with the boys, making the visit a memorable experience for everyone involved.

- **Spreading Joy and Connection with specially-abled children at NGO Prabhat: An Awakening (14-10-2023)**

On October 14th, 2023, students from Manav Rachna International Institute of Research and Studies volunteered at Prabhat An Awakening, a shelter for special children who have been abandoned by their parents. The visit aimed to bring happiness and companionship to these children. During the visit, the volunteers distributed chocolates, frooties and biscuits, which brought smiles to the children's faces. They also engaged the children in storytelling sessions, drawing activities and fun-filled dancing and singing sessions. The interaction was not only about providing treats and entertainment but also about creating meaningful connections. The volunteers were encouraged to visit regularly to foster a sense of belonging and reduce anxiety among the children. This initiative highlighted the importance of empathy and community service, demonstrating how small gestures can make a big difference in the lives of others. The volunteers from Manav Rachna International Institute of Research and Studies left with a sense of fulfillment, knowing they had brought joy and positivity to the children at Prabhat An Awakening.

CHAPTER-10

COMMITMENT TOWARDS SUSTAINABLE DEVELOPMENT GOALS

10.1 MRIIRS Motto- Sustainability Drives Globality

The Government of India endorsed and signed the UN's "Transforming our World: the 2030 Agenda for Sustainable Development," which includes 17 Sustainable Development Goals (SDGs) and 169 associated Targets, in September 2015. The Agenda for Sustainable Development is already seeking strong interest from governments, international organizations, enterprises, civic society and other institutions in UN member states.

MRIIRS is making significant progress toward the 17 Sustainable Development Goals outlined by the United Nations General Assembly for the sake of the planet and its inhabitants. The strategy aims at many paths addressing the environment, gender, food and water security, high-quality education and numerous other essential needs. MRIIRS aspires to be a resource and a force that provides knowledge, vigour, inspiration and motivation to the stakeholders of the institution, empowering them to support and live sustainable lifestyles and as a result to engage in and contribute to democratic governance more effectively in India.

To contribute towards sustainable goals, MRIIRS strongly emphasize on improving teaching-learning and pedagogical processes through updated the curriculum in consultation with stakeholders, organising national and international Events/Seminars/Workshops/Conferences in the different fields of such as the environment, gender, the need for secure access to food and water, high-quality education and several other basic necessities.

10.4 Sustainability Literacy

Sustainability literacy at MRIIRS is central to fostering responsible global citizens who are equipped to address environmental, social and economic challenges. MRIIRS incorporates SDG-aligned curricula across all programmes to promote global challenges through interdisciplinary, experiential and problem-based learning. Key approaches include core curriculum integration, interdisciplinary learning, MOOCs, open electives and workshops.

At MRIIRS, sustainability literacy is key to shaping students into responsible global citizens who are equipped to address pressing environmental, social and economic challenges. Through our comprehensive approach, students gain a deep understanding of sustainability goals and their real-world implications:

- **Comprehensive Knowledge of Global Sustainability Goals:** Students explore the United Nations' Sustainable Development Goals (SDGs), understanding how they relate to environmental conservation, social justice and economic equity.
- **Curriculum Integration:** Sustainability principles are embedded across academic disciplines, ensuring that students develop critical thinking skills to tackle issues like climate change, resource management and inequality.

MRIIRS introduced a new course titled "Introduction to Sustainable Development Goals" for undergraduate students across various departments. The "Introduction to Sustainable Development Goals" course is structured to offer both theoretical and practical insights into the SDGs. It is a 2-credit course which is introduced to make students aware of all the UN Sustainable Development Goals during their first year only. This course is being run under interdisciplinary mode where 17 different teachers as per their SDG-related expertise are teaching in each of the class to provide a complete interdisciplinary flavour to the students.

It incorporates lectures, case studies, guest lectures from sustainability experts and hands-on projects that allow students to engage with real-world sustainability issues. The course is designed to foster critical thinking and equip students with the tools needed to evaluate and address complex global challenges

- **Hands-on Learning Opportunities:** Students engage in practical projects and sustainability initiatives that provide them with the tools to create and implement sustainable solutions in various sectors.
- **Sustainable Campus Practices:** MRIIRS is committed to sustainability through green infrastructure, renewable energy sources and waste management systems, giving students a firsthand look at sustainable practices in action.
- **Encouraging Participation:** Students actively participate in sustainability-related events, workshops and seminars, fostering a sense of responsibility and action towards sustainability goals.
- **Empowering Future Leaders:** The aim is to cultivate leaders who will champion sustainability, drive change in their communities and innovate solutions that contribute to a sustainable future.

In addition to formal education, MRIIRS offers hands-on workshops, expert lectures, and awareness programs emphasizing practical SDG applications, such as the "Two-Week Green India Campaign" and "SAVE NEER", which focused on water conservation, air pollution and resource management including numerous Life Skills Programs, like theatre, dance and environmental programs, that promote sustainable practices and community engagement, reinforcing MRIIRS's dedication to producing socially responsible graduates.

MRIIRS has demonstrated its commitment to promoting education for sustainable development (SDG) in the wider community. In alignment UN SDG goals, MRIIRS actively contributes to fostering sustainable practices and advancing global partnerships for sustainable development. This initiative not only emphasizes education within its own institution but also extends its outreach to surrounding communities and beyond, helping to create an informed and action-driven network that promotes the achievement of all 17 Sustainable Development Goals (SDGs).

- **Bridging Gaps:** MRIIRS Connects with Local Residents for SDG Awareness
- **MRIIRS's Outreach Programs for Displaced Communities**
- **Alumni in Action:** MRIIRS's Programs for Skill Sharing and Community Impact

MRIIRS organizes various programs aimed at advancing sustainable development and social responsibility. Key programs include:

- **SDG Awareness:** MRIIRS conducts outreach programs to promote UN Sustainable Development Goals (SDGs), including health, education and clean energy awareness among local residents.
- **Health and Hygiene:** Initiatives such as sanitary pad distribution and menstrual hygiene education, along with extensive health camps, dental and psychological care and nutritional counselling, address community health needs.
- **Agricultural Training:** MRIIRS supports farmers through training on sustainable agricultural practices, distribution of hybrid seeds and workshops on good agricultural practices for medicinal plants.
- **Educational Outreach:** Programs like the Margdarshan initiative provide career guidance to underprivileged students, while vocational training workshops, in partnership with NSDC, equip students with industry-relevant skills.
- **Women Empowerment:** The institution promotes entrepreneurship among women, especially through self-help groups, and hosts skill-building sessions to support economic independence.
- **Environmental Sustainability:** Activities include plantation drives, water conservation awareness programs, and the "Say No to Plastic" campaign, contributing to environmental stewardship.
- **Philanthropic Initiatives:** Programs like "Ek Mutthi Daan" focus on food distribution, while community support events provide essentials to vulnerable populations.
- **Alumni Engagement:** MRIIRS alumni support these initiatives by mentoring students and facilitating community development projects, enhancing social and economic impact.

10.5 Research Contribution of MRIIRS towards SDGs

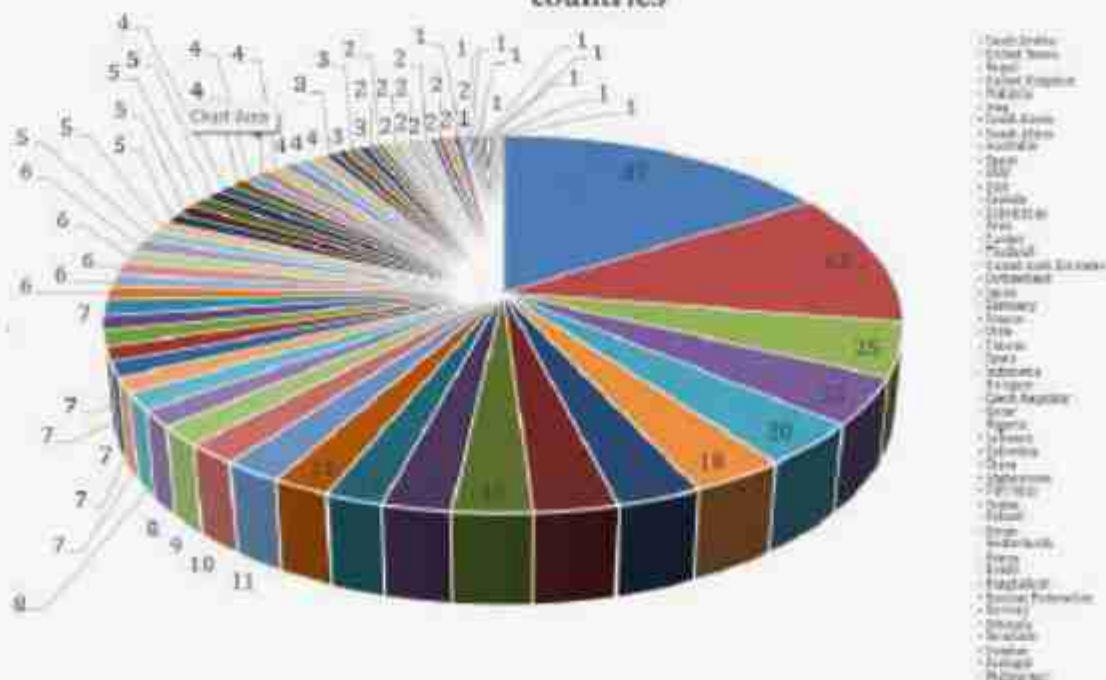

MRIIRS is actively engaged in research initiatives aligned with SDGs, focusing on poverty alleviation and economic empowerment. These projects span various topics, from financial outreach to entrepreneurship, aimed at creating sustainable solutions for marginalized communities.

Research Contributions in Alignment with Various SDG's

Under Global, National and Regional Collaborative Research Initiatives at MRIIRS, aiming at advancing knowledge through International partnerships, MRIIRS actively engages in collaborative research initiatives with institutions and organizations worldwide, fostering global partnerships across diverse academic disciplines. With collaborative publications spanning 76 countries, MRIIRS has strengthened its international research impact through alliances with universities and research centres in nations such as Iraq, UAE, Japan, China, Saudi Arabia, Thailand etc.

Piechart showcasing the Collaborative Research with other countries

In alignment with India's commitment to the United Nations Sustainable Development Goals (SDGs), several faculty members from Manav Rachna International Institute of Research and Studies have actively undertaken government-funded research projects that address pressing societal, environmental, health and economic challenges. These collaborative initiatives not only reflect interdisciplinary innovation but also demonstrate the institution's dedication to impactful research that contributes to national development and global sustainability. Below is a list of selected research projects funded by various government agencies, highlighting the principal investigators, funding organizations, and the specific SDGs addressed through their work:

10.6 Collaborations of MRIIRS to Promote SDGs

i. Collaboration with regional NGOs and government for SDG Policy Advocacy

MRIIRS has forged valuable collaborations with regional NGOs and government organizations to support policy development through a holistic approach. The university serves as an open space for dialogue and knowledge sharing, welcoming NGO and government representatives to participate in seminars, workshops and joint research efforts. This collaborative platform fosters open exchanges among academics, policymakers and community groups, facilitating the sharing of insights, data and real-world experiences to create well-informed policies. Furthermore, MRIIRS offers its research capabilities to support NGOs and government agencies, conducting studies that address pressing regional issues. These partnerships often involve joint fieldwork, surveys and data analysis, grounding policy recommendations in robust evidence and local relevance. Through these efforts, MRIIRS plays an essential role in connecting academic insights with practical policy actions, advancing a more inclusive and responsive policymaking process.

ii. Power of Cross-Border Exchanges in Deepening Connections and Sparking Innovation

MRIIRS actively participated in the recent ASEAN India Business Council meeting, organized by the Federation of Indian Chambers of Commerce and Industry (FICCI) and led by the Ambassador of Thailand to India. This event underscored the impact of cross-border exchanges in fostering innovation, building connections and promoting inclusivity. Moving beyond standard business discussions, the meeting illustrated how embracing diverse perspectives enhances collaboration, creating opportunities for shared growth and understanding. These interactions align with Sustainable Development Goal (SDG) 10, which focuses on reducing inequalities within and among countries. By encouraging open dialogues that bridge cultural and national divides, such exchanges contribute to a more equitable and inclusive global environment. At MRIIRS, we champion internationalization that supports inclusive relationships, helping to build a world where diversity is a source of strength and innovation.

iii. India-Japan Symposium Focuses on Innovation and Sustainability:

The Department of Economics, School of Behavioral and Social Sciences (SBSS), Manav Rachna International Institute of Research & Studies (MRIIRS), a NAAC A++ accredited institution collaborated with the Embassy of Japan to host a two-day International Symposium on "India-Japan Partnership Towards Innovation and Sustainability: A Roadmap for Viksit Bharat." The event commenced with an inaugural session by the delegates, including a keynote address by Prof. Ashok Kumar Chawla, Advisor (Japan) to the Ministry of External Affairs, who emphasized the strategic importance of India-Japan collaboration in fostering innovation and sustainability. The event featured panel discussions on educational and technological cooperation, focusing on shared visions for India's Vision 2047 and Japan's Vision 2050.

iv. Empowering Economies Through a Resilient Care Workforce: Insights from the 112th International Labour Conference, Geneva

At the 112th International Labour Conference 2024 at Geneva, Mr. Rajeev Dubey, an esteemed member of the Strategic Mentoring Board and Professor of Practice at the School of Leadership and Management, played a pivotal role in advocating for a robust care economy, an essential driver for economic growth and workforce development, in alignment with Sustainable Development Goal 8 (Decent Work and Economic Growth) and Goal 5 (Gender Equality).

v. Cross-sectoral dialogue about SDGs Initiate and participate in cross-sectoral dialogue about the SDGs

MRIIRS actively initiates and participates in cross-sectoral dialogues to foster collaboration, knowledge exchange and innovative problem-solving across diverse fields. By bringing together academia, industry, government bodies and international organizations, MRIIRS facilitates discussions that address complex societal challenges such as sustainable development, technological advancement and health and wellness. Through conferences, seminars and partnerships, MRIIRS creates platforms for stakeholders from different sectors to share insights, develop joint initiatives and co-create solutions that resonate globally. This commitment strengthens MRIIRS's role as a catalyst for impactful, multidisciplinary dialogue that drives progress and meets the evolving needs of society.
